The Near-death Experience Calvert Roszell,1992 Much has been written about the phenomenon of near death experiences but little attention has been paid to scientific research such as that of Dr Michael Sabom that indicates that these are body free or spiritual experiences Still less attention has been paid to the parallels that exist between descriptions such as those given by George Ritchie whose near death journey caused Raymond Moody to begin the epoch making study that brought the phenomenon into the public eye and the work of Rudolf Steiner Steiner spoke of the twentieth century as an age at the threshold of the Risen Christ it is the author s conviction that Ritchie s story affords us an opportunity to recognize and enter into the meaning of this event

The Threshold Covenant; or, The Beginning of Religious Rites H. Clay Trumbull,2019-11-22 In The Threshold Covenant or The Beginning of Religious Rites H Clay Trumbull meticulously explores the origins and significance of religious rituals specifically focusing on the practice of covenant as a foundational element of faith Trumbull s literary style is marked by a blend of rigorous scholarship and accessible language allowing readers to engage with complex theological concepts without losing sight of their historical context This work bridges the gap between anthropology and theology examining how early religious rites shaped communal identity and spiritual beliefs ultimately offering profound insights into the communal nature of faith across cultures H Clay Trumbull was a prominent American author and theologian in the late 19th and early 20th centuries known for his deep engagement with biblical texts and covenant theology His own spiritual journey influenced by various religious traditions and his extensive knowledge of historical practices prompted him to investigate the meaning and implications of covenants within both ancient and contemporary settings This exploration reflects Trumbull s broader quest to understand the relationship between God and humanity as expressed through rituals This scholarly yet approachable work is recommended for anyone interested in the intersections of religion anthropology and history Scholars students and general readers alike will find Trumbull s insights both illuminating and thought provoking making it a valuable addition to the library of anyone seeking to understand the deeper meanings behind religious practices

Nature Spirits of the Trees and What They Want to Tell Us Verena Stael von Holstein, 2019-11-06 People often ask us about the best way to come close to nature and the beings enchanted within it One way to do so is through wonder and astonishment to open our senses fully to nature s beauty and wisdom And here we can encounter entities that most closely resemble human beings the trees Verena has learned to communicate with elemental and nature beings and to translate their language into terms we can understand In her remarkable book *Nature Spirits and What They Say* she conversed with a range of beings including spirits of fire air water and stone In this new volume we hear from trees the nature spirits that in many ways are most similar to human beings Through Verena s remarkable clairvoyant abilities conversations with different tree species such as sweet cherry rowan elm and common oak are relayed These communications reveal compelling insights into the role of trees within the natural world and their relationships with the vegetable animal human and spirit kingdoms Particular emphasis is placed on the characteristics of trees that correspond with qualities of the human soul such as the oak s connection to individualism The tree spirits want to speak and are responsive all kinds of questions such as their roles in the landscape their specific shapes on problems that affect them in particular and on urgent issues that are relevant to all beings on earth such as climate change The interviews disclose beautiful fascinating and often challenging insights offering

inspiration to help us build more constructive relationships to these wonderful entities **Feeding a Thousand Souls**

Vijaya Nagarajan, 2019 Every day millions of Tamil women in southeast India wake up before dawn to create a kolam an ephemeral ritual design made with rice flour on the thresholds of homes businesses and temples This thousand year old ritual welcomes and honors Lakshmi the goddess of wealth and alertness and Bhudevi the goddess of the earth Created by hand with great skill artistry and mathematical precision the kolam disappears in a few hours borne away by passing footsteps and hungry insects This is the first comprehensive study of the kolam in the English language It examines its significance in historical mathematical ecological anthropological and literary contexts The culmination of Vijaya Nagarajan's many years of research and writing on this exacting ritual practice Feeding a Thousand Souls celebrates the experiences thoughts and voices of the Tamil women who keep this tradition alive *Travels on the Northern Path of Initiation* Are

Thoresen, 2021-11-10 In March 2020 Are Thoresen contracted Covid 19 Whilst convalescing from the disease and suffering great exhaustion he experienced a breakthrough in his daily meditation Although he has always been able to see into the spiritual world now deeper unknown realms appeared to his inner vision In the soapstone surround of the fireplace in his Norwegian home he perceived the elemental beings and forces that make up the mineral at an atomic level A few days later an even deeper dimension revealed itself in the form of a void or vacuum Here astonishingly was an open portal to the entire cosmos In *Travels on the Northern Path of Initiation* Thoresen shares the results of his latest spiritual investigations including a moving life changing encounter with the Light of the World He details the teachings he receives from the beings Vidar and Balder who stand as guardians to the threshold of the outer etheric world and characterizes the Northern way of initiation which is based on merging or fading into nature Thoresen documents Rudolf Steiner's descriptions of this path and shows how it is reflected in the Old Norse Poetic Edda the Kalevala and von Eschenbach's Parzival Based on painstaking research he describes the individual qualities of the three elemental realms and how the adversarial forces seeking to corrupt human senses hinder spiritual observation of them Thoresen's book is a powerful personal testimony to the human potential for spiritual knowledge and experience in our time **Anthroposophy and the Philosophy of Freedom** Sergei O.

Prokofieff, 2009 I asked Rudolf Steiner What will remain of your work thousands of years from now He replied Nothing but The Philosophy of Freedom But everything else is contained in it If one realizes the act of freedom described there one can discover the whole content of Anthroposophy Walter Johannes Stein Some people's path to Anthroposophy leads them directly to Rudolf Steiner's early work Intuitive Thinking as a Spiritual Path A Philosophy of Freedom which becomes the philosophical basis for further exploration Steiner referred to this as a safe approach However the destiny of many leads them directly to Anthroposophy itself perhaps through one of its practical initiatives such as Waldorf education or biodynamics sometimes making it difficult to relate to the cognitive basis of Anthroposophy In this unique study Prokofieff offers a fresh approach to Steiner's crucial book Intuitive Thinking as a Spiritual Path He shows why the book is so important

to Anthroposophy as the work in which Steiner lays a foundation for his method of spiritual research In Steiner s own words One who is willing can indeed find the basic principles of Anthroposophy in my Philosophy of Freedom Prokofieff discusses the Christian nature of the anthroposophic means of cognition and how it is integral to freedom and love This in turn reveals the deeply Christian roots of Intuitive Thinking as a Spiritual Path and its importance for modern Christian esoteric work In considering its multifaceted cosmic and human dimension Prokofieff discusses Intuitive Thinking as a Spiritual Path in relation to the mystery of the Resurrection the work of the hierarchies the being Anthroposophia the Fifth Gospel Steiner s path of initiation the Rosicrucian and Michaelic impulses the life between death and rebirth the Foundation Stone the Christian mysteries of karma and the science of the Grail

Controversies and Interdisciplinarity Jens Allwood,Olga Pombo,Clara Renna,Giovanni Scarafile,2020-10-15 Nowadays the forms assumed by knowledge indicate an unhinging of traditional structures conceived on the model of discipline

Consequently what was once strictly disciplinary becomes interdisciplinary what was homogeneous becomes heterogeneous and what was hierarchical becomes heterarchical When we look for a matrix of interdisciplinarity that is to say a primary basis or an essential dimension of all the complex phenomena we are surrounded by we see the need to break with the disciplinary self restraint in which often completely inadvertently many of us lock ourselves up remaining anchored to our own competences ignoring what goes beyond our own sphere of reference However interdisciplinarity is still a vague concept and a much demanding practice It presupposes the continuous search for convergent theoretical perspectives and methodologies and the definition of common spaces and languages as well as a true dialogical and open mind of several scholars From ethics to science from communication to medicine from climate change to human evolution the volume *Controversies and Interdisciplinarity* offers a series of original insights beyond disciplinary fragmentation for a new knowledge model
