Demos,Emily Eliza Scott,Subhankar Banerjee,2021-02-26 International in scope this volume brings together leading and emerging voices working at the intersection of contemporary art visual culture activism and climate change and addresses key questions such as why and how do art and visual culture and their ethics and values matter with regard to a world increasingly shaped by climate breakdown Foregrounding a decolonial and climate justice based approach this book joins efforts within the environmental humanities in seeking to widen considerations of climate change as it intersects with social political and cultural realms It simultaneously expands the nascent branches of ecocritical art history and visual culture and builds toward the advancement of a robust and critical interdisciplinarity appropriate to the complex entanglements of climate change This book will be of special interest to scholars and practitioners of contemporary art and visual culture environmental studies cultural geography and political ecology **The Annual American Catalogue** ,1888
The Cambridge History of American Poetry Alfred Bendixen,Stephen Burt,2014-10-27 The Cambridge History of American Poetry offers a comprehensive exploration of the development of American poetic traditions from their beginnings until the end of the twentieth century Bringing together the insights of fifty distinguished scholars this literary history emphasizes the complex roles that poetry has played in American cultural and intellectual life detailing the variety of ways in which both public and private forms of poetry have met the needs of different communities at different times The Cambridge History of American Poetry recognizes the existence of multiple traditions and a dramatically fluid canon providing current perspectives on both major authors and a number of representative figures whose work embodies the diversity of America s democratic traditions Encyclopedia of Italian Literary Studies Gaetana Marrone,Paolo Puppa,2006-12-26 The Encyclopedia of Italian Literary Studies is a two volume reference book containing some 600 entries on all aspects of Italian literary culture It includes analytical essays on authors and works from the most important figures of Italian literature to little known authors and works that are influential to the field The Encyclopedia is distinguished by substantial articles on critics themes genres schools historical surveys and other topics related to the overall subject of Italian literary studies The Encyclopedia also includes writers and subjects of contemporary interest such as those relating to journalism film media children s literature food and vernacular literatures Entries consist of an essay on the topic and a bibliographic portion listing works for further reading and in the case of entries on individuals a brief biographical paragraph and list of works by the person It will be useful to people without specialized knowledge of Italian literature as well as to scholars *The Art of Mary Linwood* Heidi A. Strobel,2023-11-30 The Art of Mary Linwood is the first book on Leicester textile artist Mary Linwood 1755 1845 and catalogue of her work When British textile artist and gallery owner Mary Linwood died in 1845 just shy of 90

years old her estate was worth the equivalent of 5 199 822 in today's currency As someone who made but did not sell embroidered replicas of famous artworks after artists such as Gainsborough Reynolds Stubbs and Morland how did she accumulate so much money A pioneering woman in the male dominated art world of late Georgian Britain Linwood established her own London gallery in 1798 that featured copies of well known paintings by these popular artists Featuring props and specially designed rooms for her replicas she ensured that her visitors had an entertaining educational and kinetic tour similar to what Madame Tussaud would do one generation later The gallery's focus on picturesque painters provided her London visitors with an idyllic imaginary journey through the countryside Its emphasis on quintessentially British artists provided a unifying focus for a country that had recently emerged from the threat of Napoleonic invasion This book brings to the fore Linwood's gallery guides and previously unpublished letters to her contemporaries such as Birmingham inventor Matthew Boulton and Queen Charlotte It also includes the first and only catalogue of Linwood's extant and destroyed works By examining Linwood's replicas and their accompanying objects through the lens of material culture the book provides a much needed contribution to the scholarship on women and cultural agency in the early 19th century
