## **Tampere City Of Blue Lakes:**

**The Honest Tribe** Max Boyle, 2018-10-23 A fascinating journey around one of the Nordic region's least known countries. A detailed exploration and explanation of the character of the Finnish people. The author's family background gives him a unique access to this very private people. At an age when many of his peers might be considering a cardigan and slippers lifestyle, Max Boyle departs his native Huddersfield for a backpacking journey in the southern regions of Finland. There he takes in the cities of Helsinki, Tampere and Turku as well as many smaller towns and villages. Inspired by his own Finno-Ugric roots, he seeks out aspects of Finnish history and culture, enjoys boat trips in Finnish Lakeland and a not so daring funfair ride, discovers something of Finland's celebrated heavy metal scene, indulges in a traditional sauna and not least samples a variety of bars and restaurants. The reason for the trip, however, is an enquiry into Finnish national character. During the course of his journey, he conducts a number of interviews with those he encounters, examining their views on supposed Finnish characteristics such as *sisu*, a never give up attitude, concealment of feelings, modesty and above all, ultra honesty. Various basking in sunshine, assailed by rain and targeted by mosquitoes, Boyle makes his way around the country's South home to the majority of Finland's population and duly encounters a people referred to by American Finnophile Richard D Lewis as the honest tribe. This is an often a light-hearted journey around one of Europe's most quietly successful countries. **Direction North** John Sykes, 1967 **Finland** Markus Lehtipuu, Virpi Mäkelä, 1993 Finland is an intriguing blend of Swedish and Russian influences. With its medieval stone castles, picturesque wooden houses, vast forests and interesting wildlife, Finland is a wonderland to delight any traveler. This guide has been translated and updated by the authors to include details on every outdoor activity imaginable. Finlandia pictorial, 1959 Form Function Finland, 2001 **Community Regeneration Masterplan** Francesco Manfredi, Dario Costi, 2023-01-01 This book reports on a large research project on community regeneration which integrated the spatial, social, economic and organizational factors with the dimensions of sustainability, resilience and participation. Upon providing a detailed review on concepts of community and urban regeneration, it analyses a set of successful case studies from 30 European cities which were selected by the authors from different rankings and awards. Fifty-seven key performance indicators and the results of self-assessment questionnaires are here introduced to allow a comparative study of best practices and eventually to outline 20 guidelines and 100 strategic actions for future community regeneration projects. All in all, this book offers extensive information and a source of inspiration for urban planners, economists, sociologists, public administrators, stakeholders and all those involved in the development and management of sustainable cities. **Birnbaum's Western Europe 1992** Stephen Birnbaum, 1992-05 World and Its Peoples, 2010 Presents a thirteen-volume reference guide to the geography, history, economy, government, culture and daily life of countries in Europe. **Aboard and Abroad**, 1959 Finland Sales Guide, 1991 Discovering Finland William Jones, Embark on a captivating journey through the enchanting landscapes and vibrant cultures of Finland with *Discovering Finland*.
