**Through Grief** Ryane E. Englar, Jill Englar, Teresa Graham Brett, 2023-10-31 An empathic and emotional exploration of the inevitable subject of grief that veterinarians will regularly encounter throughout their relationships with clients on their journey through the care and management of animal patients. The authors take an informed and supportive look at the philosophical and psychological impacts of grief, emphasizing the individual experiences of clients while also addressing the impacts on the veterinarian and veterinary team. Chapters cover the importance of the human-animal bond, unique circumstances relating to grief, practical tool kit approaches that help the vet work alongside the client in a way that is supportive and practically helpful, self-management resources for a veterinary-centric view of managing the process of euthanasia, death and grief. Supporting Pet Owners Through Grief provides practitioners and students alike with tools to better understand grief and its impact on the human-animal bond. Veterinary team members will also learn how to navigate their own mix of emotions as they themselves experience and process recurrent grief that can contribute to compassion fatigue and burnout. 5m Books

**Fantasy Femmes of Sixties Cinema** Tom Lisanti, 2015-05-20 Elvis Presley musicals, beach romps, biker flicks, and alienated youth movies were some of the most popular types of drive-in films during the sixties. The actresses interviewed for this book, including Celeste Yarnall, Lana Wood, Linda Harrison, Pamela Tiffin, Deanna Lund, Diane McBain, Judy Pace, and Chris Noel, all made their mark in these genres. These fantastic femmes could be found either twisting on the shores of Malibu, careening down the highway on a chopper, being serenaded by Elvis, or taking on the establishment as hip coeds. As cult figures, they contributed greatly to that period of filmmaking aimed at the teenage audience who frequented the drive-ins of America. They frolicked, screamed, and danced their way into B-movie history in such diverse films as *Eve*, *Teenage Millionaire*, *The Girls on the Beach*, *Dr. Goldfoot and the Bikini Machine*, *Three in the Attic*, *Wild in the Streets*, and *Paradise Hawaiian Style*. This book is a celebration of the actresses' careers. They have, for the most part, been overlooked in other publications documenting the history of film. *Fantasy Femmes* addresses their film and television careers, focusing on their view of the above genres, their candid comments and anecdotes about their films, the people they worked with, and their feelings in general regarding their lives and the choices they made. The book is well-illuminated and contains a complete list of film and television credits.
