The Life of Albrecht Dürer of Nürnberg Mary Margaret Heaton, Mrs. Charles Heaton, Albrecht Dürer, 1881 Lost Masterpiece Ulinka Rublack, 2023 D rer's Lost Masterpiece tracks the history of a turning point in the career of the celebrated German artist Albrecht D rer 1471 1528 when he stopped painting altarpieces after arguing with a merchant patron over payment As an eloquent homage to D rer's life it brings us closer to the creation and meaning of his paintings than ever before D rer s Lost Masterpiece considers the celebrated German artist Albrecht D rer 1471 1528 his time and his legacy It tracks the history of a crucial and often overlooked turning point in his career when D rer stopped painting altarpieces after falling out with the Frankfurt merchant Jacob Heller over a commission The story of this painting as D rer s lost masterpiece functions as a lens through which to view the new relationship developing between art collecting and commerce in Europe up to the Thirty Years War 1618 1648 when global trade and cultural exchanges were increasing At the heart of the book is the argument that merchants and their mentalities were crucial for the making of Renaissance art and its legacy for modern art The book draws on a decade of research and uniquely draws the reader into the rich emotional worlds of three merchants each of whom typified the evolving relationship between art and commerce in that entrepreneurial and often ruthless age It brings to life D rer's determined fight for creative makers to be adequately paid and explores the big questions about how European societies came to value the arts and crafts that remain relevant to our time The History of the Life of Albrecht Dürer of Nürnberg Mrs. Charles Heaton, 1870 The Essential Dürer Larry Silver Jeffrey Chipps Smith, 2011-11-29 Albrecht D rer 1471 1528 perhaps the most famous of all German artists embodies the modern ideal of the Renaissance man he was a remarkable painter printmaker draftsman designer theoretician and even a poet More is known about his thoughts and his life than about any other Northern European master of his time since he wrote extensively about himself his family s history his travels and his friends His woodcuts and engravings were avidly collected and copied across Europe and they quickly established his reputation as a master Praised in life and elegized in death by such thinkers as Martin Luther and Erasmus he served Emperor Maximilian and other leading church and secular princes in the Holy Roman Empire Although there is a vast specialized literature on the Nuremberg master The Essential D rer fills the need for a foundational book that covers the major aspects of his career The essays included in this book written by leading scholars from the United States and Germany provide an accessible up to date examination of D rer s art and person as well as his posthumous fame The essays address an array of topics from separate and detailed studies of his paintings drawings printmaking and sculpture to broader concerns such as his visits to and interactions with Venice and the Netherlands his personal relationships and his relationships with other artists Collectively these stimulating essays explore the brilliance of D

rer s creativity and the impact he had on his world exposing him as an artist fully engaged with the tumultuous intellectual and religious challenges of his time The History of the Life of Albert Dürer ...
