Sins Of Scripture Beyond Texts Of Hate To Reveal The God Of Love:

The Sins of Scripture John Shelby Spong, 2009-10-13 In the history of the Western World the Bible has been a perpetual source of inspiration and guidance for countless Christians However this Bible has also left a trail of pain Controversial bishop and champion of liberal Christianity John Shelby Spong explores those passages that have been used to justify oppression violence discrimination against women and homosexuals and murder As he exposes and challenges what he calls the terrible texts of the Bible laying bare the evil done in the name of God he also seeks to redeem them hoping to recover their ultimate depth and purpose As Spong battles against the way the Bible has been used throughout history he provides a new framework for interpretation explaining how the Bible s overall good news overcomes these terrible texts and delivering a fresh inspiring message of how Christians can use the Bible today John Shelby Spong was the Episcopal Bishop of Newark before his retirement in 2000 As a visiting lecturer at Harvard and at universities and churches throughout North America and the English speaking world he is one of the leading spokespersons for liberal Christianity His books include A New Christianity for a New World Rescuing the Bible from Fundamentalism Resurrection Myth or Reality Why Christianity Must Change or Die and his autobiography Here I Stand A valuable modernist manifesto for progressive readers seeking a response to the conservative theology dominating the news these days Boston Globe Beyond Biblical Theology Timo Eskola, 2013-10-02 Reading Heikki R is nen s hermeneutics in context Timo Eskola explores the development of Western New Testament interpretation Reclaiming a Wredean approach to the Scriptures R is nen focuses on tradition and interpretation He builds on Weberian sociology adopted through Peter Berger s theories and substitutes sacralized culturalism for biblical theology After examining fourteenth century Quran criticism and its impact on Reimarus Eskola discusses the genesis of the revised history of religion theory that R is nen developed when investigating the Quran s relationship to the Bible Sociology then becomes a link between standard historicism and poststructuralism as R is nen reinterprets Berger s sociology of knowledge R is nen s sacralized culturalism finally becomes the theory from which his magnum opus The Rise of Christian Beliefs has been written **Bloody, Brutal, and Barbaric?** William J. Webb, Gordon K. Oest, 2019-12-03 Christians cannot ignore the intersection of religion and violence In our own Scriptures war texts that appear to approve of genocidal killings and war rape raise hard questions about biblical ethics and the character of God Have we missed something in our traditional readings Identifying a spectrum of views on biblical war texts Webb and Oest pursue a middle path using a hermeneutic of incremental redemptive movement ethics **Moses** Maurice D. Harris, 2012-03-01 In Moses A Stranger among Us Rabbi Maurice Harris leads us to look beyond familiar and popular portrayals of Moses so that we can discover the Moses whose lesser known attributes and experiences provide us with surprisingly fresh ethical and spiritual guidance Harris offers many angles on his subject interweaving traditional religious interpretations academic Bible scholarship psychological and sociological analysis feminist readings and more Combining deep respect for the biblical text with a

willingness to question received tradition Harris reveals a complex Moses whose life story gives us important tools for better understanding issues like religious fundamentalism intermarriage identity confusion civil disobedience gay and lesbian equality and the nature of sacred mythic storytelling Written in a refreshing plainspoken voice for people of all faiths or none the result is a volume of creative thought provoking and exciting readings of the Bible [The New Heretics](#) Rebekka King, 2023-02-07 Charts the development of progressive Christianity's engagement with modern science historical criticism and liberal humanism Christians who have doubts about the existence of God Who do not believe in the divinity of Jesus Who reject the accuracy of the Bible The New Heretics explores the development of progressive Christianity a movement of Christians who do not reject their identity as Christians but who believe Christianity must be updated for today's times and take into consideration modern science historical criticism and liberal humanism Drawing on three years of ethnographic fieldwork in North America Rebekka King focuses on testimonies of deconversion collective reading practices and the ways in which religious beliefs and practices are adapted to fit secular lives King introduces the concept of lived secularity as a category with which to examine the ways in which religiosity often is entangled with and subsumed by secular identities over and against religious ones This theoretical framework provides insight into the study of religious and cultural hybridity new emerging groups such as the nones atheism religious apostasy and multi religious identities The New Heretics pays close attention to the ways that progressive Christians understand themselves vis vis a conservative or fundamentalist Christian other providing context concerning the presumed divide between the religious right and the religious left King shows that while it might be tempting to think of progressive Christians as atheists there are religious and moral dimensions to their disbelief For progressive Christians the act of questioning and rejecting God alongside other theological tenets is framed as a moral activity Ultimately the book showcases the importance of engaging with the ethics of belief in understanding contemporary Christianity

Jesus for the Non-Religious John Shelby Spong, 2009-10-13 Writing from his prison cell in Nazi Germany theologian Dietrich Bonhoeffer envisioned what he called religionless Christianity In Jesus for the Non Religious John Shelby Spong expands on Bonhoeffer's idea the result is a strikingly new and different portrait of Jesus of Nazareth a Jesus for the non religious Spong challenges much of the traditional Jesus story from the Virgin Birth to the ascension into Heaven He also addresses those contemporary critics of Christianity who call God a delusion and express fears that Christianity has become evil and destructive Spong proposes a new way of understanding the divinity of Christ as the ultimate dimension of a fulfilled humanity Jesus for the Non Religious may be the book that finally brings the pious and the secular into a meaningful dialogue opening the door to a living Christianity in the post Christian world John Shelby Spong was the Episcopal Bishop of Newark before his retirement in 2000 He is one of the leading spokespersons for liberal Christianity His books include Sins of Scripture A New Christianity for a New World Rescuing the Bible from Fundamentalism Resurrection Myth or Reality Why Christianity Must Change or Die and his autobiography Here I Stand He

has initiated landmark discussions of controversies within the church and has become an outspoken advocate for change Sparkling with personal anecdotes and nurtured by a wide range of scriptural scholarship Spong's book deconstructs conventional religion and then fashions a new Jesus consonant with modern consciousness Hal Taussig author of A New Spiritual Home Progressive Christianity at the Grass Roots **Notes on the Scripture Lessons for ...** ,1856
