Meetings which already take up nearly half of a manager's day are proliferating in response to the push for cross functional teamwork. The number of electronic mail messages is predicted to top the 60 billion mark by the year 2000. How can you survive the onslaught and find the information you need to be productive? **SURVIVE Information Overload** gives you a step by step action plan to survive the information age and still have time to effectively manage people, increase productivity and best serve customers. If you're overwhelmed by the glut of memos, messages and research cluttering your desk, you can better manage your workload by seeing the big picture and Alesandrini shows you how. **SURVIVE** is an acronym that gives you the seven ways to manage your workload in the information age without resorting to outdated time management practices. You'll find how to synthesize details, underscore priorities, reduce paperwork, view the big picture, illuminate meeting issues, visualize new concepts, extract the essence. Alesandrini shows you how to use innovative techniques such as priority mapping, context analysis, visual organization and the use of a Master Control System to manage details by seeing the big picture and to eliminate wasted time. She includes a comprehensive list of services, tapes, technology and office products so you can manage information effectively. You'll discover time saving ideas to find needed information with less reading, prevent paper buildup, make meetings more effective, capture ideas and organize thoughts. **SURVIVE Information Overload** is the perfect prescription for combatting the onslaught of information in the 90s and beyond. **BOOK JACKET Title Summary** field provided by Blackwell North America Inc. Dig Your Well before You're Thirsty Harvey Mackay, 1999-02-16. Bestselling author Harvey Mackay reveals his techniques for the most essential tool in business networking: the indispensable art of building contacts. Now in paperback, **Dig Your Well Before You're Thirsty** is Harvey Mackay's last word on how to get what you want from the world through networking. For everyone from the sales rep facing a career making deal to the entrepreneur in search of capital, **Dig Your Well** explains how meeting these needs should be no more than a few calls away. This shrewdly practical book distills Mackay's wisdom gleaned from years of swimming with sharks, including: What kinds of networks exist? How to start a network and how to wring the most from it. The smart way to downsize your list: who to keep, who to dump. How to keep track of favors done and favors owed. Is it my lunch or yours? What you can do if you are not good at small talk. **Dig Your Well Before You're Thirsty** is a must for anyone who wants to get ahead by reaching out. *Subject Guide to Books in Print*, 1997. *Subject Guide to Children's Books in Print* 1997.
