The Hero as Prophet. Mahomet Thomas Carlyle, 1882 Positive Psychology Across the Lifespan Piers Worth, 2022-02-22 Positive Psychology Across the Life Span provides an insight into how we are affected by the different stages of adult development and gives us the opportunity to change through choice rather than leaving change to chance The science of positive psychology offers a wealth of research and evidence based interventions and shares insights into which habits and behaviours contribute to how to live a flourishing life This book aims to extend that knowledge by introducing and incorporating key aspects of existential and humanistic psychology and explores positive psychology with a lifespan perspective It goes beyond theory to look at practical application with insightful reflective questions Whilst acknowledging the differences and disagreements between some of the key figures in the subject areas of the book it seeks to highlight the areas where there is agreement and congruence which have been previously overlooked or ignored The book will be essential reading for students and practitioners of positive psychology as well as other mental health professionals *The Hero and Hero-Making Across Genres* Amar Singh, Shipra Tholia, Pravin K Patel, 2021-09-30 This book critically examines how a Hero is made sustained and even deformed in contemporary cultures It brings together diverse ideas from philosophy mythology religion literature cinema and social media to explore how heroes are constructed across genres mediums and traditions The essays in this volume present fresh perspectives for readers to conceptualize the myriad possibilities the term Hero brings with itself They examine the making and unmaking of the heroes across literary visual and social cultures in religious spaces and in classical texts in folk tales and fairy tales in literature as seen in Heinrich Böll's Und Sagte Kein Einziges Wort Thomas Bruns's Heroes like Us and in movies like Christopher Nolan's Interstellar Michel Gondry's Eternal Sunshine of the Spotless Mind and in the short film like Dean Potter's When Dogs Fly The volume also features nuanced takes on intersectional feminist representations in hero movies masculinity in sports biopics taking everyday heroes from the real to the reel among others key themes A stimulating work that explores the mechanisms that manufacture heroes this book will be useful for scholars and researchers of English literature postcolonial studies cultural studies film studies media studies literary and critical theory arts and aesthetics political sociology and political philosophy Horror John Hamilton, 2009-01-01 This title gives children the tools they need to turn their creativity into readable cohesive stories Written by award winning author and screenwriter John Hamilton You Write It Lays out for kids the format organization and development of a horror book Novice writers of all ages will find this book a detailed yet easy to follow guide for turning thoughts and ideas into readable written works ABDO Daughters is an imprint of ABDO Publishing Company **History as the Story of Freedom** Clark Butler, 1997 The purpose of this book is to advance responsible rehabilitation of the speculative philosophy of history It challenges the idea popularized by thinkers such as and Claude Lévi-Strauss and Jean-François Lyotard that historical meta-mythology and meta-narrative are philosophically obsolete As long as humanity viewed anthropologically lives by overarching narrative the

quest for a version that survives rational criticism remains vital Here human rights serve as the key to unlock such a version Despite the fact that the Hegelian philosophy of history has often been derided something very similar currently functions as the official ideology of the world community the idea of history as the story of freedom This book does not retell the world historical story of freedom Rather it uncovers it beginning with the current age of human rights and working backward through the great role model civilizations of history Its conclusion is that a forward retelling of the story of freedom as the story of human rights can be justified by dewesternizing the story The book contains critical responses from specialized scholars and representative of selected world cultures The volume includes illustrations and a guest Afterword by Donald Phillip Verene It is a companion volume to the author's *Hegel's Logic Between History and Dialectic* North western University Press 1996 **The World's Progress** Delphian Society,1913 The Endless Text Edward Dudley,1997-10-02 Traces the history of chivalric fiction in Western Europe from the earliest Celtic tales to the conflict between romance and realism in Don Quixote Our World's Great Benefactors Samuel Adams Drake,1889 *The Mentor-world Traveler* ,1929
