**The WillPower Advantage** Tom Peterson,Ryan Hanning, Ph.D ,2020

Christians as well as all men and women are called to holiness and happiness but everyone struggles to take the practical steps necessary to overcome the vices that rob us of our peace and steal our joy The WillPower Advantage shows that we need to renew our minds with the truth about ourselves in order to develop the good habits we need to handle the challenges we face We are not called to be passive we are called to use our will and our strength to receive God s grace and transform the world beginning with ourselves The WillPower Advantage helps people to build the virtues they need by providing practical wisdom from ancient and contemporary sources The book includes a Spiritual Audit which identifies a person s temperament along with its strengths and weaknesses The virtues each temperament needs to work on are then presented systematically with practical tips for strengthening them *Seeing God Through The Science Window* Jim

Krupka,2024-07-29 This book is for ordinary people working to understand life and seek truth Wondering in search of truth is not lazy doubt Seeking truth is a moral must The book provides food for thought leading readers to discoveries in science and faith Science increasingly shows how incredible God s work in Creation is New discoveries give us a true experience of infinity From what we learn through science faith grows The book begins with a fresh look at the creation of the Universe considering Scripture and science The two are more alike than many think The reader will discover new wonders about the creation of humanity and what it means to be human in God s eternal plan The book explores recent scientific discoveries in a faith context opening a new window to understanding the magnificence of our existence Throughout this book you will read of God s hand working in the world around us Jim Krupka demonstrates the wonder of God visible in Einstein s findings like the connection of mass and energy and the expanse of time and space We get a new look at mysteries of faith enlightened by science With an inquiring mind scientific findings add to our understanding of mysteries like what God is really like or where and what is Heaven How does God hear a billion prayers at once What are miracles With this look through the science window you will be inspired to take a new leap of faith

**Summa Theologica, Part I-II (Pars Prima Secundae)** Saint

Aquinas Thomas,2023-08-22 In Summa Theologica Part I II Pars Prima Secundae Saint Thomas Aquinas embarks on a systematic and comprehensive exploration of moral theology addressing the essential questions of human existence and the nature of virtue Written in a dialectical style Aquinas employs the scholastic method presenting opposing views before articulating a nuanced resolution This part of the foundational work delves into the essence of humanity the principles of ethical behavior and the role of divine law making it seminal for understanding Christian moral philosophy within medieval scholastic thought Saint Thomas Aquinas a towering figure of the Christian intellectual tradition was profoundly influenced by the Aristotelian philosophy and the theological currents of his time Living in the 13th century his experiences in a rapidly changing Europe marked by theological debates and the encounter with Islamic philosophy profoundly shaped his works His synthesis of faith and reason not only forged a path for future philosophers and theologians but also reflected his deep

commitment to elucidating divine truth in an accessible manner *Summa Theologica* Part I II is an essential read for anyone seeking to deepen their understanding of ethics moral philosophy and the interplay of reason and faith Its rigorous analysis and robust theological insights make it a vital resource for scholars and lay readers alike challenging us to consider the moral implications of our actions in a complex world

**A Mountain of Evidence** Pastor Randy French, 2020-09-01 Wouldn't you like to know today the standard by which you will be judged in eternity tomorrow That is exactly what Jesus does in the greatest sermon ever told The

Sermon on the Mount Jesus said For I tell you that unless your righteousness surpasses that of the Pharisees and the teachers of the law you will certainly not enter the kingdom of heaven Mt 5 20 This opener provides the basis for His sermon which spans three chapters in Matthew In it Jesus provides for us a comparison between two kingdoms the kingdom of heaven and the kingdom of self In His sermon Jesus gives us all insight into what a true Christian looks like acts like sounds like and even thinks like The Pharisees were known for their strict adherence to the law and their traditions Jesus makes it clear to them and to us in this sermon that adherence to the law will not count for eternity Only by clothing oneself in Christ s righteousness can one hope for eternal life The world and even the Church at times attempts to redefine a Christian in a way that cheapens Christianity to make it more palatable and pleasing to the un believer Pastor and Martyr Dietrich Bonhoeffer called this cheap grace But the true Christian will not be measured by the world s or even the church s standards Each and every person will stand before a righteous Judge and be made to give an account for his or her life according to God s Word This book is a line by line explanation of Christ s expectations for every person who professes to be saved by the blood of Jesus Christ In essence it is a manual to help us all to understand what it means to be a Christian **Aquinas, Natural Law, and Social Ontology** Ana Marta González, 2025-07-22 This volume explores the connections between Thomas Aquinas doctrine of natural law and contemporary social thought It aims to make explicit the basic notions of Thomas Aquinas social ontology and to show how key concepts from sociology economics and political science relate to his ethics and social thought Social ontology is a growing area of contemporary social theory Scholars in this area reflect on the ontological status of society and the various realities that make up the social realm However Aquinas scholars rarely use the term social ontology instead resorting to his natural law to examine social life This volume argues that the social thought of Thomas Aquinas including his natural law theory implies a social ontology Aquinas adopts a clear position on the ontological uniqueness of human beings the intentional structure of human action and the existence of informal social relations and institutional realities that shape human society This volume shows how these views can be reconstructed into a coherent social ontology Its chapters are divided into five thematic parts Part 1 offers conceptual elements to bridge the gap between Aquinas and contemporary social theory Part 2 considers the metaphysics and theology implicit in Aquinas social ontology Part 3 focuses on the way this ontology is at work in his account of the common good and his approach to natural law Part 4 expands this reflection to economics Finally Part 5 addresses legal and political issues such as political polarization family law and the ethics of war Aquinas Natural Law and Social Ontology will appeal to scholars and graduate students interested in the thought of Thomas Aquinas social and political philosophy contemporary social theory Catholic theology and the social sciences *The Lookout for Christ and the Church* ,1903 *Bible Society Record* ,1939
