

The Hawaiian Slack Key Guitar of Ledward Kaapana

With over twenty albums to his credit (most on the Dancing Cat label) and tours of Polynesia, the Mainland, Japan and Europe, Ledward Kaapana is one of Hawaii's most prolific and beloved traditional musicians.

Aside from his mastery of the slack key guitar, he is also an accomplished ukulele, steel guitar, autoharp and bass. His latest album, *Waltz of the Wind*, was recorded in Nashville with an all star cast including Alison Krauss, Ricky Skaggs, George Winston, Sonny Landreth, Jerry Douglas, Sam Bush and others.

In addition to Led's solo career, he and Bob Brozman tour together frequently. In 1997 they recorded a duet album, *Kika Kila Meets Ki Ho'Alu*, which won critical raves and ranked high on the World Music charts.

80-minute Video

Ledward Kaapana, widely acknowledged to be one of the most exciting and accomplished players in ki ho'alu, or slack key guitar style, has given us a lesson that will satisfy players who are novices, as well as those who consider themselves advanced players in the slack key style.

Led's two-finger and alternating bass thumb picking is reminiscent of the great blues and country guitarists, playing licks and turnarounds typical of Hawaiian tradition. He teaches instrumentals like "taro patch" (open G) and "wahine" (DGDF#BD) tunings, encompassing both quiet, beautiful melodies and rip-roaring show-stoppers with lightning-fast licks and fancy picking.

Slack key style is made up of simple chords and melodies, but an accomplished player then builds up improvised variations using interchangeable licks and turnarounds. Ledward provides all the elements for making arrangements in this style, showing how he achieves the special sounds (damping, bass runs, hammers, pull-offs, trills and other ornaments) that make each tune come alive.

With his friend and fellow musician Bob Brozman asking him pertinent questions, Led breaks down, in detail, some amazing instrumentals, including *Slack Key Lullabye*, *Kuu Ipo Onaona*, *E Lili'u E* and the spectacular *Slack Key Medley*.

Short Stories of San Diego County and Other Musings Regis Rosner, 2012 I moved to San Diego County with my family at the age of ten in 1945 We found it rich in history It was first settled by the Native Kumeyaay Indians and then along came the explorers from Europe and the Padres of the Church

Aloha Compadre Rudy P. Guevarra, 2023-07-14 Aloha Compadre Latinxs in Hawai'i is the first book to examine the collective history and contemporary experiences of the Latinx population of Hawai'i This study reveals that contrary to popular discourse Latinx migration to Hawai'i is not a recent event In the national memory of the United States for example the Latinx population of Hawai'i is often portrayed as recent arrivals and not as long term historical communities with a presence that precedes the formation of statehood itself Historically speaking Latinxs have been voyaging to the Hawaiian Islands for over one hundred and ninety years From the early 1830s to the present they continue to help shape Hawai'i's history yet their contributions are often overlooked Latinxs have been a part of the cultural landscape of Hawai'i prior to annexation territorial status and statehood in 1959 Aloha Compadre also explores the expanding boundaries of Latinx migration beyond the western hemisphere and into Oceania

Stir It Up Gene Santoro, 1997-07-10 It's a cliché that the world is shrinking As Gene Santoro sees it in his second collection of essays music is one arena where that cliché takes on a real but paradoxical life while music crisscrosses the globe with ever greater speed musicians seize what's useful and expand their idioms more rapidly More and more since the 1960s musicians both in America and abroad have shown an uncanny but consistent ability to draw inspiration from quite unexpected sources We think of Paul Simon in Graceland blending Afropop rhythms and Everly Brothers harmonies into a remarkable new sound that captured imaginations worldwide Or Jimi Hendrix trying to wring from guitar the howling Doppler shifting winds he experienced as a paratrooper Or Thelonius Monk mingling Harlem stride piano bebop the impressionist harmonies of DeBussey and a delight in harmonic space that eerily paralleled modern physics From the startling experiments of such jazz giants as Charles Mingus to the political bite of Bob Marley and Bruce Springsteen we see musicians again and again taking musical tradition and making it new The result is a profusion of new forms media that are constantly being reinvented in short an art form capable of seemingly endless and endlessly fascinating permutations

Gene Santoro's *Stir It Up* is an ideal guide to this ever changing soundscape. Santoro is the rare music critic equally at home writing about jazz (John Coltrane, Ornette Coleman, Tom Harrell), rock (Sting, Elvis Costello, P J Harvey) and the international scene (Jamaican, Brazilian and African pop music). In *Stir It Up*, readers will find thoughtful but unpretentious discussions of such different musicians as David Byrne and Aretha Franklin, Gilberto Gil and Manu Dibango, Abbey Lincoln and Joe Lovano. And Santoro shows us not only the distinctive features of the diverse people who create so many dazzling sounds but also the subtle and often surprising connections between them. With effortless authority and a rich sense of music history, he reveals for instance how Ornette Coleman was influenced by a mystical group in Morocco, the Major Musicians of Joujouka, whom he discovered via Rolling Stone Brian Jones; how John Coltrane's unpredictable extended sax solos influenced The Byrds, The Grateful Dead and most significantly Jimi Hendrix; and how Bob Marley's reggae combined Rastafarian chants with American pop, African call and response and Black Nationalist politics into a potent mix that still shapes musicians from America to Africa, Europe to Asia. A former musician himself, Santoro is equally illuminating about both the technical aspects of the music and the personal development of the artists themselves. He offers us telling glimpses into their often turbulent lives: Ornette Coleman being kicked out of his high school band for improvising; Charles Mingus checking himself into Bellevue because he'd heard it was a good place to rest; the teenaged Jimi Hendrix practicing air guitar with a broom at the foot of his bed; Aretha Franklin's Oedipal struggle with her larger than life preacher father. Throughout the volume, Santoro's love and knowledge shine through as he maps the rewarding terrain of pop music's varied traditions, its eclectic cross cultural borrowings and its astonishing innovations. What results is a fascinating tour through twentieth century popular music, lively, thought provoking, leavened with humor and unexpected twists. *Stir It Up* is sure to challenge readers even as it entertains them.

[Folk Masters](#) Barry Bergey, 2018-03-05. Portraits of one hundred recipients of the United States' highest honor in the folk and traditional arts captured in their element. Discover one hundred of the greatest folk artists practicing in the United States in *Folk Masters: A Portrait of America*. Over the past twenty five years, photographer Tom Pich has traveled the country to the homes and studios of recipients of the National Endowment for the Arts National Heritage Fellowship, the highest honor given to folk and traditional artists in the nation. His portraits give us a glimpse into their art, their process and their culture. While each image tells a story on its own, Barry Bergey, former Director of Folk and Traditional Arts at the National Endowment for the Arts, provides further insight into the lives of each featured artist as well as the remarkable stories behind each photograph. *Folk Masters* honors again the extraordinary women and men who simultaneously take the traditional arts to new heights while ensuring their continuation from generation to generation. This beautiful, informative and exquisitely produced book features 100 extraordinary traditional artists from across America, each a recipient of the National Endowment for the Arts National Heritage Fellowship, the nation's highest award for excellence in the folk and traditional arts. *Folk Masters* is a stunning tribute to the great diversity of cultures and artistic traditions that enrich our country.

Marjorie Hunt Folklife Curator Smithsonian Center for Folklife and Cultural Heritage Folk Masters documents and honors the extraordinary women and men who take traditional arts to new heights while also ensuring their continuation from generation to generation The Library of Congress Folk Masters is visual emotional and inspirational Here is a portrait of America many Americans never see and may not believe actually exists Pich and Bergey have done an admirable job of conveying their vision Journal of Folklore Research
