Sound The Shofar:

Sounding the Shofar Janet Rae Askins, 2016-10-27 The SHOFAR is a voice in the wilderness of today's dry and barren land. People have so much knowledge of God but do not seem to know how to get in touch with God. I've noticed this piercing sound helps usher people into His presence. HE will be sounding the SHOFAR to call His bride, His beloved to her new home. Will you recognize the cry COME? For no man knows the day or the hour of His call for you as an individual. ARE YOU READY?

The Halakhah, Volume 1 Part 1 Jacob Neusner, 2021-11-15 The Halakhah embodies the complete Jewish Law and contains commandments and guidelines for day to day living. The original commandments given by God to the Jewish people were enhanced by rabbis to offer a detailed framework to guide the lives of all Jews. In this complete all encompassing encyclopaedia of the Halakhah the various laws are classified in such a way that a systematic and coherent structure is obtained. Each entry of the Halakhah is presented in a logical fashion. Where applicable the original biblical wording is given extended with literal abstracts from the Torah. Next problems and questions that may arise from that law are stated and any additional information given. Finally each entry gives comprehensive explanations and recommendations as to how these laws are to be observed in daily life where to be and where not to be what to do and what not to do what to say and what not to say. The Halakhah or standard Jewish Law combines the Mishnah about 200 CE the Tosefta about 300 CE and the two Talmuds about 400-600 CE for the Land of Israel and Babylon respectively. Volumes I and II contain entries pertaining to the Jewish people in relationship to God. Volume III explains how the Jewish people can restore and maintain their society in accordance with the Torah as it is explained by the rabbis. In Volumes IV and V of this study we take up the life of the Jewish household in their encounter with God. The Encyclopaedic account therefore moves from regulating relationships between Israel and God to establishing stable and equitable relationships among Israelites and finally to actually living the Halakhah.

The Talmud of Jerusalem Moïse Schwab, 2022-04-26 The Jerusalem Talmud probably originated in Tiberias in the School of Johanan ben Nappaha. It is a compilation of teachings of the schools of Tiberias, Sepphoris and Caesarea. It is written largely in a western Aramaic dialect that differs from its Babylonian counterpart. Flohr, 2023-08-28 *Philosophy and Rabbinic Culture* Gregg Stern, 2013-09-05 Philosophy and Rabbinic Culture is a study of the great and curiously underappreciated engagement of a Medieval European Jewish community with the philosophic tradition. This lucid description of the Languedocian Jewish community's multigenerational cultivation of and acculturation to scientific and philosophic teachings into Judaism fulfils a major desideratum in Jewish cultural history. In the first detailed account of this long forgotten Jewish community and its cultural ideal the author gives an expansive reappraisal of the role of the philosophic interpretation in rabbinic culture and medieval Judaism. Looking at how

the cultural ideal of Languedocian Jewry continued to develop and flourish throughout the thirteenth and fourteenth centuries with particular reference to the literary style and religious teaching of the great Talmudist Menahem ha Meiri Stern explores issues such as Meiri's theory of civilized religions including Christianity and Islam controversy over philosophy and philosophic allegory in Languedoc and Catalonia and the cultural significance of the medical use of astrological images This book will be of great interest to scholars and students of Religion of Judaism in particular and of Philosophy History and Medieval Europe as well as those interested in Jewish Christian relations *Staying Human* Harris Bor, 2021-11-17 Futurists speculate that we are heading towards a singularity where AI will outsmart human beings and humanity will coalesce into a single ever expanding mind for which data is everything The idea mirrors conceptions of God as everything singular and all knowing But is this idea of the singularity or God good for humanity Oneness has its attractions But what space does it leave for individuality and difference In this book British Jewish theologian Harris Bor explores these questions by applying approaches to oneness and difference found in the thought of philosophers Benedict Spinoza 1632 1677 and Martin Heidegger 1889 1976 to the challenges of religious belief and practice in the era of AI What emerges is a dynamic religion of the everyday capable of balancing all aspects of being while holding tight to a God who is both singular and wholly other and which urges us above all to stay human **The Talmud of the Land of Israel, Volume 16**, 1988-01-19 Edited by the acclaimed scholar Jacob Neusner this thirty five volume English translation of the Talmud Yerushalmi has been hailed by the Jewish Spectator as a project of immense benefit to students of rabbinic Judaism **The Recovery of Breath** John C.
