War Papers is an annotated collection of extremely rare Japanese primary source documents translated into English that provides an invaluable resource for historians and students of World War II. These naval and diplomatic documents come from the collection of the late Gordon Prange, the eminent scholar of Pearl Harbor, who obtained them from Japanese naval leaders while working for the Military History Section of the American forces that occupied Japan. Donald M. Goldstein and Katherine V. Dillon have assembled this collection so that these important documents are not lost to history. The editors also provide expert commentary to introduce and explain the importance of the materials. This book forms the companion volume to *The Pearl Harbor Papers: Inside the Japanese Plans* (Brassey's Inc. 1993), which Goldstein and Dillon also edited. Most of the documents published here are not available anywhere else, with many translated for the first time. This edited collection covers three main topics: the Japanese navy before World War II, prewar diplomacy and politics, and Japanese naval operations and policy during the war. The documents include diary extracts and candid short monographs written by high-ranking Japanese officers immediately after the war. They shed new light on the vast naval buildup before the war, the development of the navy's operational concepts for war with the United States, the organization and tactics of aircraft carrier forces, and the failure of Japanese submarine operations. No World War II library will be complete without this important volume.

Modern Japan, Student Economy Edition Mikiso Hane, 2018-04-27. This book presents the essential facts of modern Japanese history. It covers a variety of important developments through the 1990s, giving special consideration to how traditional Japanese modes of thought and behavior have affected the recent developments. *Caught in the Turmoil of History* Ivana Caccia, Maroje Mihovilović, 2024-11-07. Branko Vukeli may not be well known outside his home country, but he certainly should be. That's because Branko was a spy, part of the famous Soviet secret espionage group based in Tokyo and led by Richard Sorge. They were spying on Japan and Germany in the 1930s and early 1940s. After discovering evidence of Hitler's plans to launch an attack on the Soviet Union in June 1941 and that the Japanese authorities had decided to direct their attention away from the Soviet borders toward Indochina and the Pacific, Sorge's group sent word back to Moscow. This news arrived just in time for Stalin to deploy fresh troops from the country's far eastern border and halt Germany's rapid advance toward Moscow and Saint Petersburg. Not only did this shatter Hitler's belief in his army's invincibility, it also changed the course of World War II. While Branko and his espionage work are central to this narrative, this book also focuses on his entire Jewish-Croatian family, whose several members committed heroic deeds and often risked everything, including their lives, in their quest to create a better world. Key players include Branko's mother, Vilma, a women's rights advocate and a highly regarded chronicler of late nineteenth-century life in southeastern Europe; his younger brother, Slavko, who also served as a Soviet spy and who fell victim of the Soviet Great Terror in the 1930s; Branko's second wife, Yoshiko, who defied her repressive Japanese culture to support her husband; and Ivo, his anti-fascist brother-in-law, imprisoned by both fascist and communist security services at the end of WWII in Yugoslavia. They were all caught up in some of the most tumultuous events

of modern history A Foreigner's Cinematic Dream of Japan Iris Haukamp,2020-11-26 In early 1936 a German film team arrived in Japan to participate in a film coproduction intended to show the real Japan to the world and to launch Japanese films into international markets The two directors one Japanese and the other German clashed over the authenticity of the represented Japan and eventually directed two versions The Samurai's Daughter and New Earth based on a common script The resulting films hold a firm place in film history as an exercise in or reaction against politically motivated propaganda respectively A Foreigner's Cinematic Dream of Japan contests the resulting oversimplification into nationalised and politicised dichotomies Drawing on a wide range of Japanese and German original sources as well as a comparative analysis of the German Japanese version and the elusive Japanese English version Iris Haukamp reveals the complexities of this international co production This exclusive research sheds light not only on the films themselves but also on the timeframe of its production with both countries at the brink of war **The War Against Japan, 1941-1945** John J. Sbrega,2015-06-12 With over 5 200 entries this volume remains one of the most extensive annotated bibliographies on the USA's fight against Japan in the Second World War Including books articles and de classified documents up to the end of 1987 the book is organized into six categories Part 1 presents reference works including encyclopedias pictorial accounts military histories East Asian histories historiographies Part 2 covers diplomatic political aspects of the war against Japan Part 3 contains sources on the economic and legal aspects of the war against Japan Part 4 presents sources on the military aspects of the war embracing land air and sea forces Religious aspects of the war are covered in Part 5 and Part 6 deals with the social and cultural aspects including substantial sections on the treatment of Japanese minorities in the USA Hawaii Canada and Peru

Routledge Library Editions: World War II in Asia Timothy Hall, John J. Sbrega, 2021-03-11 The 4 volumes in this set originally published between 1980 and 1983 bring to light and focus on the conflict between Japan and Australia and Japan and the USA Timothy Hall's volumes richly illustrated with black white photographs used highly contentious documents as their sources and give fascinating insights into a period of Australian history which is sometimes less than glorious John J Sbrega's tour de force is not only one of the most extensive annotated bibliographies on the USA and Japan in World War 2 ever published but it also provides invaluable information on lesser known but no less important aspects of the conflict

America's Fascination with Asian Martial Arts Michael DeMarco, Chapters in this book present meticulous research into the adaptation and significance of Asian combatives as infused within American society These chapters are presented here as published according to their original chronological appearance in the Journal of Asian Martial Arts In the first chapter Dr John Donohue presents an anthropological perspective on what Asian martial arts represent to Americans and why Americans choose to study them The attraction goes far beyond the physical aspects of self defense embracing the symbolic associations of warrior heroes grasping of power and skills through mythical means and a quest for a coherent world view Though Asian martial systems do establish high principles their interpretation and evolution are affected by powerful societal trends ranging from the inclination toward mutual improvement to commercialism and militarism In chapter two Dr Daniel Rosenberg brings a realistic picture of the favorable and not so favorable aspects of martial art studies In chapter three martial arts coverage by four major market American newspapers are analyzed by Ellen Levitt Since the articles reflect trends and attitudes we should be concerned with how they and their styles are presented in newspapers Frederick Lohse's chapter shows that by identifying or contrasting ourselves with shared ideas and images we construct an identity that is both salient to ourselves and understandable to those around us Her examines some aspects of how practitioners in the USA use the martial arts as one means of constructing their narratives of Self In chapter five by Geoffrey Wingard an ethnographic snapshot is examined to illustrate the validity of the seminal studies of martial arts and aggression This chapter shows how students representing traditional and non traditional martial arts engage each other represent their arts and exhibit aggressive and non aggressive behaviors The final chapter by John Donohue examines how the revolution in communications technology has altered American understanding regarding the relationship between skill acquisition training and the end result of such training Just what attracts people to study fighting arts What psychological needs are met when one joins an instructional class Practitioners and scholars will find much in this anthology to broaden the perspective and understanding of why Americans are so fascinated with the Asian martial traditions

Wartime Shanghai Wen-hsin Yeh, 2003-09-02 Wartime Shanghai is a

lively account of the political and social situation between 1937 and 1946 It explores the deep political rivalries between Nationalist groups the intrigue of international espionage and how Shanghai society from European administrators to Chinese film makers collaborated with or resisted the Japanese occupation Drawing on archival and published sources in English French Chinese and Japanese the authors show the diversity of groups and communities that made up wartime Shanghai This book is an engaging collection of essays written on an exciting but often neglected episode of Chinese history

The China Factor in Modern Japanese Thought Lincoln Li, 1996-07-03 When militarism was on the ascendant Tachibana was a vocal critic of military solutions Yet his services were sought for by the radical elements of the Japanese military he criticized Through his writings we gain a clearer view of the continuing processes of policy debate in occupied Manchuria
