charts with extraordinary skill and lucidity the intricate interplay between Lebanon and its geopolitical environment This history of Lebanon is also a history of the whole Middle East and above all of the Arab Israeli conflict Several states from inside the region and beyond have impinged on Lebanon throughout its history invading attacking and occupying it but none has done so more strenuously and disruptively than Israel Hirst who has been banned from traveling in six Arab states and was kidnapped twice during Lebanon s civil war takes an unsparing look at Israel s role providing extraordinary accounts of the invasions of 1982 and 2006 as well as Israel s shock and awe attack on Gaza in early 2009 Hirst warns that only serious diplomatic action from the new Obama administration can prevent the next proxy war spiraling into a conflict that engulfs the entire region
