*The Creation Of My Thoughts* James Duncan,2011-10-28 My Book the creation of my thoughts in which I wrote while incarcerated in the FEDERAL PRISION SYSTEM It is based on spirituality politics and poetry The spirituality part is because I was inspired by our creator to write this book And because I believe that before we came into existence on this earth in this flesh We were first spirits and once we moved past this stage in one eternal life We will once again return to our original form as a spirit whether it is eternal life or external domination If we let our spirit guide us while in this stage we will progress in life So many get caught up on the here and now one impressing the next person whether it be through material possessions or through our social status Or through intimation **The Creation of My Thoughts** Dr James
