closest to him the book offers an emotional complex portrait of young Elvis Presley with a depth and dimension that for the first time allow his extraordinary accomplishments to ring true Peter Guralnick has given us a previously unseen world a rich panoply of people and events that illuminate an achievement a place and a time as never revealed before Yesterday, Today Was Tomorrow Philemon B Waters, 2013-07-16 This quasi autobiography began when I concluded my nightly prayer in The Home Enough is enough Please take me back God My intention was a one way ticket to heaven However God sets me straight Luke you have never been to heaven Believe me I AM never forgets a face But God does take me back back to the day I was born eventually However whoever was in charge ignored any close consideration for chronology duration of events or individuals actually involved was ignored Nevertheless I got what every man woman and child covets and dying to get A second first chance
