to Dr

"GÜNTER GRASS has described himself as a *Solltaufklärer*, a belated apostle of enlightenment in an era that has grown tired of reason. He is a fabulist and a scholarly lecturer, recorder of voices and presumptuous monologist, pasticheur and at the same time creator of an ironic idiom that he alone commands. . . . His writing constitutes a dialogue with the great traditions of German culture, conducted with punctilious affection."

-The Swedish Academy, on the announcement of the 1999 Nobel Prize for Literature
