McCoppin, 2016-10-13 This examination of the heroic journey in world mythology casts the protagonist as a personification of nature a botanical hero one might say who begins the quest in a metaphorical seed like state then sprouts into a period of verdant strength But the hero must face a mythic underworld where he or she contends with mortality and sacrifice embracing death as a part of life For centuries humans have sought superiority over nature yet the botanical hero finds nothing is lost by recognizing that one is merely a part of nature Instead a cyclical promise of continuous life is realized in which no element fully disappears and the hero's message is not to dwell on death *The Hero is You* Kendra Levin, 2016-01-01 Building on the archetypes in Joseph Campbell's heroic journey *The Hero Is You* takes writers from the inception of a brand new idea straight through to completing a project revising it and sharing it with the world Kendra Levin a life coach who specializes in working with writers packs in practical tips and advice craft tools road tested creative exercises and insights from other professional writers Each chapter digs into a single step in the creative process and coaches writers through whatever challenges they may be experiencing She offers a healthier process by liberating writers from old issues and habits and she provides the courage and confidence to write as never before And by applying a coach's insight to the work writers can do off the page in their everyday lives she helps them to strengthen their writing muscle and deepen their work accordingly Designed as the kind of reference writers return to often it can be used on one's own or with a writing group After reading *The Hero Is You* writers will have a more in depth understanding of the story structure and the archetypes that make up the hero's journey a more effective writing process feel more deeply in tune with themselves and be doing the best work of their lives *The 9/11 Dogs: The heroes who searched for survivors at Ground Zero (HarperTrue Friend - A Short Read)* Isabel George, 2014-09-05 Meet the dogs who searched for life amongst the ruins of the Twin Towers **The Legend of Zelda Encyclopedia Deluxe Edition** Nintendo, 2018-06-19 The Legend of Zelda is one of the most successful franchises of all time with nearly twenty video games and thirty years of history but it all started with a gold
