Faith and the Zombie Simon Bacon,2023-03-27 Themes of faith and religion have been threaded through popular representations of the zombie so often that they now seem inextricably linked Whether as mindless servants to a Vodou Bokor or as evidence of the impending apocalypse the ravenous undead have long captured something of society's relationships with spirituality religion and belief By the start of the 21st century religious beliefs are as varied as the many manifestations of the zombie itself and both themes intersect with various ideological environmental and even post human concerns This book surveys the various modern religious associations in zombie media Some characters believe that the undead are part of God's plan others theorize that the environment might be saving itself or that zombies might be predicting life and hybridity beyond human existence Timely and important this work is a meditation on how faith might not just be a forerunner to the apocalypse but the catalyst to new kinds of life beyond it **Appraisal of the Growth of the Christian Faith in Igboland** Bartholomew N. Okere,2012-05 The Igbo people in Nigeria continue to make some movements toward Christianity but many fail to practice the faith properly Tribal traditions and old beliefs continue to be mixed with Christian

concepts By exploring the problem from a psychological and pastoral perspective author Bartholomew N Okere seeks to discover ways to advance the Christian faith Okere an ordained Catholic priest asks serious questions about the nature of religion Can someone believe in a supernatural being without any proof that the being is affecting his life li Can the notion of God be therapeutic in any sense especially when people face different life threatening situations Can a hungry person sing and praise God on empty stomach Can the name of God be employed for political gains The Christian religion in Nigeria has dramatically affected the people of Igboland Discover why this is so important and learn more about faith religion and life in Nigeria in *An Appraisal of the Growth of the Christian Faith in Igboland* Annals of the Propagation of the Faith ,1902
