Taming The Beast:

Taming the Beast Emily Maguire, 2009-10-01 A dazzling debut from one of Australia's most gifted young writers Maguire keeps the prose crackling and the dialogue lively from the first page to the last Publishers Weekly Sarah Clark's life is irrevocably changed at the age of 14 when her English teacher Mr Carr seduces her after class Their affair is illegal erotic passionate and dangerous a vicious meeting of minds and bodies But when Mr Carr's wife discovers the affair he has to choose between them and moves to another city with his family Sarah is devastated and from that day on her life is defined by a series of meaningless self-abasing sexual encounters hoping with each man that she will experience the same delicious feelings she had with Mr Carr Seven years later Daniel Carr walks back into Sarah's life and she is drawn once again into the destructive relationship Is Sarah strong enough to tame the beast PRAISE FOR EMILY MAGUIRE At the heart of Emily Maguire's work lies an urgent need to pull away at the interconnecting threads of morality society and human relationships Sydney Morning Herald what you get along with a sharp mind and a keenness to investigate cultural confusions is an engaging ability to put the vitality of the story first Weekend Australian **Taming the Beast Within** M. H. Weiss, 2002 Taming The Beast Within by M H Weiss is the ultimate self-help book The logical and believable secrets of successful weight control great mental and physical health personal confidence and success become crystal clear as this story of life's reality unfolds Surely a controversial book Taming The Beast Within attacks all aspects of the conventional wisdom and prevalent ideologies without mercy The Author lays out a superb case for the realistic spontaneous and natural origin of life through a believable journey from the beginning of our universe until the chaotic time in which we live The open-minded and curious reader will find this book witty informative arrogant sarcastic and charming all at the same time New facts about many aspects of the origins of life learned from recent genetic and archaeological discoveries give real explanations to many of life's mysteries The reader gets a logical and plausible look into the mechanisms at work behind phenomena like the sixth sense déjà vu premonitions hunches intuition plus an intimate understanding of the real causes of mankind's seemingly animalistic behavior Taming The Beast Within may well be the most important book you have ever read For more information about the book visit www.tamingthebeastwithin.com *The Hard Facts of the Grimms' Fairy Tales* Maria Tatar, 2003 Throughout the book Tatar employs the tools not only of a psychoanalyst but also of a folklorist literary critic and historian to examine the harsher aspects of these stories She presents new interpretations of the powerful stories in this book Few studies have been written in English on these tales and none has probed their allegedly happy endings so thoroughly BOOK JACKET

The Recovering Farmer Gerry Friesen, 2024-04-25 Gerry Friesen AKA The Recovering Farmer chronicles his journey through anxiety, depression, and addiction to a place of improved mental health and even sometimes happiness. Mental health or lack thereof has become a major topic in agricultural communities around the world. There is still a strong stigma attached to conversations around mental health and an attitude that to admit you need help is a shameful thing. This book aims to challenge those attitudes. It explores the aspects of Gerry's life as a farmer that contributed to his mental health, both positive and negative, and contains concrete tools for others to maintain and build their mental wellness. Surprisingly upbeat and admirably honest, *The Recovering Farmer* is a memoir, but it is also a powerful recovery tool for those struggling with mental health. It reminds us that it's okay not to be okay and that there is no shame in reaching out for help.
