Slaves Of Isis:

Slaves Wives and Brides Judit Neurink, 2018-08-05 Slaves wives and brides paints the situation of women under the role of the Islamic group ISIS This group that at one stage occupied large parts of Iraq and Syria kidnapped thousands of Yazidi women as sex slaves and treated them like animals Western women were recruited to give birth to the next generation of fighters Some of them volunteered to work with a special police force that checked if women were abiding by the strict rules acting no less brutal than the ISIS men All these women play a role in the history that was written in Iraq and Syria In *Slaves wives and brides* Judit Neurink gives a voice to Yazidi women who escaped from the state that ISIS founded and bear witness to the brutal treatment they received there She tells the story of the American aid worker Kayla Mueller who was the slave and even wife of ISIS leader Abu Bakr al Baghdadi She phones women in the occupied city of Mosul and analyses the rights that ISIS propaganda is giving to women Thus a clear image is drawn of the black reality of life under the occupation of ISIS The book is a complete update after the liberation of Mosul and other areas in Iraq of Neurink's book *The Women of the Caliphate* Judit Neurink 1957 is a Dutch journalist who lived in the Kurdistan Region of Iraq for ten years She reports for Dutch Belgian and international media *Slaves wives and brides* is her sixth book **ISIS Hostages** Chris

Townsend, 2017-12-15 In August 2014 ISIS surged onto the global stage with the horrific killing of a journalist who had been held hostage by the group The gruesome video was followed by several others as ISIS sought to capture and maintain the attention of the world media and encourage recruits to join them ISIS's treatment of hostages has led some to take their own lives instead of being captured But not all hostages are equal under the Islamic State This book will explore the role of hostages under ISIS from those who are killed or forced to fight to those who are used for their value as propaganda or their ability to generate income in the form of bribes for the Islamic State **Slaves of Isis** Madame de Morville, 2004-05-01

Between the millstones, 2015-02-27 Since June 2014 the rapid spread of ISIS Islamic State of Iraq and al Sham forces across northern Iraq has triggered a wave of displacement with more than 2 million people uprooted Ethnic and religious minorities have been particularly targeted including Christians Kaka'i Shabak Turkmen and Yezidis with thousands killed and many more injured or abducted Summary executions forced conversion rape sexual enslavement the destruction of places of worship the abduction of children the looting of property and other severe human rights abuses have been committed repeatedly by ISIS This report *Between the Millstones The State of Iraq's Minorities Since the Fall of Mosul* draws on extensive interviews fieldwork and research to document the plight of Iraq's minorities since June 2014 While minorities have long been vulnerable to attacks by extremists this violence appears to be part of a systematic strategy to remove these communities permanently from areas where they have lived for centuries The current situation for the millions of displaced persons in Iraq many of whom belong to minority groups is characterized by deteriorating humanitarian conditions Many are without adequate food water health care shelter and other necessities with women and children especially vulnerable With

little support or protection many Iraqis from minorities are now contemplating a life permanently outside the country To ensure their continued presence in Iraq authorities and other stakeholders must not only ensure their immediate protection but also promote a more inclusive future for minorities in Iraq

Defeating ISIS Malcolm Nance, 2016-03-08 A New York Times bestseller This reference shows how to understand the history and tactics of the global terror group ISIS and how to use that knowledge to defeat it ISIS the Islamic State of Iraq and Syria has taken on the mantle of being the single most dangerous terrorist threat to global security since al Qaeda In Defeating ISIS internationally renowned intelligence veteran author and counterterrorism expert Malcolm Nance gives an insider's view to explain the origins of this occult group its violent propaganda and how it spreads its ideology throughout the Middle East and to disaffected youth deep in the heart of the Western world Most importantly Defeating ISIS gives an amply illustrated step by step analysis of the street level tactics the group has employed in assaults against fortified targets in urban combat and during terrorist operations such as those in Paris during the November 13 attacks As much as ISIS is a threat to Western targets and regional stability in the Middle East Nance describes not only its true danger as a heretical death cult that seeks to wrest control of Islam through young ideologues and redefine Islam as a fight to the death against all comers but also how to defeat it Defeating ISIS is the first highly detailed and fully illustrated look into the organization by one of the world's foremost authorities in counterterrorism 100 color illustrations 100 black and white illustrations maps throughout
