Susan Hood, 2002 Young readers can lift the big flaps in this jumbo board book to help Blue find out what's making sounds Readers can press the duck to make it squeak turn the wheel to make it click and more in this oversized interactive board book that is sure to keep little hands busy Full color illustrations Blue Ecocriticism and the Oceanic Imperative Sidney I. Dobrin, 2021-03-28 This book initiates a conversation about blue ecocriticism critical ethical cultural and political positions that emerge from oceanic or aquatic frames of mind rather than traditional land based approaches Ecocriticism has rapidly become not only a disciplinary legitimate critical form but also one of the most dynamic active criticisms to emerge in recent times However even in its institutional success ecocriticism has exemplified an ocean deficit That is ecocriticism has thus far primarily been a land based criticism stranded on a liquid planet Blue Ecocriticism and the Oceanic Imperative contributes to efforts to overcome ecocriticism's ocean deficit The chapters explore a vast archive of oceanic literature visual art television and film games theory and criticism By examining the relationships between these representations of ocean and cultural imaginaries Blue Ecocriticism works to unmoor ecocriticism from its land based anchors This book aims to simultaneously advance blue ecocriticism as an intellectual pursuit within the environmental humanities and to advocate for ocean conservation as derivative of that pursuit Ex-Cinema Akira Lippit, 2012-09-30 What does it mean for film and video to be experimental In this collection of essays framed by the concept ex meaning from outside and no longer Akira Mizuta Lippit explores the aesthetic technical and theoretical reverberations of avant garde film and video Ex Cinema is a sustained reflection on the ways in which experimental media artists move outside the conventions of mainstream cinema and initiate a dialogue on the meaning of cinema itself Out of the Blue Brian Bisesi, 2024-03-11 Out of the Blue Life on the Road with Muddy Waters begins with a moment lifted from a young musician's dreams Brian Bisesi a guitarist barely out of his teens is invited on stage to fill in for a missing member of the band backing blues legend Muddy Waters This life changing quirk of fate opens the door into a world of challenges and opportunities that Bisesi an Italian American reared in the comforts of a New York City suburb can barely imagine Despite their differences Bisesi and Waters hit it off and what might have been a one night stand turns into a career From 1978 to 1980 Bisesi works for Waters as his road manager bean counter and at times his confidant while often sitting in with the band Bisesi's years with the band take him to Europe Japan Canada and across the United States as Waters tours and parties with rock gods like Eric Clapton the Rolling Stones a Beatle and the gamut of musicians who came of age with Waters and introduced a younger generation to the blues In Out of the Blue Bisesi captures it all from the pranks and tensions among bluesmen enduring a hard life on the road to observations about Waters's technique his love of champagne and reefer his eye for women and his sometimes acrid views of contemporary music Bisesi has sharp insights into the ill conceived management decisions that led to the dissolution of Waters's longest serving band in June of 1980 This book will rivet amuse and occasionally infuriate blues aficionados It is a

Blue Note Preaching in a Post-Soul World Otis Moss III, 2015-11-10 Can preaching recover a Blues sensibility and dare speak with authority in the midst of tragedy America is living stormy Monday but the pulpit is preaching happy Sunday

The world is experiencing the Blues and pulpiteers are dispensing excessive doses of non prescribed prosaic sermons with severe ecclesiastical and theological side effects from chapter 1 Uniquely gifted preacher Otis Moss III helps preachers effectively communicate hope in a desperate and difficult world in this new work based on his 2014 Yale Lyman Beecher Lectures Moss challenges preachers to preach with a Blue Note sensibility which speaks directly to the tragedies faced by their congregants without falling into despair He then offers four powerful sermons that illustrate his Blue Note preaching style In them Moss beautifully and passionately brings to life biblical characters that speak to today s pressing issues including race discrimination and police brutality while maintaining a strong message of hope Moss shows how preachers can teach their congregations to resist letting the darkness find its way into them and instead learn to dance in the dark
