Routledge Revivals: Neglected Powers (1971) G. Wilson Knight,2017-11-22 First published in 1971 Professor Knight s book draws analytic attention to poets including Tennyson Masefield and Brooke who are shown to hold a dimension of meaning previously ignored or misunderstood Homage is paid to John Cowper Powys as one of the foremost seers of the modern age A comprehensive review of the work of Francis Berry claims to establish him as our foremost living poet Professor Knight urges and goes far to prove that modern literary criticism up until the 1970s failed to touch upon the richer meanings of contemporary literature he stresses the relation between such acclaimed poets as Yeats and Eliot and the spiritualistic movements of contemporary times Knight regards youth revolts as a sign of a healthy dissatisfaction with an irreligious and directionless culture and believes that hope lies in the neglected powers pressing for acceptance [Three Years Behind the Guns](#) John B. Tisdale,2018-03-05 When Commodore George Dewey s Asiatic Squadron sailed into Manila Bay on May 1 1898 to defeat the Spanish fleet it marked a major turning point in American history Aboard Dewey s flagship

Olympia one very young sailor with a keen eye and agile pen was writing it all down Having run away from home to join the navy in 1895 Jack Tisdale hoped that he would be lucky enough to land a berth aboard the Olympia a modern steel protected cruiser and flagship of the US Asiatic Squadron He ended up getting his wish and a lot more than he bargained for Originally published in 1908 a decade after the events described Three Years Behind the Guns is an amusing gritty look at life aboard a man o war at a time when the United States was on the cusp of becoming a great power Though a memoir the author writes with all the youthful exuberance of the age describing his experiences with good humor and verve even when they stretch the bounds of credulity There are literal fish stories here such as when Jack captures a two foot long flying fish on the deck or when his shipmate nearly loses a toe while doing some illicit angling But there are also descriptions of more somber events such as the death of a shipmate during gunnery practice or the midnight wreck of a Chinese steamer Stories of his adventures at various ports of call are myriad crowned by his unique perspective on the Battle of Manila Bay as a member of the crew of Olympia s main guns Tisdale s ship USS Olympia still exists to this day as a museum in Philadelphia PA where visitors may see how the decorative wood paneling and furniture in the officers quarters contrasts sharply with the painted steel and spartan decks of her crew quarters and engineering spaces Like the ship Three Years Behind the Guns is a hybrid part solid fact part work of art Such beautiful mementos of our bygone history deserve to be maintained if for no other reason than as concrete reminders of how we got here

Sailor Talk Mary K. Bercaw Edwards, 2021 Investigates the literary and cultural significance of sailor talk rethinking the nineteenth century sailor and sailor writer whose language articulated the rich and complex culture of seafarers in port and at sea and the foundational role of maritime language in the works of Herman Melville Joseph Conrad and Jack London

The Viking Blood Frederick William Wallace, 2019-12-04 In The Viking Blood Frederick William Wallace intricately weaves a narrative that explores the rich tapestry of Viking culture and mythology merging historical facts with vibrant storytelling His literary style is characterized by vivid imagery and fluid prose inviting readers to immerse themselves in the world of Norse legends Set against the backdrop of both the rugged Nordic landscape and the sweeping narratives of conquest and exploration Wallace s work not only reveals the valorous spirit of the Vikings but also delves deep into their complex social structures and cultural practices highlighting the interplay between their fabled exploits and their human vulnerabilities Frederick William Wallace was an accomplished scholar and writer with a profound interest in mythology and historical narratives His extensive research and passion for the Viking Age likely stemmed from his own Scottish lineage drawing parallels between the historical traditions of his ancestors and the Norse influence in Scotland This personal connection not only informs the authenticity of his portrayal but also enhances the emotional depth of his characters making their struggles and triumphs resonate with contemporary readers I highly recommend The Viking Blood to anyone fascinated by Norse history mythology or the human condition in times of adversity Wallace s masterful blend of engaging narrative and meticulous research provides invaluable insights into a captivating era
