Tangled Loyalties:

TANGLED LOYALTIES (MAFIA). NAZAR. KLOSSNER.2024 Enemy Number One Rósa Magnúsdóttir, 2019 From Stalin's anti American campaign to Khrushchev's peaceful coexistence policy this book addresses the Soviet propaganda and ideology directed towards the United States during the early Cold War **Forbidden Desire** Tara, 2025-01-25 I hope you re not a minor baby girl I don t wish to make two sins together His presence is intoxicating a dangerous invitation but I can t help craving more When 18 year old Angela Iris moves to New Jersey with her mother and new stepfather she's expecting a fresh start But her new life takes an unexpected turn when she meets Edmund Brown her wealthy and powerful stepfather a man of commanding presence stirs a dangerous fascination in her that she can t ignore Angela found herself drawn into a world more dangerous and forbidden than she could have ever imagined the magnetic pull between them is undeniable Edmund 30 years old a powerful CEO with a mysterious past and commanding presence is used to having control in his business his life and his relationships He knows it s forbidden to crave Angela yet can t resist his sexy new stepdaughter The more he tries to fight his feelings the harder they become to ignore He tries hard to resist the sinful desires that Angela brings out in him What begins as an innocent flirtation soon spirals into a passionate secret affair that defies all boundaries In this dangerous game of seduction the stakes grow higher with every touch every whispered command Angela is drawn to Edmund's dominant personality and the thrill of their forbidden romance As Angela explores her darkest desires she must decide how far she's willing to go to keep the man she can't have and whether she's willing to sacrifice everything for him But as they grow closer the risk of their secret being exposed grows too As their bond strengthens they both have to handle the risk of secrecy and obsession all while maintaining the facade of a perfect family Will the passion that burns deep within them ruin everything they ve come to cherish or will it finally be possible for them to accept the forbidden Their love is full of passion lust and heart pounding moments But how long can they keep it hidden And what will happen when their dirty little secret will be exposed A Jew in the Street Nancy Sinkoff, Jonathan Karp, James Loeffler, Howard Lupovitch, 2024-06-25 These investigations illuminate the entangled experiences of Jews who sought to balance the pull of communal religious and linguistic traditions with the demands and allure of full participation in European life Sovereignty Paul Ward, 2013-09-05 This volume analyzes the meaning of the term sovereignty in early twentieth century thought by tracing the historical roots of the doctrine and surveying the origin of it back to feudal times The Widow's Hacker Lena Blake, 2024-10-09 The Widow's Hacker In a world where secrets are currency and trust is a dangerous gamble two unlikely allies are about to collide Ilenelle the brilliant and audacious tech mastermind of the underground Sukeban organization is convinced they are under attack Politicians rival gangs and a vengeful widower are all closing in Armed with sharp wits a lollipop always in hand and a knack for hacking anything in her path Ilenelle is determined to uncover the truth before it s too late Thomas lost everything when his wife was killed in the explosion at Dock 4 Now the serious and withdrawn widower is focused solely on

raising his son But when Ilenelle stumbles into his life snooping in his garage and dragging him into a web of danger Thomas finds himself pulled into a world of secrets gunfire and conspiracies As the hacker and the widower join forces they must navigate a labyrinth of betrayal bloodshed and long buried truths Each step brings them closer to unlocking a deadly puzzle and to one another But as Ilenelle's colorful hair and even darker past unravel before Thomas's eyes he discovers a threat far greater than anything he s ever faced Will they survive the forces that are hunting them And what will Thomas risk to protect the girl who s already changed his life and his son s forever The Widow s Hacker is a fast paced suspense filled thriller that blends heart pounding action mystery and an unexpected romance If you love high stakes conspiracies fierce heroines and emotional twists this book is for you Europe's Intellectuals and the Cold War Nancy Jachec, 2015-07-31 In 1950 nearly 300 of Europe's leading artists philosophers and writers formed an international society intended to end the Cold War The European Society of Culture was composed of many of Western Europe s best known intellectuals including Theodor Adorno Julien Benda Albert Camus Benedetto Croce Andre Gide J B Haldane Karl Jaspers Carl Jung Thomas Mann Henri Matisse Francois Mauriac Maurice Merleau Ponty Jean Paul Sartre Giuseppe Ungaretti and Albert Schweitzer among many others over the next twenty years it would also include many luminaries from the East such as Bertolt Brecht Ernst Bloch Ilya Ehrenburg and Georg Lukacs Pioneering the earliest political discussions between intellectuals in Eastern and Western Europe that would serve as a model for the activities of the better known CCF in its efforts to end communism the ESC went on to create an informal but powerful 1 600 member strong cultural and political network across the world in pursuit of dialogue between the Marxist East and the liberal West and in pursuit of peace and shared cultural values Here in this first comprehensive history of the SEC s early years Nancy Jachec demonstrates the influence its members had not only on preventing the isolation of Europe's eastern states but on enabling the flow of people publications and ideas from the West into the East thus playing a vital role in introducing the ideals of human rights and cultural rights in the East in the run up to the signing of the Helsinki Accords of 1975 She also shows the profound impact that the SEC had on the development of post colonial theory through the exchanges it organised between European and African intellectuals directly shaping the expectations statesmen like Leopold Sedar Senghor revolutionaries like Frantz Fanon and institutions such as Unesco would have of culture in newly emerging countries **Assessing Lawyers' Ethics** Adrian Evans, 2010-11-15 Legal practitioners operate in an environment of seemingly endless ethical challenges and against a backdrop of diminishing public opinion about their morality Based on extensive research Assessing Lawyers Ethics argues that lawyers individual ethics can be assessed and measured in realistic frameworks When this assessment takes place legal practitioners are more likely to demonstrate better ethical behaviour as a result of their increased awareness of their own choices This book advocates a variety of peer administered testing mechanisms that have the potential to reverse damaging behaviours within the legal profession It provides prototype techniques questions and assessments that can be modified to suit different legal cultures

These will help the profession regain the initiative in ethical business practice halt the decline in firms reputations and reduce the risk of state sponsored regulatory intervention A Neighbor Watching You: Part I P S Bisht, Step into the chilling world of A Neighbor Watching You The Gaze Begins Part I by P S Bisht where Emryn Voss a 25 year old seeking a new beginning moves into the isolated 12 Juniper Lane Unnerved by her neighbor Loxley Kain's uncanny knowledge and unsettling smiles she soon finds hidden cameras and cryptic notes warning of unseen eyes A mysterious grey cat delivers rusty keys unlocking secrets tied to her missing aunt Clara while the Kain family's dark legacy tightens its grip Packed with heart pounding suspense shadowy threats and a cliffhanger that will leave you on edge this psychological thriller explores the terror of being watched Perfect for fans of twisty mysteries and tense narratives Part I is the haunting start of Emryn s fight to escape the gaze will she survive the secrets What's So Special About Part I Part I stands out with its slow burn tension immersing readers in Emryn's escalating paranoia as she uncovers a neighbor's obsessive watching at 12 Juniper Lane The unique blend of hidden cameras eerie notes and a cat delivering keys creates a haunting atmosphere distinct from typical thrillers The introduction of the Kain family s dark legacy and the cliffhanger with the crawlspace reveal offer a fresh take on surveillance narratives setting it apart with its blend of personal stakes and unsolved mysteries. This part lays a chilling foundation making it a standalone tease for the full saga Why Readers Will Buy It Readers will be drawn to A Neighbour Watching You Part I for its gripping psychological thriller premise perfect for fans of twisty narratives like The Girl on the Train or Rear Window The relatable yet vulnerable protagonist Emryn Voss navigating a fresh start turned nightmare resonates with those who love stories of resilience under pressure The mysterious grey cat and cryptic keys add an intriguing layer appealing to mystery enthusiasts while the cliffhanger ending promises an unputdownable continuation Its focus on paranoia and hidden threats taps into universal fears making it a must read for anyone craving suspense Available on Kindle EPUB and Paperback versions Russia's Steppe Frontier Michael Khodarkovsky, 2020-03-04 This study of Russia's colonial expansion across the Eurasian steppe is a tremendously important contribution to the field of Russian history Valerie Kivelson From the decline of the Mongol Golden Horde to the end of the 18th century the Russian government expanded its influence and power throughout its southern borderlands The process of incorporating these lands and peoples into the Russian Empire was not only a military and political struggle but also a cultural contest between the indigenous worlds of the steppe and Russian imperial hegemony Drawing on sources and archival materials in Russian and Turkic languages Michael Khodarkovsky presents a complex picture of the encounter between the Russian authorities and native peoples A major contribution to the comparative study of empires and frontiers no other work treats Moscow s colonial expansion to the south and east so competently Russia Book 3: The Jade Enigma ANANT RAM BOSS, 2025-01-12 The Jade Enigma is the third book in an exhilarating action packed series where ancient mysteries collide with modern day conspiracies and where every decision could mean the difference between life and death In this instalment the stakes have

never been higher and the secrets never more dangerous. The team consisting of a diverse and skilled group of operatives is thrust into a race against time to uncover a powerful relic a mysterious jade artefact that has been lost to history for centuries But this is no simple treasure hunt the team finds themselves entangled in a web of secrets betrayal and hidden enemies whose reach spans far beyond what they could have ever imagined The jade artefact is not just a piece of history it is a key to an ancient power one capable of altering the course of global events Its rediscovery threatens to ignite conflicts provoke nations and reveal long hidden truths about a dynasty whose influence has shaped the course of history And as the team embarks on their perilous journey they guickly learn that they are not the only ones seeking the jade A shadowy faction willing to do whatever it takes to claim the jade for their own is hot on their trail They will stop at nothing using manipulation force and subterfuge to ensure that their plans succeed In The Jade Enigma the team's bonds are tested as never before Lyra Alarion Virat Klaus Nandani and Aashna each bring their unique skills to the mission but they also carry with them personal stakes emotional baggage that threatens to tear them apart in the face of mounting pressure As they venture deeper into the heart of the mystery they must not only contend with external threats but also with their own complex relationships and unresolved emotions Loyalty trust and love are called into question and every choice they make brings them closer to the razor s edge of danger The novel takes readers on a breathtaking journey from the bustling streets of Shanghai to the remote and ancient corners of China where forgotten temples hidden libraries and treacherous mountains await Along the way the team must decipher cryptic codes battle ruthless enemies and navigate a world of corruption and deception Each step forward uncovers another layer of the mystery drawing them closer to the jade s true power and the devastating consequences that will follow if it falls into the wrong hands As the action intensifies The Jade Enigma weaves a thrilling narrative filled with suspense romance and unexpected twists The chemistry between the team members adds a rich emotional depth to the story creating moments of tenderness amidst the chaos Virat and Nandani s growing bond Klaus s quiet determination Lyra's courage Alarion's strength and Aashna's sharp intellect all contribute to the intricate dynamics of the team But as they race to unlock the secrets of the jade they must confront their darkest fears and face betrayals that could shatter their unity forever The novel also delves into the significance of the jade artefact itself exploring themes of power legacy and the long shadows cast by history What is the true purpose of the jade What does its power mean for the future of the world As the team unravels these questions they must decide whether they are willing to sacrifice everything to protect the world from the dark forces that seek to control the jade In the end The Jade Enigma is a story of resilience courage and the unbreakable bonds formed under the most extreme circumstances As the team faces overwhelming odds they are reminded that even in the darkest of times hope and love can be their greatest weapons But will it be enough to stop the impending chaos And who can they trust when treason lurks around every corner For readers who crave a gripping mix of action adventure romance and mystery The Jade Enigma offers an unforgettable ride that will keep you on the edge of your

seat from start to finish As secrets are revealed and alliances are tested one thing is certain the journey is far from over and the real battle is just beginning Get ready for a pulse pounding adventure The race for the jade has begun and the fate of the world hangs in the balance Charlottengrad Roman Utkin, 2023-08 Charlottengrad examines the Russian migr and exile community that found itself in Berlin during the first wave of emigration after the 1917 Revolution brought the tsarist government of Russia crashing down Roman Utkin shows that the idea of a community aligned with Imperial Russia and hostile to the new Soviet government is far too simplistic By closely studying the intellectual output of some of the hundreds of thousands of Russian migr's ensconced in Berlin's Charlottenburg neighborhood Utkin reveals a picture of some of the world's first stateless peoples struggling to understand their new identity as emigrants and exiles balancing their sense of Russianness with their position in a modern bustling Western city and navigating their political and personal positionality toward a homeland that was no longer home The Oxford Handbook of Soviet Underground Culture Mark Lipovetsky, Maria Engström, Tomáš Glanc, Ilja Kukuj, Klavdia Smola, 2024 In 1932 the Central Committee of the Communist Party issued the resolution On the Restructuring of Literary and Arts Organizations This resolution put an end to the coexistence of aesthetically different groups and associations of writers and artists that had been common during the 1920s and instead led to the establishment of the monopoly of Socialist Realism in 1934 Ironically this resolution unwittingly created a rich literary and artistic production of underground intellectuals known as the Soviet underground during an era of political and aesthetic censorship in the Soviet Union The Oxford Handbook of Soviet Underground Culture is the first comprehensive English language volume covering a history of Soviet artistic and literary underground In forty four chapters an international group of leading scholars introduce readers to a web of subcultures within the underground highlight the culture achievements of the Soviet underground from the 1930s through the 1980s emphasize the multimediality of this cultural phenomenon and situate the study of underground literary texts and artworks into their broader theoretical ideological and political contexts The volume presents readers with several approaches to mapping the underground that include chapters on nonconformist cultures in Ukraine Belarus Baltic countries Central Asia and provincial cities of Russian Federation Finally the volume also provides an analysis of groups shaped around religious and cultural identity as well as queer and feminist underground circles **Urban Lawyers** John P. Heinz, 2005-07-05 Over the past several decades the number of lawyers in large cities has doubled women have entered the bar at an unprecedented rate and the scale of firms has greatly expanded This immense growth has transformed the nature and social structure of the legal profession In the most comprehensive analysis of the urban bar to date Urban Lawyers presents a compelling portrait of how these changes continue to shape the field of law today Drawing on extensive interviews with Chicago lawyers the authors demonstrate how developments in the profession have affected virtually every aspect of the work and careers of urban lawyers their relationships with clients job tenure and satisfaction income social and political values networks of professional connections

and patterns of participation in the broader community Yet despite the dramatic changes much remains the same Stratification of income and power based on gender race and religious background for instance still maintains inequality within the bar The authors of Urban Lawyers conclude that organizational priorities will likely determine the future direction of the legal profession And with this landmark study as their guide readers will be able to make their own informed predictions **Two Girls** Roberto Schwarz,2020-05-05 Roberto Schwarz is the foremost literary critic of his generation in Brazil and the most important Marxist practitioner in the tradition of the Frankfurt School writing anywhere today This collection confirms the international significance of Schwarz s critical achievement Studies of Kafka and Brecht respectively open and close the volume which includes incisive studies of contemporary poetry and fiction in Brazil The centerpiece is the hitherto untranslated Two Girls which brings together two strongly contrasting narratives of girls lives one a classic novel the other an adolescent s diary to substantiate the crucial concept of objective form With key reflections on theory and method and an illuminating account of the general historical importance of his exemplary Brazilian novelist Machado de Assis Two Girls compellingly demonstrates the logic and significance of Schwarz s work for an English language readership

Never Better! Miriam Udel, 2016-04-28 It was only when Jewish writers gave up on the lofty Enlightenment ideals of progress and improvement that the Yiddish novel could decisively enter modernity Animating their fictions were a set of unheroic heroes who struck a precarious balance between sanguinity and irony that author Miriam Udel captures through the phrase never better With this rhetorical homage toward the double voiced utterances of Sholem Aleichem Udel gestures at these characters insouciant proclamation that things had never been better and their rueful even despairing admission that things would probably never get better The characters defined by this dual consciousness constitute a new kind of protagonist a distinctively Jewish scapegrace whom Udel denominates the polit or refugee Cousin to the Golden Age Spanish p caro the polit is a socially marginal figure who narrates his own story in discrete episodes as if stringing beads on a narrative necklace A deeply unsettled figure the polit is allergic to sentimentality and even routine domesticity His sequential misadventures point the way toward the heart of the picaresque which Jewish authors refashion as a vehicle for modernism not only in Yiddish but also in German Russian English and Hebrew Udel draws out the contours of the new Jewish picaresque by contrasting it against the nineteenth century genre of progress epitomized by the Bildungsroman While this book is grounded in modern Jewish literature its implications stretch toward genre studies in connection with modernist fiction more generally Udel lays out for a diverse readership concepts in the history and theory of the novel while also explicating the relevant particularities of Jewish literary culture In addressing the literary stylistics of a minor modernism this study illuminates how the adoption of a picaresque sensibility allowed minority authors to write simultaneously within and against the literary traditions of Europe A Writer at War Vasily Grossman, 2007-03-13 When the Germans invaded Russia in 1941 Vasily Grossman became a special correspondent for the Red Star the Soviet Army's newspaper and reported

from the frontlines of the war A Writer at War depicts in vivid detail the crushing conditions on the Eastern Front and the lives and deaths of soldiers and civilians alike Witnessing some of the most savage fighting of the war Grossman saw firsthand the repeated early defeats of the Red Army the brutal street fighting in Stalingrad the Battle of Kursk the largest tank engagement in history the defense of Moscow the battles in Ukraine the atrocities at Treblinka and much more Antony Beevor and Luba Vinogradova have taken Grossman's raw notebooks and fashioned them into a gripping narrative providing one of the most even handed descriptions at once unflinching and sensitive we have ever had of what Grossman called the Due Process Ronald Pennock, John W. Chapman, 1977-06-01 Human Nature in Politics brings the ruthless truth of war competences and perspectives of law philosophy and political science to bear on an imporant subject seldom treated at book length The subject of human nature in politics is as old as systematic thought about politics Out of favor for a period in modern times it is now once more the subject of attention by political theorists who often borrow heavily from the disciplines of biology and psychology The plurality of their approaches and insights is reflected in Part I of the book Perspectives on Human Nature Although appeals to human nature have historically been made by both radicals and conservatives it is the latter who have more typically sought support from this source However modern radicals are beginning to re explore the subject as is evidenced in the second section on Human Nature and Radical Political Thought In the concluding section of the book four authors analyze the question of Rationality and Human Nature and with a broader interpretation of rationality find bases in human nature for some confidence that politics need not be an irrational enterprise The bibliography at the end of the volume is of particular value for all students of political theory Thirteen outstanding authors contribute to this volume which must be of interest to legal philosophers and students of jurisprudence in all English speaking countries Policina the Markets James Williams, 2012-01-17 Set against the backdrop of the recurring waves of financial scandal and crisis to hit Canada the US the UK and Europe over the last decade this book examines the struggles of securities enforcement agencies to police the financial markets While allegations of regulatory failure in this realm are commonplace and are well documented in policy and legal scholarship James Williams seeks to move beyond these conventional accounts arguing that they are based on a limited view of the regulatory process and overlook the actual practices and dilemmas of enforcement work Informed by interviews with police regulators lawyers accountants and investor advocates along with a wealth of documentary materials the book is rooted in a uniquely interdisciplinary social science perspective Peering inside the black box of enforcement it examines the organizational professional geographical technological and legal influences that shape securities enforcement as a distinctly knowledge based enterprise The result of these influences Williams argues is the production of a very particular vision of financial disorder which captures certain forms of misconduct while overlooking others a reflection not of incompetence or capture but of the unique demands and constraints of the regulatory craft Providing a very different and much needed account of the challenges faced by regulators and enforcement agencies this

book will be of enormous interest to current research on enforcement regulation and governance both within and beyond the financial realm *Key Texts in American Jewish Culture* Jack Kugelmass,2003 Key Texts in American Jewish Culture expands the frame of reference used by students of culture and history both by widening the canon of Jewish texts and by providing a way to extrapolate new meanings from well known sources Contributors come from a variety of disciplines including American studies anthropology comparative literature history music religious studies and women s studies Each provides an analysis of a specific text in art music television literature homily liturgy or history Some of the works discussed such as Philip Roth s novel Counterlife the musical Fiddler on the Roof and Irving Howe s World of Our Fathers are already widely acknowledged components of the American Jewish studies canon Others such as Bridget Loves Bernie infamous for the hostile reception it received among American Jews may be considered key texts because of the controversy they provoked Still others such as Joshua Liebman s Piece of Mind and the radio and TV sitcom The Goldbergs demonstrate the extent to which American Jewish culture and mainstream American culture intermingle with and borrow from each other
