Taping Whores:

The Transparent Whore Rosemarie, 2021-02-18 *The Transparent Whore* is a memoir of a young woman's brave journey to self discovery. The details written on these stark white pages give an inspirational testimony of how lost we can become in life and how through a series of pivotal events restore the pulse to our veins. Rosemarie guides you through her lessons of disease, conditioning, desperation, betrayal, addiction, reprogramming, ending cycles and gratitude. A dedication so strong to regain a sense of wholeness that she deemed herself a tenacious whore. One who was willing to write about and share her intimate experiences to reveal that life is hardly ever a straight line. This is her poetic quest to align with unconditional love.

Postgate John O'Connor, 2019-11-05 The conventional wisdom of Watergate is turned on its head by Postgate revealing that the Post did not uncover Watergate as much as it covered it up. The Nixon Administration itself involved in a coverup was the victim of a journalistic smoke screen that prevented mitigation of its criminal guilt. As a result of the paper's successful misdirection, today's strikingly deceptive partisan journalism can be laid at the doorstep of the Washington Post. After Deep Throat's lawyer author John O'Connor discovered that the Post had betrayed his client while covering up the truth about Watergate, his indefatigable research resulted in Postgate, a profoundly shocking tale of journalistic deceit. In an era when numerous modern media outlets rail about the guilt of their political enemies for speaking untruths, Postgate proves that the media can often credibly be viewed as the party actually guilty of deception. Americans today mistrust the major media more than ever. Postgate will prove that this distrust is richly deserved. **Trans Cam Whore: The Young Man Next Door has a Naughty Sissy Secret**

The Mysteries of Watergate John O'Connor, 2022-06-30 Watergate our great national nightmare in the words of President Gerald Ford was the most impactful scandal in American and perhaps world history Yet even those who believe they have studied Watergate fully could never understand the purpose of this puzzling burglary of DNC headquarters with no meaningful information to gain and Nixon far ahead in the polls In easily accessible vignettes The Mysteries of Watergate will unpack factual narratives and solid inferences that will astound the reader John O'Connor's rendition will add to prior research into heretofore unknown occurrences putting all revisionist knowledge into one coherent understandable whole Even more explosively he has for the first time by any observer in fifty years deeply examined the three thousand Post Watergate articles and its subsequent publications to show how deeply false and flawed this journalism was He also will offer the first comprehensive understanding of Deep Throat's true motives Since this reporting won a Pulitzer Prize and is the template for all subsequent investigative reporting this book profoundly shakes the foundation of the modern mainstream media project The Mysteries of Watergate is a must read for anyone interested in the way modern society shapes its historical narratives

Slut-Shaming, Whorephobia, and the Unfinished

Sexual Revolution Meredith Ralston, 2021-06-16 The sexual revolution is unfinished A sexual double standard between men and women still exists and society continues to punish bad girls and reward good ones Until we eliminate good girl privilege and bad girl stigma women will not be fully free to embrace their sexuality In Slut Shaming Whorephobia and the Unfinished Sexual Revolution Meredith Ralston looks at the common denominators between the MeToo movement the myths of rape culture and the pleasure gap between men and women to reveal the ways that sexually liberated women threaten the patriarchy Weaving in history pop culture philosophy interviews with sex workers and personal anecdotes Ralston shows how women cannot achieve sexual equality until the sexual double standard and good girl bad girl binary are eliminated and women viewed by society as whores are destigmatized Illustrating how women s sexuality is policed by both men and women she argues that women must be allowed the same personal autonomy as men the freedom to make sexual decisions for themselves to obtain orgasm equality and to insist on their own sexual pleasure Dispelling the myth that all sex workers are victims and all clients are violent Slut Shaming Whorephobia and the Unfinished Sexual Revolution calls out Western society s hypocrisy about sex and shows how stigma and the marginalization of sex workers harms all women

Last Tape on

Stage in Translation Burç İdem Dinçel, 2011-11-15 Samuel Beckett s theatrical works maintain a prominent position within contemporary theatre His plays provide a prodigious potential to study several forms of acting staging and dramaturgy as well as language and translation thereby setting a fertile ground to tackle the problematic issue of the relationship between theatre criticism and theatre translation criticism That is precisely what this study examines by drawing attention to the fundamental characteristics of translated theatre texts as blueprints for productions and taking several aspects into account from directing to acting from staging to performance together with the language factor To that end Bur dem Din el focuses on one of Beckett s most significant plays namely Krapp s Last Tape situating it within the author s oeuvre and along the way

scrutinising not only the theatrical pieces but also the prose By looking into the Turkish translations and productions of the play this book brings forth a new dimension into approaching theatre through translation
