## **Tarry Flynn:**

**Tarry Flynn** Patrick Kavanagh, 1965      **Tarry Flynn** Patrick Kavanagh, 1987 A man's mother can be a terrible burden sometimes For Tarry Flynn poet farmer and lover from afar of beautiful young virgins the responsibility of family farm poetic inspiration and his own unyielding lust is a heavy one The only solution is to rise above all or escape over the nearest horizon

**Tarry Flynn** Patrick Joseph Kavanagh, 1972      **The Strangers' House** Alexander Poots, 2023-03-14 A penetrating study and celebration of Northern Irish literature telling the region's story through the extraordinary novels and poetry produced by decades of conflict Northern Ireland is one hundred years old Northern Ireland does not exist Both of these statements are true It just depends who you ask How do you write about a place like this THE STRANGERS HOUSE asks this question of the region's greatest writers living and dead What have they made of Northern Ireland and what has Northern Ireland made of them Northern Ireland is roughly the same size as the State of Connecticut yet has produced an extraordinary number of celebrated poets and novelists Louis MacNeice too clever to be happy formed by his childhood on the shores of Belfast Lough son of a Protestant clergyman banned for ever from the candles of the Irish poor C S Lewis who discovered Narnia in the rolling drumlins and black rock of County Down Anna Burns chronicler of North Belfast and winner of the Booker Prize And Seamus Heaney the man of wry precision the poet with the gift of surprise As well as household names Poots also examines writers who may be less familiar to an American readership These include the dark and bawdy novels of Ian Cochrane a half blind writer obsessed with Columbo and Forrest Reid a man who saw Arcadia in the Irish countryside and who was perhaps the North's first queer author Reading the work of these writers together produces a testament to over one hundred years of literary endeavor and human struggle THE STRANGERS HOUSE is the story of how men and women have written about a home divided and used their work to move in the words of Seamus Heaney like a double agent among the big concepts

**Farming in Modern Irish Literature** Nicholas Grene, 2021 Explores the various ways in which the farm and farming have been represented in Irish writing in the period of Independence and Partition after 1922      *Masculinities in Mid-Twentieth-Century Irish Fiction and Culture, 1931-1965* Loic Wright, 2025-09-29 *Masculinities in Mid Twentieth Century Irish Fiction and Culture 1931 1965* is a critical analysis of the construction consolidation and regulation of post colonial Irish masculinity as evidenced by Irish fiction published during the mid twentieth century Investigating the years of the Irish Free State ire and the Republic of Ireland this book uses the years preceding the enactment of Bunreacht na h ireann the Irish Constitution in 1937 and the years following the First Programme for Economic Expansion in 1958 as its span for research The analysis in this book incorporates contextual work on the masculinities of election rhetoric Church and State visions of an idealised Irish masculinity and the role of popular culture and fiction in promoting or rejecting official versions of Irish manhood Therein this book crucially analyses both critically acclaimed Irish authors such as Kate O'Brien John McGahern and Elizabeth Bowen alongside lesser known writers who fell victim to the mid century's rigorous culture of censorship such

as M J Farrell Norah Hoult and John Broderick Wright's research in this book provides a holistic approach to scrutinising the construction of post colonial Irish masculinity including analysis on drinking culture civil service employment queer relationships and the value of violence in masculine currencies *The Comic Irishman* Maureen Waters, 1984-01-01 The *Comic Irishman* makes heretofore unacknowledged distinctions among different types of comic Irishmen and convincingly casts away the stereotyped version of the stage Irishman It shows how the Irish comic character whether a blundering fool or a lazy fun loving fellow evolved into a glib and witty rogue The book is a critical study of modern Irish fiction and drama The first part provides an analysis of the various Irish comic figures which were popular in the nineteenth century These are discussed within a social and historic framework because they were to a large extent shaped by the erosion of Gaelic culture under the impact of English government In the process of shifting from one cultural nexus to another the Irishman came to be regarded as highly inferior to his English counterpart yet amusing because of his difficulty with the English language and his rebellious unpredictable behavior The second part of the book discusses the writings of such twentieth century authors as James Joyce Samuel Beckett Sean O Casey and Flann O'Brien who concentrated on the analysis of the stage Irishman Some brilliantly exploited the comic tradition while others used satire to explode what they perceived as a debasing myth

**Adaptation Considered as a Collaborative Art** Bernadette Cronin, Rachel MagShamhráin, Nikolai Preuschoff, 2020-05-08 This book examines the processes of adaptation across a number of intriguing case studies and media Turning its attention from the what to the how of adaptation it serves to re-situate the discourse of adaptation studies moving away from the hypotheses that used to haunt it such as fidelity to questions of how texts authors and other creative practitioners always understood as a plurality engage in dialogue with one another across cultures media languages genders and time itself With fifteen chapters across fields including fine art and theory drama and theatre and television this interdisciplinary volume considers adaptation across the creative and performance arts with a single focus on the collaborative **Exploring Borders and Boundaries in the Humanities** Melih Karakuzu, Hasan Baktır, Banu Akçeşme, Betül Ateşci Koçak, 2021-05-26 In a post everything world we have felt more pain than happiness in building and tampering with borders The term border has been expanded to become a ploy for grim chauvinistic self flattery and ultra nationalist bigotry We have also faced notorious coverage of the border in the media worldwide and its diverse forms have been extensively deployed in cinema and literature Centering on a wide range of literary and cinematic genres the contributors to this volume explore and explain distinct theoretical and scholarly arguments to promote research on literary linguistic and media representations of the word border **Come Home to Erin** Tom Melican, 2012-11 Hannah wa's home and back in the shop Her sister Ruth was now engaged to be married to Daniel Crossan She was supposed to be sharing a flat with a girlfriend but she was sharing the flat with Daniel In reality they were living together What her father would have made of her living in sin was beyond anyone's imagination Sometimes she took Daniel home for Sunday lunch and on other

Sundays she took another teacher named Teresa her supposed flatmate to the Garton homestead just to have her parents believe that Teresa shared the flat Daniel worked in The Northern Bank and he would get very favourable mortgage terms and they were saving for a deposit David Robinson would no doubt help them in this but as Hannah was slowly discovering there was no great fortune from Garton to share out She was able to read the accounts now They made depressing reading

Maura Laverty Patrick Kavanagh Edna O'Brien and John McGahern this book offers a fresh new approach to the study of twentieth century Irish writing and of the twentieth century novel Combining the study of literature and of archival material *Impure thoughts* also develops a new interpretive framework for studying the history of sexuality in twentieth century Ireland Addressing itself to a wide set of interdisciplinary questions about Irish sexuality modernity and post colonial development as well as Irish literature it will be of interest to students and scholars in various disciplines including literary studies history sociology and gender studies      The Cambridge History of Ireland: Volume 4, 1880 to the Present Thomas

Bartlett, 2018-02-28 This final volume in the Cambridge History of Ireland covers the period from the 1880s to the present Based on the most recent and innovative scholarship and research the many contributions from experts in their field offer detailed and fresh perspectives on key areas of Irish social economic religious political demographic institutional and cultural history By situating the Irish story or stories as for much of these decades two Irelands are in play in a variety of contexts Irish and Anglo Irish but also European Atlantic and latterly global The result is an insightful interpretation on the emergence and development of Ireland during these often turbulent decades Copiously illustrated with special features on images of the Troubles and on Irish art and sculpture in the twentieth century this volume will undoubtedly be hailed as a landmark publication by the most recent generation of historians of Ireland      **The Slow Failure** Mary E. Daly, 2006-04-06

Today Ireland's population is rising immigration outpaces emigration most families have two or at most three children and full time farmers are in steady decline But the opposite was true for more than a century from the great famine of the 1840s until the 1960s Between 1922 and 1966 most of the first fifty years after independence the population of Ireland was falling in the 1950s as rapidly as in the 1880s Mary Daly's *The Slow Failure* examines not just the reasons for the decline but the responses to it by politicians academics journalists churchmen and others who publicly agonized over their nation's slow failure Eager to reverse population decline but fearful that economic development would undermine Irish national identity they fashioned statistical evidence to support ultimately fruitless policies to encourage large rural farm families Focusing on both Irish government and society Daly places Ireland's population history in the mainstream history of independent Ireland Daly's research reveals how pastoral visions of an ideal Ireland made it virtually impossible to reverse the fall in population Promoting large families for example contributed to late marriages actually slowing population growth further The crucial issue of emigration failed to attract serious government attention except during World War II successive Irish governments refused to provide welfare services for emigrants leaving that role to the Catholic Church Daly takes these and other elements of an often sad story weaving them into essential reading for understanding modern Irish history      Modern Irish Writers Alexander G. Gonzalez, 1997-08-26 While the Irish Literary Revival began around 1885 and ended somewhere between 1925 and 1940 the Irish Renaissance has continued to the present day and shows no sign of abating The period has produced some of the most important and influential figures in Irish literature some of whom are counted among the world's

greatest authors The Revival saw a reestablishment of Ireland's literary connections with its Celtic heritage and writers such as William Butler Yeats and Lady Gregory drew heavily on the myths and legends of the past James Joyce boldly reshaped the novel and wrote short fiction of enduring value Contemporary Irish writers continue to be leading figures and include such authors as Brian Friel Seamus Heaney and Eavan Boland Included in this reference book are alphabetically arranged entries for more than 70 modern Irish writers including Samuel Beckett William Trevor Patrick Kavanagh Medbh McGuckian Sean O'Casey J.M. Synge and Nuala Ni Dhomhnaill Entries are written by expert contributors and reflect a broad range of perspectives Each entry contains a brief biography that summarizes the author's career a discussion of major works and themes an overview of the author's critical reception and a bibliography of primary and secondary works An introductory essay reviews the large and growing body of scholarship on modern Irish literature while an extensive bibliography concludes the volume
