Tangled Sheets, Tangled Lies Julie Hogan,2010-12-27 Leaving behind her celebrity career Lauren Simpson had settled in the small town of Valle Verde California to pursue simpler dreams as the kind of mother her adopted son Jem deserved After her last heartbreak Lauren didn't need another man complicating her life At least she didn't think so Posing as a handyman Cole Travis had come to town in search of the son he'd never known who just might be Jem Simpson But the closer he grew to Lauren the more troubled Cole's heart became Could this secret father find a way to untangle the lies and gain both his son and the love of a lifetime

Wicked Words and Dangerous Games Maya Lenboo,2025-08-17 Wicked Words and Dangerous Games Revenge is a dish best served with sarcasm Alex Harper knows three things for sure High heels are a weapon Trust is for suckers And men like Ethan Cole should come with a warning label and possibly a fire extinguisher When Alex a disaster handling lawyer with a talent for verbal takedowns takes on a new case involving stolen artwork and a scandalous billionaire the last thing she expects is to go toe to toe with Ethan the infuriatingly smug gallery owner hiding more secrets than his wine cellar She wants the truth He wants her off the case Neither of them expected the chemistry to be this combustible As the lies unravel and the stakes get deadly Alex and Ethan find themselves playing a game where words cut deeper than knives trust is a gamble and passion Well passion might just kill them both Perfect for fans of enemies to lovers chaos witty banter steamy slow burns and heroines who take zero crap This isn't just a romance It's a full contact sport with a body count

every texture the grain of wood the grit of sand He scans memory repossessing luminous and sometimes uncanny moments from his past A poem is of course a system of linked sounds and Wakefield's ear never misses the chance for a linking echo In fact I love the internal and external rhyming here done without flash with a kind of holy decorum The seasons course through these poems in literal and figurative flight but the poet asserts with good reason that an old man at his kitchen window sees by winter light And it's the clarity of winter light that makes these poems shimmer I will return to the pages of Terminal Park again to revel in their wisdom and grace notes Jay Parini author of *New and Collected Poems* 1975 2015 Terminal Park ranges widely and dives deep The book's opening lines where bleak subject matter is conveyed by lilting verse tell us a lot about what will follow Terminal Park reads the vine covered sign where junkies and drunks reach the end of the line The poet's mastery is evident throughout whether depicting desolate rural vignettes or vividly rendered moments of Biblical literary or personal history Though many poems seem haunted by entropy decay suffering and loss *The Work of Darkness* they are leavened by stoicism and humor Beautifully organized and reflecting a lifetime's hard won wisdom the collection as a whole is not merely enjoyable It is exhilarating Bruce Bennett author of *Just Another Day in Just Our Town* ABOUT THE AUTHOR Richard Wakefield earned his PhD in American literature from the University of Washington and has taught college humanities for forty two years thirty five of them at Tacoma Community College For over twenty five years he reviewed poetry fiction and literary biography for the Seattle Times His first book *Robert Frost and the Opposing Lights of the Hour* Peter Lang Publishing was a study of Frost's poetry in the context of his life and times His first collection of poems *East of Early Winters* University of Evansville Press won the Richard Wilbur Award His second collection *A Vertical Mile* Able Muse Press was short listed for the Poet's Prize His poem *Petrarch* won the Howard Nemerov Sonnet Award He and his wife Catherine have been married forty eight years and have two daughters two sons in law and two grandchildren
