flamingo are both related to the complexions of the Dutch how the biblical son of Isaac is related to a French garment and a Halloween decoration and what going berserk has to do with playing hopscotch You ll also uncover the common roots of such seemingly incompatible dyads as bully friar muscle mouse and everyone s favorite feather hippopotamus Richly supplemented with cultural anecdotes literary excerpts and lively discussions on a broad variety of relevant topics not to mention a series of whimsical illustrations that offer intriguing clues to word origins Dubious Doublets is quite simply a word buff s delight     Artistic Alchemy Ken Bazyn,2017-11-09 Bazyn s poems seek to encourage Christians of all stripes to present a new song unto the Lord by actual example and useful advice All sorts of issues relating to creativity are touched upon whether theological psychological sociological philosophical linguistic or autobiographical Among the topics covered finding your own voice reading widely and deeply in the classics being spare concise in your style discovering your genuine self beneath its assorted masks taking occasional flights of fantasy considering your mind as a house of memory perfecting your art even in a miniature way Celebrating your mentors among the authors are Dickinson Donne and Hafez reflecting on your past by looking at old photographs drawing inspiration from home and family not allowing overly critical editors to stifle your creativity recognizing that the artistic life may be a lonely and perilous journey toward fulfillment seeking after God s will in all that you do never being afraid to head into deeper waters acknowledging that we are at best half converted souls Black and white photos by the author illumine the themes of these pieces Also there is a bibliography of recommended readings on creativity Go and find your voice then let it rise up to the Lord night and day     **A Dictionary of Modern Legal Usage** Bryan A.
