The Harrad Letters Robert H. Rimmer,1971-04-01      **The Harrad Experiment** Robert H. Rimmer,2010-09-30 A new age experiment takes place in the 1960s at Harrad College a privately endowed and liberally run school that admits carefully selected students This social experiment encourages premarital living arrangements and is totally committed not mere lip service or public relations hype to getting young men and women to think and act for themselves What do they think about Everything that interests the author Bob Rimmer human relations sex history philosophy anatomy existentialism art music Zen politics and once more sex Four Harrad students record their thoughts regularly for four years Their diaries include large chunks of college action conversation and portraits of fellow students so the reader is swept into the lives of these young adults trying to sort out the jumbled mores of America s Sixties Stanley Kolasukas a bright good looking youth from a poor Polish family finds himself a roommate of Sheila Grove the introspective daughter of an oil millionaire Harry Schacht a brilliant but ungainly medical student from an Orthodox Jewish background lives with Beth Hillyer a girl with enough drive to be a better doctor and enough sensuality to need many men in her life Jack Dawes imaginative and enthusiastic lives with Valerie Latrobe a dominant girl who believes she can better any man at anything The original Harrad Experiment sold more than three million copies This 25th anniversary edition includes a new epilogue describing the startling Harrad Premar Solution a fully up to date and annotated bibliography of books that support the daring joyfully subversive premises outlined in Harrad and Robert Rimmer s candid controversial autobiography When you have read this book you will find yourself entertaining the question of whether a real life Harrad Experiment could or should be going on somewhere today turning out a very special group of young men and women with the potential to utterly change America s ways of living thinking and loving in the 21st century      Make Love, Not War David Allyn,2016-05-23 When Helen Gurley Brown s Sex and the Single Girl hit bookstores in 1962 the sexual revolution was launched and there was no turning back Soon came the pill the end of censorship the advent of feminism and the rise of commercial pornography Our daily lives changed in an unprecedented time of sexual openness and experimentation Make Love Not War is the first serious treatment of the complicated events ideas and personalities that drove the sexual revolution forward Based on first hand accounts diaries interviews and period research it traces changes in private lives and public discourse from the fearful fifties to the first tremors of rebellion in the early sixties to the heady heyday of the revolution Bringing a fresh perspective to the turbulence of these decades David Allyn argues that the sexual revolutionaries of the 60s and 70s by telling the truth about their own histories and desires forced all Americans to re examine the very meaning of freedom Written with a historian s attention to nuance and a novelist s narrative drive Make Love Not War is a provocative vivid and thoughtful account of one of the most captivating episodes in American history Also includes an 8 page insert      *Unclean Lips* Josh Lambert,2014 Sexual anti Semitism and pornotopia

Theodore Dreiser Ludwig Lewisohn and the Harrad experiment The prestige of dirty words and pictures Horace Liveright Henry Roth and the graphic novel Otherfuckers and motherfuckers reproduction and allegory in Philip Roth and Adele Wiseman Seductive modesty censorship vs Yiddish and Orthodox tsnies Conclusion Dirty Jews and the Christian right Larry David and FCC v Fox Thoughts After the First Michael Yergin,2006-09-27 One of the things I hate most is people who assume something about me and don t bother or simply don t want to ask me if they re right You cannot assume anything about anybody even though everybody does it to varying degrees all the time I am I suppose as guilty of doing this as the next guy I find myself making judgments about people before I have really taken the time to get to know them This is undoubtedly one of the greatest problems of my generation Many times we seem to be talking too fast In many cases our mouths are moving faster than our brains But I think there is a reason why this occurs We are pressured to say things before we have really had the time to think it out clearly and logically In our society everybody is striving to be an individual What happens is that you believe something and if you change your mind you feel that you are being inconsistent with your prior views Author Michael L Yergin pens a surreal look at the college scene during the late 1960s and early 1970s at Southern Illinois University Full of insight and humor Thoughts After the First offers a compelling look at this turbulent time in American history **The Futurist** ,1970 *Letters on the American Revolution, 1774-1776* Margaret Wheeler Willard,1925 Catalog of Copyright Entries.
