*Love Letters from Golok* Holly Gayley, 2016-12-06 *Love Letters from Golok* chronicles the courtship between two Buddhist tantric masters T re Lhamo 1938 2002 and Namtrul Rinpoche 1944 2011 and their passion for reinvigorating Buddhism in eastern Tibet during the post Mao era In fifty six letters exchanged from 1978 to 1980 T re Lhamo and Namtrul Rinpoche envisioned a shared destiny to heal the damage done to Buddhism during the years leading up to and including the Cultural Revolution Holly Gayley retrieves the personal and prophetic dimensions of their courtship and its consummation in a twenty year religious career that informs issues of gender and agency in Buddhism cultural preservation among Tibetan communities and alternative histories for minorities in China The correspondence between Tare Lhamo and Namtrul Rinpoche is the first collection of love letters to come to light in Tibetan literature Blending tantric imagery with poetic and folk song styles their letters have a fresh vernacular tone comparable to the love songs of the Sixth Dalai Lama but with an eastern Tibetan flavor Gayley reads these letters against hagiographic writings about the couple supplemented by field research to illuminate representational strategies that serve to narrate cultural trauma in a redemptive key quite unlike Chinese scar literature or the testimonials of exile Tibetans With special attention to Tare Lhamo s role as a tantric heroine and her hagiographic fusion with Namtrul Rinpoche Gayley vividly shows how Buddhist masters have adapted Tibetan literary genres to share private intimacies and address contemporary social concerns

*The Hidden History of the Tibetan Book of the Dead* Bryan J. Cuevas, 2005-12-08 In 1927 Oxford University Press published the first western language translation of a collection of Tibetan funerary texts the Great Liberation upon Hearing in the Bardo under the title *The Tibetan Book of the Dead* Since that time the work has established a powerful hold on the western popular imagination and is now considered a classic of spiritual literature Over the years *The Tibetan Book of the Dead* has inspired numerous commentaries an illustrated edition a play a video series and even an opera Translators scholars and popular devotees of the book have claimed to explain its esoteric ideas and reveal its hidden meaning Few however have uttered a word about its history Bryan J Cuevas seeks to fill this gap in our knowledge by offering the first comprehensive historical study of the Great Liberation upon Hearing in the Bardo and by grounding it firmly in the context of Tibetan history and culture He begins by discussing the many ways the texts have been understood and misunderstood by westerners beginning with its first editor the Oxford educated anthropologist Walter Y Evans Wentz and continuing through the present day The remarkable fame of the book in the west Cuevas argues is strikingly disproportionate to how the original Tibetan texts were perceived in their own country Cuevas tells the story of how *The Tibetan Book of the*

Dead was compiled in Tibet of the lives of those who preserved and transmitted it and explores the history of the rituals through which the life of the dead is imagined in Tibetan society This book provides not only a fascinating look at a popular and enduring spiritual work but also a much needed corrective to the proliferation of ahistorical scholarship surrounding The Tibetan Book of the Dead
