## **Tank Command:**

*The Tank Commander Pocket Manual* R. Sheppard, 2016-08-19 A good synopsis of tank strategies many of which remain pertinent to this day It may be small in stature but packed full of interest Classic Military Vehicle From the pioneering tactics and terror of the Blitzkrieg assault through the carnage of Barbarossa Kursk the Desert War and the Normandy Bocage and the Battle of the Bulge there were perhaps no more unsettling and merciless positions to occupy in the Second World War than that of a tank commander This new book puts the reader at the very heart of this hell on wheels and presents all of the original information required to perform this most dangerous of wartime battlefield roles From training manuals and war office memorandums to combat reports and first hand accounts The Tank Commander Pocket Manual sits you in the turret position of commander of some of the most fearsome land vehicles These include the Soviet T 34 the German Panther and its nemesis the American Sherman the terrifying Tiger I as well as tank variants including flamethrowers and tank destroyers such as the Allied M10 and the StuG III Original documents diagrams technical drawings and reports have been collated and compiled from archives and collections to include original Russian German and English angles on the commander s many roles including how to run the rest of the crew of this most decisive weapon of the Second World War Published to mark the centenary of the tank Rare previously unpublished documents Attractively produced in cloth bound retro styled case R Shepherd has worked for many years in military publishing for leading companies such as Casemate and Osprey and has compiled a number of books Pool of London Pocket Manuals The new Pocket Manual series from the Pool of London Press presents some of the most iconic military naval and transport machines from the last 100 years by means of compiling the original documents confidential memos plans and artworks that contributed to their celebrated history This approach allows the modern reader both to have an excellent understanding of the development of these extremely influential aircraft AFVs ships automobiles and trains but also provides the unique opportunity for further interpretation through the study of many previously unpublished original documents diagrams and illustrations Every volume in the series is skillfully compiled and researched by the leading experts in their field who also provide a lengthy contextualizing introduction Superbly priced retro styled to their historical period and beautifully hard bound in debossed cloth the Pool of London Pockets sell as self purchase gift and are excellently suited to book trade as well as to museum stores and heritage outlets across the world **Armor**, 1975 *Field Manuals* United States. War Department, 1977 *Soviet Tank Company Tactics* A. E. Hemesley, United States. Defense Intelligence Agency, 1976 *Tank Irrigation of Dry Zones in India* Sebak Kumar Jana, 2014-01-01 Irrigation plays a vital role in improving the yield or productivity in the agricultural sector and the impact of irrigation on reducing poverty is striking Among the irrigation sources tank irrigation is considered important in the dry zones as it can play a very critical role in the sustainable irrigation development in these areas Tank irrigation has various advantages viz tanks can have a wider geological distribution than large scale projects tank investments tend to be less capital intensive tanks have

fewer negative environmental impacts and tanks can provide a variety of livelihood options to the rural people Tank irrigation is getting importance currently in the context of climate change and declining ground water table In spite of these advantages tank irrigation has declined in almost all states in India over the years Causes of a decline in tank irrigation include weakening community co operation and budget constraints There is an urgent need of policy focus for the development of tank irrigation The present book highlights the problems and prospects of tank irrigation in the zones in West Bengal The study is based on the primary survey carried out on 181 tanks in the three districts of West Bengal The book is an outcome of a research project sponsored by ICSSR New Delhi

*OpenSolaris Bible* Nicholas A. Solter, Jerry Jelinek, David Miner, 2011-03-21 After a beginning overview of the history of OpenSolaris its open source licensing and the community development model this book then goes on to highlight the aspects of OpenSolaris that differ from more familiar operating systems You ll learn how to become a power user of OpenSolaris by maximizing the abilities of advanced features like Dtrace the fault management architecture ZFS the service management facility and Zones Authors provide insider tips unique tricks and practical examples to help you stay sharp with the latest features of OpenSolaris

**World War II Japanese Tank Tactics** Gordon L. Rottman, Akira Takizawa, 2011-03-15 Expert author and tactician Gordon L Rottman Akira Takizawa provide the first English language study of Japanese Army and Navy tank units their tactics and how they were deployed in action The Japanese army made extensive use of its tanks in the campaigns in China in the 1930s and it was in these early successes that the Japanese began to develop their own unique style of tank tactics From the steam rolling success of the Japanese as they invaded Manchuria until the eventual Japanese defeat Rottman provides a battle history of the Japanese tank units as they faced the Chinese the Russians the British and the Americans

**Praying for Slack: A Marine Corps Tank Commander in Viet Nam** Robert E. Peavey, Two different wars were fought in Vietnam the jungle and booby trap one down south and the WWII like one up on the DMZ I was one of a handful whose Vietnam tour was evenly split between the First and Third Marine Divisions and saw firsthand the difference 170 miles could make during the war s bloodiest year Corporal Robert Peavey was a tank commander in I Corps Eye Corps on the DMZ when LBJ ordered a bombing halt over the North His compelling first hand account chronicles operations just south of the Z operations that most Vietnam War histories have completely ignored Peavey offers detailed understandable explanations of combat strategy strengths and shortcomings of standard issue armament and inter service rivalries

*Red Army Tank Commander* Vasiliy Bryukhov, 2013-04-08 A vivid firsthand account of armored warfare by a WWII Soviet tank commander What was it like to command a T 34 tank on the Eastern Front during the Second World War How were tank operations organized and carried out what was the actual experience of combat and what were the qualities that made the difference between success and failure And what were the chances of survival Vasiliy Pavlovich Bryukhov s vivid detailed and gripping memoir of his wartime service gives a fascinating and authentic insight into these questions It also provides an accurate unsentimental record of the day to day life of a

tankman whose unit fought in the forefront of the Red Army throughout the conflict across the western Soviet Union and into eastern Europe His first hand eyewitness account is a memorable personal story that provides a powerful insight into the reality of tank warfare seventy five years ago      **Technical Report** Human Resources Research Organization,1971      **The Armed Forces Of The Ussr** Harriet Fast Scott,William F. Scott,2019-07-16 This up to date analysis of the development and organization of the Soviet Armed Forces provides a profound insight into the military thinking that has determined the course of Soviet military history from the birth of the first Communist armed forces organization to the present The eminent authors of this book have drawn on thousands of Soviet Ministry of Defense publications only a very few of which have been translated into English and four years of research in the USSR to portray the fundamentals of Soviet military doctrine and strategy They cover fully the postwar development of the Soviet military looking at the High Command each of the five services combat formations and supporting agencies and give a comprehensive account of the Soviet military industrial complex military training of Soviet youth military manpower mobilization and the Soviet officer corps Their discussion of the relationship between the Party and the Armed Forces based on Soviet data includes an examination of popular Western myths about internal Soviet military Party splits The wealth of detailed information contained in this book includes numerous notes tables and figures and a broad range of other data all based exclusively on primary sources as well as an extensive bibliography      **The Yom Kippur War** Abraham Rabinovich,2007-12-18 An updated edition that sheds new light on one of the most dramatic reversals of military fortune in modern history The easing of Israeli military censorship after four decades has enabled Abraham Rabinovich to offer fresh insights into this fiercest of Israel Arab conflicts A surprise Arab attack on two fronts on the holiest day of the Jewish calendar with Israel s reserves un mobilized triggered apocalyptic visions in Israel euphoria in the Arab world and fraught debates on both sides Rabinovich who covered the war for The Jerusalem Post draws on extensive interviews and primary source material to shape his enthralling narrative We learn of two Egyptian nationals working separately for the Mossad who supplied Israel with key information that helped change the course of the war of Defense Minister Moshe Dayan s proposal for a nuclear demonstration to warn off the Arabs and of Chief of Staff David Elazar s conclusion on the fifth day of battle that Israel could not win Newly available transcripts enable us to follow the decision making process in real time from the prime minister s office to commanders studying maps in the field After almost overrunning the Golan Heights the Syrian attack is broken in desperate battles And as Israel regains its psychological balance General Ariel Sharon leads a nighttime counterattack across the Suez Canal through a narrow hole in the Egyptian line the turning point of the war      **Rethinking tanks: opportunities for revitalizing irrigation tanks: empirical findings from Ananthapur District, Andhra Pradesh, India** Sharma, A.,2003 This study finds that in the Ananthapur district of Andhra Pradesh tanks were a precarious source of irrigation even at the peak of their use Hence with the use of electricity supply and reduction in the cost of groundwater extraction technology farmers moved to groundwater irrigation

Along with a rise in groundwater irrigation however a steady decline in tank irrigated area was witnessed Rural Water Systems for Multiple Uses and Livelihood Security M. Dinesh Kumar, Yusuf Kabir, A. J. James, 2016-05-03 Rural Water Systems for Multiple Uses and Livelihood Security covers the technological institutional and policy choices for building rural water supply systems that are sustainable from physical economic and ecological points of view in developing countries While there is abundant theoretical discourse on designing village water supply schemes as multiple use systems there is too little understanding of the type of water needs in rural households how they vary across socio economic and climatic settings the extent to which these needs are met by the existing single use water supply schemes and what mechanisms exist to take care of unmet demands The case studies presented in the book from different agro ecological regions quantify these benefits under different agro ecological settings also examining the economic and environmental trade offs in maximizing benefits This book demonstrates how various physical and socio economic processes alter the hydrology of tanks in rural settings thereby affecting their performance also including quantitative criteria that can be used to select tanks suitable for rehabilitation Covers interdisciplinary topics deftly interwoven in the rural context of varying geo climatic and socioeconomic situations of people in developing areas Presents methodologies for quantifying the multiple water use benefits from wetlands and case studies from different agro ecologies using these methodologies to help frame appropriate policies Provides analysis of the climatic and socioeconomic factors responsible for changes in hydrology of multiple use wetlands in order to help target multiple use water bodies for rehabilitation Includes implementable models for converting single use water supply systems into multiple use systems

**Training Regulations** United States. War Department, 1923 **United States Army Human Factors Research & Development ... Annual Conference**, 1970 **Army Human Engineering Conference** United States. Department of the Army. Office of the Chief of Research and Development, 1970 **Promise, Trust and Evolution** Rucha Ghatge, Narpal Jodha, Pranab Mukhopadhyay, 2008-01-10 From land management to water rights this volume looks at the current status of Common Property Resources or CPRs in South Asia Developed countries have managed to establish well defined property rights over numerous resources and in some instances extended non exclusionary rights over privately owned resources over an extended period of time In the developing world however the share of community property is extensive either as a response to an expanding market or because the exposure to markets is still in its nascent stage This coupled with the demands of globalization has led to the co existence of both community ownership of resources as well as an evolving private property rights market This tension between public versus private ownership rights is particularly relevant in the developing countries of South Asia not only because of its shared history but also because of its resources frequently cross national boundaries This book tells the story of CPRs and the commons in a rapidly changing South Asia Including contributions from those working with natural resources in Bhutan India Nepal Pakistan and Sri Lanka the papers discuss issues such as equity in distribution efficiency and productivity of resources sustainability of resources

and institutional transition and governance      **The Battle of Kursk** Valeriy Zamulin, 2017-07-27 In this book noted historian of the Battle of Kursk Valeriy Zamulin the author of multiple Russian language books on the Battle of Kursk and *Destroying the Myth The Tank Battle at Prokhorovka Kursk July 1943 An Operational Narrative* takes a fresh look at several controversial and neglected topics regarding the battle and its run up He starts with a detailed look at the Soviet and Russian historiography on the battle showing how initially promising research was swamped by Party dogma and censorship during the Brezhnev era before being resumed with the collapse of the Soviet Union Zamulin then transitions to discussions of how the southern shoulder of the Kursk bulge was formed preparations for the battle on both sides and the size and composition of Model's Ninth Army He then examines such controversial topics as whether or not the II SS Panzer Corps was aware of the pending Soviet counterattack at Prokhorovka and the effectiveness of the Soviet preemptive barrage that struck the German troops that were poised to attack Zamulin also discusses whether or not General Vatutin the Commander in Chief of Voronezh Front erred when arranging his defenses Zamulin also takes a look at how the myth of 1 500 tanks colliding on a narrow strip of farm fields became perpetuated in Soviet and foreign history books when in fact it was impossible for the 5th Guards Tank Army's tanks to attack in massive wave after wave due to the constrictions of the terrain Zamulin also reveals incidents of the battle that were long kept behind the curtain by Soviet censorship For example the 183rd Rifle Division defending the Prokhorovka axis was repeatedly struck by friendly aircraft and a Soviet tank counterattack overran the positions of one of its battalions Zamulin discusses other cases of fratricide in the Voronezh Front including the death of one of the 1st Tank Army's foremost tank commanders in a friendly fire incident In the process he reveals that a wave of suicides swept through the junior command staff of the 5th Guards Tank Army immediately prior to the famous counteroffensive on 12 July 1943 All in all Valeriy Zamulin with this collection of essays and articles two of which have been reprinted from the *Journal of Slavic Military History* makes a new contribution to our knowledge and understanding of this pivotal epochal battle of the Second World War      Strategic Analyses of the National River Linking Project (NRLP) of India Series 5. Proceedings of the Second National Workshop on Strategic Issues in Indian Irrigation, New Delhi, India, 8-9 April 2009 International Water Management Institute, 2008 Contributed articles
