Chad,2013-09 This book is a true story of survival and valor that was written by William P Chad during the second part of the 20th Century A D He has dedicated it to his mother Makroohi Together they emigrated to The United States of America from Lebanon at the end of WWI after been exiled from Malatya their homeland of Western Turkey former Armenian territories William spent most of his adult life writing it He did a great job in describing the WWI Era events with the accuracy and confidence of someone who was both directly involved and afflicted by them like a war correspondent He lived through those horrific events In his tedious work William strived for perfection and has achieved it Then he passed away and the work has passed on to us The content of this book is a time window into WWI Era when tragedy has struck not only the Armenian but also the Greek Nestorian and Syrian Peoples for their Christian belief Millions have perished at the hands of Ottoman Turks and their proxies Kurd mercenaries It is estimated that between 3 5 Million people have lost their lives during this era These events are considered to be the first Holocaust of the 20th Century Is it easy to kill to shed blood Hakim asked There is nothing to it nothing at all After the first kill all the others are Hakim interrupted him nervously I have robbed but I have never killed not even a sheep You will the Chieftain said I will have to murder Hakim questioned To kill Armenians is not murder It is legalized execution We Kurds are not guilty of murdering the Giaourji We are merely the instruments performing a service We do not slay we execute Is the knife that stabs the life out of a sheep guilty of murder Enough nonsense Now go and pass the word to our men of what we are supposed to engage in by Executive Permission Kill Kill and Kill Hakim stood up for a second then sat down again How will I know a Turk from an Armenian hah They all dress alike Hakim insisted Pull their pants down a Christian is never circumcised It is our hope that such tragedies can be prevented if we strive to raise the awareness of all Peoples on Earth no matter their religious belief Amen All truth passes through three stages First it is ridiculed second it is violently opposed and third it is accepted as self evident Arthur Schopenhauer 1778 1860 The Afterglow George Spencer Cautley,1869 **A Prose English Translation of the Mahabharata** Manmatha Nath Dutt,Manmathanatha Datta,1895 **The Afterglow; Songs and Sonnets for My Friends** Matthew Boyle,George Spencer Cautley,1867 *The Pre-Raphaelites and Their Circle* Cecil Y. **Spirits of Community** K. D. M. Snell,2016-06-16 Concern about the decline of community and the theme of community spirit are internationally widespread in the modern world The English past has featured many representations of declining community expressed by those who lamented its loss in quite different periods and in diverse genres This book analyses how community spirit and the passing of community have been described in the past whether for good or ill with an eye to modern issues such as the so called loneliness epidemic or the social consequences of alternative structures of community It does this through examination of authors such as Thomas Hardy James Wentworth Day Adrian Bell and H E Bates by appraising detective fiction writers analysing parish magazines considering the letter writing of the parish poor in the 18th and 19th centuries and through the depictions of realist landscape painters such as George Morland K D M Snell addresses modern social concerns showing how many current preoccupations had earlier precedents In presenting past representations of declining communities and the way these affected individuals of very different political persuasions the book draws out lessons and examples from the past about what community has meant hitherto setting into context modern predicaments and judgements about spirits of community today     *Some Slings and Arrows from John Galsworthy* John Galsworthy,1914
