## **The Half Gods:**

*The Demi-Gods* James Stephens, 2023-05-24T23:39:03Z Patsy Mac Cann spends his days wandering rural Ireland with his daughter Mary Mac Cann and their donkey They set up camp for the night and are surprised by the appearance of three demi gods The demi gods strangers to humanity and in need of guidance decide to follow the Mac Canns The group begins their adventure on the winding Irish roads encountering locals each with their own story to tell In *The Demi Gods* James Stephen takes us on a journey of storytelling weaving in otherworldly and everyday stories about love harmony and materialism Several of his stories draw inspiration from Irish folklore and mythology The novel was published in 1914 following the 1912 release of Stephen s most commercially successful work *The Crock of Gold* This book is part of the Standard Ebooks project which produces free public domain ebooks

**The Demi-gods** James Stephens, 2019-12-09 In *The Demi gods* James Stephens crafts a rich tapestry of Irish mythology infused with modern sensibilities creating a narrative that is both epic and intimate The novel intricately weaves together ancient legends and folklore presenting the struggles and triumphs of demi god figures in a liminal space that blurs the line between the divine and the human Stephens employs a lyrical and evocative prose style full of vivid imagery and distinct characterizations capturing the essence of a time when myth and reality were deeply intertwined The book reflects the early 20th century revival of interest in Irish culture positioning itself within the broader context of literary modernism while challenging conventional narratives about divinity and humanity James Stephens born in Dublin in 1880 was deeply influenced by the rich traditions of Irish storytelling and the cultural renaissance of his time As a writer he sought to reclaim and reinterpret the folklore of his homeland showcasing the complexity of its characters and themes His personal experiences including his involvement in the Irish nationalist movement and his fascination with the arts provided a fertile ground for the imaginative landscape depicted in this work Readers seeking a profound exploration of mythological themes intertwined with human experiences will find *The Demi gods* an enriching text Its powerful storytelling and layered characters resonate beyond the pages inviting reflection on the nature of divinity identity and the human condition This novel is not only a compelling read but also a significant contribution to the canon of Irish literature making it a must read for enthusiasts of myth and modern storytelling
