Talks On Texass A Collection Of Reviews:

Talks on Texas Books Walter Prescott Webb, 1970 A collection of book reviews **The Making of a History** Gregory M. Tobin, 2014-09-10 Walter Prescott Webb became one of the best known interpreters of the American West following the publication of *The Great Plains* in 1931 That book remained one of the outstanding studies of the region for decades and attracted considerable attention over the years for its unusual emphasis on the impact of geographic factors on the process of settlement Using manuscript sources some of which had not previously been available Gregory M Tobin has traced the elements that went into the planning and writing of *The Great Plains* and that account for its distinctive approach to the writing of a regional history Tobin emphasizes two aspects of Webb s life that molded the historian s outlook his early family life and community connections in West Texas and his admiration for the ideas of scholar Lindley Miller Keasbey Webb reacted strongly against the assumption that the only cultural values of any real worth emanated from the urban and sophisticated East he was determined to write the history of his own people in a way that would reveal the scale of their anonymous contribution to American civilization By reverting to Keasbey s stress on the relationship between natural environment and social institutions Webb broadened his study to take in what he believed to be a distinct geographic environment The result was *The Great Plains* an assertion of individual and regional identity by a man with a personal stake in establishing the image of a distinctive Plains civilization Although *The Making of a History* is not a full biography of Walter Prescott Webb it is the first biographically oriented study of a man regarded as one of the twentieth century s major western historians It places his development within the framework of his intellectual and social setting and in a sense subjects his career to the same type of scrutiny that he advocated as the basis of the study of evolving cultures [Texas Legislators News Digest](#) ,1968 Directory and statistics called 1954 Directory of Texas libraries issued as Apr number 1954 58 Apr 1954 as Special ed *Texas Review* ,1922 *Texas Libraries* ,1916 Directory and statistics called in 19 1954 Directory of Texas libraries issued as April number 19 19 in April 1954 as Special ed [Talk of the Town \(Welcome to Daily, Texas Book #1\)](#) Lisa Wingate, 2008-02-01 Between Hollywood glamour and small town secrets what is the truth The show *American Superstars* is the hottest thing on television but its associate producer Mandalay Florentino is worried She s just arrived in the tiny town of Daily Texas to arrange a surprise reunion concert for hometown finalist Amber Anderson Only it turns out everyone in town seems to know the secret And paparazzi are arriving And word from Hollywood is that Amber has disappeared with a bad boy actor Can anything go right in this tumbleweed town Imogene Doll loves her town of Daily Texas but things are lonelier without her beloved husband Life seems dull At least until that fancy dressed woman pulls into town looking terrified and glamorous all at once Soon life s not the least bit boring as Imogene and the rest of Daily find themselves at the center of a media maelstrom with a young girl s future on the line *The Library Chronicle of the University of Texas at Austin* ,1970 **Australian Literary Manuscripts in North American Libraries** Nan Bowman
