Exculpatory Lilies Susan Musgrave, 2022-09-06 2023 Governor General's Literary Award for Poetry Finalist 2023 Griffin Poetry Prize Finalist A Globe and Mail Top 100 Book 2022 Walcott Prize Shortlist From the award winning poet known for her bracing honesty and sharp yet compassionate gaze here is a new collection of poems that explore life marriage addiction death and heart wrenching grief If grief is the willingness to be claimed by a story bigger than ourselves Susan Musgrave writes in that tender wavering I let grief in Writing about grief or tragedy is tricky Hard to meet it at a heart level without being effusive hard to meet it at a brain level without being cold Hard not to make it about ourselves Hard to meet it at a visceral level because it can take us out at the knees wrote author Carrie Mac responding to the death of Musgrave's partner Stephen Reid in 2018 Following this traumatic loss in September 2021 their daughter Sophie died of an accidental overdose after a twenty year struggle with addiction But to say this is a collection solely about grief would be to miss the whole nature of Musgrave's voice and sensibility Wit is one counterpoint the natural world is another The poems share a landscape whose creatures minutely observed wild and tame the winged ones most of all dance attendance on the helplessness of our brief and mystifying human lives Throughout Exculpatory Lilies Musgrave's alertness to even the most desolate places makes her personal sorrows astonishingly potent and her scrutiny of language and emotions makes shot silk out of sackcloth and ashes

executioner There is humour and emotion in their lives however harsh their stories When Musgrave was asked how humour finds its way into such an unlikely place she replied It s a survival technique People make jokes when they survive tragedies that s how they deal with the world In this novel about prison and drug culture filled with brutality and injustices the compassion we feel for the narrator lends the story a moral message that nobody is so simply bad as to deserve the death sentence As the Gazette commented the book puts a human face on convicted criminals makes us face squarely the issue of capital punishment and assess how we judge guilt innocence and the ambiguous space in between The Calgary Straight called the book a love letter to those who are serving time and the families who serve with them It s also a book about unconditional love and how far we will go for it according to Musgrave who spent eight years writing this novel and knows plenty about prison life having met and married her husband Stephen Reid during his incarceration in the 1980s She had just finished a draft of the novel when Reid was arrested again following a bank robbery in 1999 just months after the CBC aired a Life and Times documentary about the couple A brilliant mix of black humour stark tragedy and poignant humanity Cargo of Orchids is Musgrave s first novel in over ten years She has three times been nominated for the Governor General s Award once for fiction The Charcoal Burners and twice for poetry A Man to Marry a Man to Bury and Grave Dirt and Selected Strawberries and has published over twenty books She likes novels with intense use of language and good plotting I want to give readers a harrowing ride she says I like to think of Cargo of Orchids as a suspense novel which is also an exploration of the heart
