**Between My Father and the King** Janet Frame, 2013-05-01 This brand new collection of 28 short stories spans the length of Frame's career and contains some of the best she wrote. None of these stories have been published in a collection before and more than half are published for the first time in *Between My Father and the King*. The piece *Gorse is Not People* caused Frame a setback in 1954 when Charles Brasch rejected it for publication in *Landfall* and along with others for one reason or other deliberately remained unpublished during her lifetime. Previously published pieces have appeared in *Harper's Bazaar*, the *NZ Listener*, the *New Zealand School Journal*, *Landfall* and *The New Yorker* over the years and one otherwise unpublished piece *The Gravy Boat* was read aloud by Frame for a radio broadcast in 1953. In these stories readers will recognize familiar themes, scenes, characters and locations from Frame's writing and life and each offers a fresh fictional transformation that will captivate and absorb.

*Rise of the Hunter* Barb Jones, 2023-06-15 EVIL DOES NOT DIE IT SEEKS VENGEANCE The queen and her friends threw me into the dark pit three years ago and I sought a way out having used the power and life force of the others who were also thrown in. Today I am free and planning my vengeance against her and the others. In a supernatural world filled with vampires, werewolves, witches, demons and angels I will have my revenge against them. I am the epitome of evil and didn't die like they thought. There's a third prophecy with a nice little catch. This prophecy is meant for me, my revenge will turn the tables on the queen and her friends. I will turn them all against her and according to the prophecy the avenging angel be mine. Forever. As for the others they will serve me. It's time for me to rise beginning with the birth of a new hunter, new demons and an angel that will be mine. Vengeance against the queen will be mine. *Rise of the Hunter* is the fourth book in the *Blood Prophecy* series and is the first book of a new trilogy for the Tall Dark Man. It is full of dark magic and vengeance with a twist of good vs evil but will good win this time. This supernatural book is set in the modern day world between supernaturals to control the world and unleash evil as the world prepares for peace.
