*Ski-Ing (Classic Reprint)* Arnold Henry Moore Lunn, 2015-08-05 Excerpt from *Ski Ing* This book is written primarily for beginners It is chiefly written for those who have never yet visited the winter Alps and who are utterly ignorant of all matters of outfit and expenditure To these I would say make up your mind that you are sure to ski Before you leave England you may perhaps fancy that you are going to skate or toboggan You may believe that skiing is a vastly dangerous sport fitted to the young and adventurous Possibly you may add that skating is possible in England which seems to some a reason for neglecting everything else in the Alps I have never been able to understand this position unless it is equivalent to saying that the skater has more Opportunity of displaying his prowess in England than the ski runner and therefore About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
