**The Communist Judicial System in China, 1927-1976** Qiang Fang, 2025-10-01 Drawing on hundreds of newly released judicial archives and court cases this book analyzes the communist judicial system in China from its founding period to the death of Mao Zedong It argues that the communist judicial system was built when the CCP was engaged in a life or death struggle with the GMD meaning that the overriding aim of the judicial system was from the outset to safeguard the Party against both internal and external adversaries This fundamental insecurity and perennial fear of loss of power obsessed the Party throughout the era of Mao and beyond prompting it to launch numerous political campaigns which forced communist judicial cadres to choose between upholding basic legal norms and maintaining Party order In doing all of this The Communist Judicial System in China 1927 1976 Building on Fear fills a major lacuna in our understanding of communist era China **The Secret Diary** Sukey Gross, 2022 **Bina Lobell's Super-Secret Diary** Ruchama King Feuerman, 2014
