Spruill,2022-02-24 In the course of the apostles writing the Synoptic Gospels many questions were raised but not answered This literary work in no means infringes on the writing of the apostles and their effort to detail the life of Christ Jesus What I have tried to do is answer some age old questions that have gone unanswered since the scriptures were put together at the Council of Trent I tried to write answering the questions in an informative way and also fun to read I did take some liberties with locations and timelines In doing so I tried to set the stage in many instances for the parables that Christ used in his teachings the characters that Christ called to his ministry the bond between him and John the Baptist and his friends Mary Martha and Lazarus and how Judas Iscariot targeted Christ s ministry to become a hanger on Some events and timelines are taken out of the Infancy Gospel attributed to Apostle Thomas Other events such as why John the Baptist his mother Elizabeth and his father Zechariah escaped the decree of Herod the Great to slaughter all the infants two years of age or younger in and around Bethlehem and Judea Both Jesus and John the Baptist were within six months of age This question was not answered in the books of Matthew Mark Luke and John In Cana at the wedding did Jesus tell his mother that his time had not come and then turn and change the water to wine In no way is this work authenticated by Bible scholars but is used strictly as a reference point in my narrative of Christ s early life that is not covered in the Scriptures I thank you and ask you to read this work with an open mind and heart and enjoy it as much as I have enjoyed writing and trying in my own humble way to answer some questions that have plagued me since I started reading the Bible **The Hidden Years** John Oxenham,2021-01-26 *The Hidden*

Johnston,2001 This is a Wordsworth we have never quite seen before Hermione Lee The New York Times The Hidden Light Jennifer Moorcroft,2013-11-05 Saint Dominic has been described by one of his biographers Guy Bedouelle OP as hidden in the light Unlike most other founders of religious orders he says we have only three brief letters and almost none of his words preserved we know nothing of Dominics life except what we can see through the eyes of his followers or his friends The fact that our access to St Dominic is so indirect reveals his discretion and in a sense his detachment from himself This detachment in turn is an eloquent statement of the place he wished to hold within the Church **The Quest for the Fictional Jesus** Margaret E Ramey,2017-03-31 For almost two millennia Jesus story has been retold in various forms and

fashions but in the last century a new way of reimagining the man from Galilee has sprung up in the form of novels about the life of Jesus. While the novels themselves are as varied as their authors, this work aims to introduce readers to some common literary strategies and theological agendas found in this phenomenon by surveying a few prominent examples. It also explores the question of what happens when we examine the intertextual play between these reimaginings and their Gospel progenitors as we allow these contemporary novels to pose new questions to their ancient counterparts. An intriguing hermeneutical circle ensues as we embark on our quest for the fictional Jesus and accompany his incarnations as they lead us back to re-examine the canonical portraits of Jesus anew.

A stunning collection of art and story from Wendy and Richard Pini and others. The latest collection of the classic fantasy series by Wendy and Richard Pini continues the canonical adventures of the Wolfriders. With Cutter leading his warriors against the human warlord Grohmul Djun, his chief daughter Ember takes her tribesmates far away into unknown lands where she pits her skills and courage against new threats and unexpected revelations.

A Hidden Child in Greece Yolanda Avram Willis, 2017-05-01. Your story deserves to be widely heard. Elie Wiesel, Nobel Prize-winning author and Holocaust survivor. Six-year-old Yolanda Avram is rescued by righteous strangers during the Holocaust in Greece. This is her story of courage and survival in the context of dozens of other rescues and shows Jews saving themselves and others in audacious and often heroic ways. Her story is uplifting and focuses on those flickers of light in the vast darkness of evil known in Greece as the Persecution. This little-known saga of the common folk outwitting the Third Reich is a powerful and important story told simply and movingly in cinematic episodes. The book is incandescent with empathy and gratitude. What a powerful and moving story it is. Sir Martin Gilbert, official biographer of Winston Churchill, knighted by Queen Elizabeth II and author of eighty-eight historical books. *A Hidden Child in Greece* is a monumental story that documents her family's miraculous survival in a unique and moving way. It gives life to the principle of human dignity and courage as a universal precept. This book is a true light unto the nations. Yaffa Eliach, author and creator of the first university-level Holocaust curriculum and the Tower of Life, a 1,500-photograph permanent display at the US Holocaust Memorial Museum in Washington, DC. Willis is Anne Frank if Anne Frank had lived. Diana Hume George, author and educator. For me, the heart of this book is the family story; the real power lays in the intimate story you are able to describe very simply and movingly. Mark Mazower, director, modern European history, Columbia University.
