Pastoral Care and the Means of Grace Ralph L. Underwood,1992-10-01 The emphasis on pastoral freedom is nearly spent and found wanting Many

caregivers today are seeking to balance such freedom with a sense of God's transcendence and communal order which entail personal and ritual formation. In Underwood's resulting spirituality the soul of pastoral care is prayer. The substance is Scripture studied in both liturgical and personal settings. The evangelical principle is reconciliation. Baptism lays the foundation for pastoral care by providing the paradigm for all transformations. Eucharist constitutes the eschatological horizon for pastoral care as ministry in the human encounter of God's presence. This winsomely written book stands at the forefront of a broad movement among scholars and clergy in nonliturgical traditions that aims at retrieving explicitly religious resources the means of grace. The result is a rare truly ecumenical contribution to pastoral care which deepens practice by providing a vision and a spirituality.

MacArthur, Master's Seminary Faculty, 2017-03-07 Pastor John MacArthur combines his passion for the Bible with the training expertise of faculty members at The Master's Seminary to guide seminary students and ministry leaders in developing their pastoral ministry skills. The authors examine the biblical teaching about the high and demanding call to ministry required of any spiritual shepherd. You'll learn how to pursue intentional growth through the stages of calling, training and ministering to God's church along the way, uncovering answers to questions such as: How does the Bible establish a philosophy of pastoral ministry and what is it? Who is personally qualified to be an undershepherd of God's flock? What are the biblical preparations required of shepherd leaders? What priority does God's word

place on activities involved in pastoral ministry United in affirming shepherd leadership as the biblical model for pastoral ministry The Master s Seminary faculty contributes a treasury of expertise alongside insights from well known Bible teacher John MacArthur This book will inspire any pastor dedicated to serving God s church in the pattern of Jesus Christ

The Gifted Church W. Clay Jackson MD DipTh, 2025-02-13 What if we re missing something The New Testament describes a vibrant church empowered by the Holy Spirit with supernatural gifts of manifestation service and leadership which turned the known world upside down within three generations But as the freedom of the operation of the Holy Spirit waned and post apostolic leaders consolidated power within hierarchical systems that missional momentum was truncated In this pivotal work Dr Jackson brings an Apostolic hermeneutic to the scriptures and mountain of classical and contemporary sources to demonstrate that this historical declension from scriptural truths began its long reversal with the Reformation culminating in the worldwide outpouring of the Holy Spirit in the early 20th century The restorationist impulse of the pioneers of modern Pentecostalism caused them to embrace previously neglected manifestation gifts charismata but did not substantially alter their ecclesiology as they failed to fully actualize the edification gifts domata Dr Jackson details the function and characteristics of each edification gift or speaking leadership role within a scriptural framework of an apostolic team He warns against excesses and abuses of power and reminds each disciple maker that the character of the Giver not the characteristics of the gift is the true determinant of our ability to serve faithfully This book will challenge the pastor theologian to rethink church leadership and to reengage the whole church in the kingdom expansion that characterized early Christianity It will provide enrichment and clarity regarding the roles of those who portray and embody various types of edification leadership gifts The result will be a church whose missional impulse is not outsourced to designees but internalized within each member of a Body that is equipped for service within local and global contexts

That His Spirit May Be Saved Jeremy M. Kimble, 2013-12-10 In an age of tolerance and moral laxity the

implementation of church discipline is often looked upon with disdain fear or incredulousness However there is clear biblical precedent for the practice of discipline within a local church context While many are aware of several passages in Scripture that speak to this reality in this work Jeremy Kimble calls readers to observe clear biblical mandates historic precedent as well as theological and practical implications for the practice of church discipline Seeking to venture past the pragmatic discussions surrounding church discipline Kimble articulates for his readers a lucid theological presentation of this topic He argues that discipline serves as a warning of potential end time judgment As such discipline also serves as a means to the sinner s repentance and the perseverance of the saints within that local church This theological understanding of discipline calls pastors and congregations to faithfulness There is a seriousness to church discipline that cannot be ignored and likewise discipline must also be viewed as a mercy knowing it is a means to repentance and enduring in one s faith **The**

Biblical Counseling Movement David Powlison,2010-02-12 Beginning in the late 1960s a biblical counseling movement sought to reclaim counseling for the church and provide a Christian alternative to mainstream psychiatry and psychotherapy The Biblical Counseling Movement History and Context is an informative and thought provoking account of that movement David Powlison s historical account Moral Leadership in the Church: a Normative Approach Bishop Felix Clarence

Orji,2013-05-15 In a time of confusion uncertainty debate and division regarding what constitutes right moral behaviour the subject of responsible moral leadership in the church takes on fresh urgency But at this critical time of need for moral leadership too many clergy simply mirror the uncertainty or abnegate the responsibility This book addresses this anomaly specifically by proposing a normative model for moral leadership in the local church Pastors and leaders of all Christians traditions will find this book very informative and useful The book begins with an overview of the historical theological and biblical bases for Christian leadership and more particularly what the moral dimension of such leadership means Various Christian traditions are surveyed for insights into the character vision and tasks of moral leadership including the authoritative sources for ethical reflection and moral guidance Since Dr Felix Orji is a Bishop in the Anglican Communion he includes a chapter on that tradition to give a sense of the ecclesiastical ethos in which presbyters must exercise such leadership This is followed by a clear examination of Scripture in regard to what it tells us about moral leadership This book ends with a detailed normative model for moral leadership in the church and a leadership training resource specifically designed for such leadership **Biblical Pastors Were Not and Are Not Ceos.** James D. Martin,2020-06-02 The

emergence of the pastor Chief Executive Officer CEO position in churches today has become widely acceptable in Mega and Meta churches Recent studies have not explored this issue David Fisher acknowledges that in the 21st century being a pastor presents major challenges because it leads to professional and personal identity crisis resulting from secular and ecclesial challenges Studies have supported the idea that there is the need for church leaders to adopt the secular models of leadership and several noted authors have shown that churches today have become like other organizations that have to

market their products This is a problematic interpretation because leadership in modern churches has gone beyond the biblical and theological definitions of becoming shepherds of their flock and servants of God In the search for an effective pastoral leadership role this paper will explore the contemporary definition of pastoral leadership and compare it with what the scriptures say concerning the elders and servants of God assigned the duty of being shepherds of their flock
