Canal Grande. Hannu Raittila. Translated by Andrew Chesterman Andrew Chesterman, 2023-06-20 English translation of Canal Grande a novel by the contemporary Finnish writer Hannu Raittila The novel won the Finlandia Prize celebrating the best Finnish novel of the year when it was published in 2001 A team of Finnish experts is sent on a UNESCO mission to save Venice from sinking A rich social comedy unfolds as northern cool meets Mediterranean carnival two very different manifestations of modern European culture But beneath the satire a more serious moral critique develops as darker sides of human behaviour are gradually revealed The final pages are an emotional shock as we realize how much the Finnish experts have not realized The novel switches between the viewpoints of several contrasting voices from different members of the team of experts The main voice is that of Marrasj rvi the team's resourceful and ever rational hydro engineer a specialist in freezing who will solve any technical problem and even save a donkey from drowning Other team members are Sarasp an ageing cultural hedonist who keeps a very personal diary and Heikkil an academic historian who is fluent in Latin and ready

to lecture on anything at any time The last voice is that of Tuuli the team's bilingual secretary who lives in a different world and saves more than a donkey Underpinning the often farcical culture clash there run deeper themes exploring the gap between rhetoric and reality the limits of rationality what might make a good life and human tragedy **Essential Italian Vocabulary: Teach Yourself** Mike Zollo, 2010-05-28 Essential Italian Vocabulary is the course for you if you need help with your study of Italian This fully revised edition of our best selling course now comes with free downloadable audio support containing hints on how to learn vocabulary effectively Unlike a phrasebook or a dictionary Essential Italian Vocabulary will take your existing knowledge and build on it systematically and organically so that you will increase your vocabulary and at the same time expand your range of expression *The Lean Book.
