Taming the Wild Tube Robert L. Schrag,1990 *Taming the Wild Tube* Robert L. Schrag,1990-01-01 *Media Literacy* W. James Potter,2013 This book offers a detailed approach to studying media influences and presents a vision of what it means to operate at a higher level of media literacy The author argues that media have a profound influence on the way we perceive the world shaping our beliefs and expectations By becoming more media literate we can avoid the potentially negative effects of those media messages as well as amplify the potentially positive effects Topics covered include content audience media industries media ownership privacy violence sports social media and piracy of media messages

The Video Annual ,1994 **Bulletin of the Center for Children's Books** University of Chicago. Center for Children's Books,1990 **Proactive Parenting** Tufts University. Eliot-Pearson Department of Child Development,2004 An expert guide to the joys and challenges of parenting young children from the renowned Eliot Pearson Department that has helped children grow and learn for seventy five years The Eliot Pearson Department of Child Development at Tufts University has always applied its resources to helping parents bring up happy healthy children Now the faculty offers a wealth of information and advice It addresses questions such as Why is my three year old suddenly bossing her playmates around Should I worry when my son seems almost hypnotized by the TV How do I avoid unintentionally labeling my kids Will moving to a new house be too much for my child to handle right now Eliot Pearson proposes that both child and parent are learners as they grow together With this comprehensive book you can look forward to more growth and fewer growing pains

Screen Smarts Gloria DeGaetano,Kathleen Bander,1996 Sure to be the definitive sourcebook on media literacy this book addresses all the vital media related issues for children through the age of 14 and offers proactive strategies for supporting children's optimal development in a media age **Critical Approaches to Television** Leah R. Vande Berg,Bruce E. Gronbeck,Lawrence A. Wenner,1998 *Parenting* Carole A. Martin,Karen Karal Colbert,1997 This first edition parenting text is the only book on the market that takes an explicit developmental perspective and provides a balanced treatment of research and applications Both authors are developmental psychologists and therefore utilize research from developmental psychology and provide a strong foundation in actual developmental findings Other parenting texts are more prescriptive or clinically oriented This is the only parenting text that features a lifespan perspective including coverage of parenting from infancy through young adulthood and then addresses grandparenting and other permutations of parenting at the end of the lifespan This text is perfect for the parenting course found in Human Development Family Studies Home Economics and Developmental Psychology departments *Library Journal* ,1990-07 *The Publishers Weekly* ,1990 *Television Research* Ronald L. Jacobson,1995 This directory consists of an alphabetical ordering of television related categories For each category a brief conceptual overview is presented followed by a list of relevant research or lecture topic suggestions and a bibliography of selected print sources mostly books Users should appreciate the directory as a reference tool intended

solely as a guide to studying television and not as an end in itself. As such, the categories herein are not necessarily mutually exclusive nor are the overviews, topic suggestions, and bibliographies meant to be comprehensive. Instead, this publication is intended to inform broadly, to stimulate critical thinking, and to serve as a catalyst for further inquiry. An Additional Sources section is included at the end of the directory. General reference books, relevant indexes, and databases, scholarly journals, popular magazines, newspapers, and trade publications are listed. Libraries and museums containing special television-related collections are also noted. There always seems to be new print publications and electronic databases that provide access to television-related content. Please consider this directory as but one entry point to television research. Users are encouraged to solicit the expertise of a professional librarian in order to access the most relevant sources available on topics of interest.
