Billboard ,2001-01-27 In its 114th year Billboard remains the world s premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends

Music for Elementary Classroom Teachers Charles Hoffer,2004-07-14 There is no question that music makes a significant contribution to the quality of human life and that music can play a valuable role in the learning of virtually all subjects taught in the elementary schools Music for Elementary School Teachers is a concise easy to understand book that covers the essentials of what future elementary classroom teachers need to know in the area of music It emphasizes the cooperative supportive role of elementary classroom teachers with music teachers and demonstrates how music can be used with other curricular and classroom activities to enhance and enrich the learning of all subjects

Furthermore the text's comprehensive coverage is more than adequate for those teachers who find themselves responsible for all the music instruction their students will receive. Outstanding features include Hoffer's presentation is easy to comprehend and is unthreatening for future classroom teachers who have had little music instruction themselves. The number of topics and the depth of coverage are in sync with what most future classroom teachers will use. Many helpful suggestions on how to involve music with the teaching and learning of all subjects and with classroom management are valuable for both prospective and practicing teachers. The inclusion of projects and review questions ensures the maximum comprehension of the material presented in the text. Skill Development sections facilitate the learning of rudimentary skills in making music and understanding music notation and provide the opportunities to practice and perfect these skills. A variety of songs and other music complement the text and add to the enjoyment and ease of learning the material.
