IN SOCIAL THOUGHT

GEORGE JARVIS AND JOSEPH MAGUIRE

Sport And Leisure In Social Thought

Grant Jarvie, Joseph Maguire

Sport And Leisure In Social Thought:

Sport and Leisure in Social Thought Grant Jarvie, Joseph Maguire, 2002-09-11 This much needed book examines all of the major traditions of social thought to clearly show their influence in our understanding of sport and leisure **New**

Perspectives on Sport and 'deviance' Tony Blackshaw, Tim Crabbe, 2004 This book awakens the sociology of sport to the possibilities of re imagining deviance and offers an evocative approach which will appeal both to academics and students alike

Sport and Modern Social Theorists Richard Giulianotti, 2004-08-03 Sport and Modern Social Theorists is an innovative and exciting new collection The chapters are written by leading social analysts of sport from across the world and examine the contributions of major social theorists towards our critical understanding of modern sport Social theorists under critical examination include Marx Weber Durkheim Adorno Gramsci Habermas Merton C Wright Mills Goffman Giddens Elias Bourdieu and Foucault This book will appeal to students and scholars of sport studies cultural studies modern social theory and to social scientists generally

Understanding Sport John Horne, Alan Tomlinson, Garry Whannel, 2005-10-10 Bringing a cultural and social dimension to the study of sport this introductory guide will help students understand the context of sport and the place it has in the lives of individuals as well as in modern British society as a whole Theoretically rigorous yet accessible Understanding Sport includes up to date coverage of key socio cultural issues suggested further reading to expand students understanding of the topics introduced end of chapter essay topics and questions to help students consolidate their knowledge extensive reference lists and a thematic index to direct students and lecturers toward further research materials

Sport and Social Identities John Harris, Andrew Parker, 2017-09-16 Playing and watching sport can teach us a great deal about wider social issues This book looks at how identities are constructed and reinforced in sport exploring notions of race class sexuality and nationalism With contributions from international experts this book is key reading for students of sociology and sports studies

Handbook of Sports Studies Jay Coakley, Eric Dunning, 2000 An authoritative cast of international and inter disciplinary contributors present the best of current thinking in sports studies as the subject matures and develops academically

Sport, Culture and Society Grant Jarvie, 2006-04-18 This exciting accessible introduction to the field of Sports Studies is the most comprehensive guide yet to the relationships between sport culture and society Taking an international perspective Sport Culture and Society provides students with the insight they need to think critically about the nature of sport and includes a clear and comprehensive structure unrivalled coverage of the history culture media sociology politics and anthropology of sport coverage of core topics and emerging areas extensive original research and new case study material The book offers a full range of features to help guide students and lecturers including essay topics seminar questions key definitions extracts from primary sources extensive case studies and guides to further reading Sport Culture and Society represents both an important course resource for students of sport and also sets a new agenda for the social scientific study of sport

Making Sense of Sports Ellis Cashmore, 2002-01-04 Sports are more important than ever

socially economically and culturally As well as embodying cherished values and ideals sports now reflect many of the worries of wider society Drugs racism corruption and violence are all now major concerns and our experience of sport is increasingly subject to a gigantic industry made up of owners players sports goods manufacturers television networks and corporate sponsors In this newly expanded edition of *Making Sense of Sports* Cashmore addresses all these issues as well as the more basic questions about the history of sports its social context and possible future development Among the new editions other themes are the body how it works and why it is more cultural than natural why women continue to be devalued and depreciated by sports Nike globalization and the sports industry art and how it reflects changing conceptions of sports

Management of Sports Development Vassil Girginov, 2009-06-04 *Management of Sports Development* is the first book to offer a holistic approach to a field which has been growing in importance for some years Although many books exist on various aspects of development never before has there been a text which addresses the process of development in such a comprehensive manner This book offers everything needed to develop an understanding of the process of sports development The book provides comprehensive coverage of the major themes in the process of sports development with contributions from an internationally renowned author team These themes include models of sports development funding of sports development mega sporting events networks and partnerships in sports development sports development and social change It is also supplemented with a dedicated accompanying website featuring updates and extra material This accessible book is essential reading for students or lecturers in the field of sports development and is set to be a vital contribution to the literature in this area

Understanding Sports Culture Tony Schirato, 2007-09-27 In only 138 pages Schirato manages a broad sweep across sports history and culture he brings the eye of a critical fan to his analysis of sport treating it seriously as a social practice and as a social institution A useful provocative and non dogmatic text that should be useful to undergraduate and graduate sport studies programmes

Malcolm MacLean *Sport in History* *Understanding Sport Culture* traces and analyzes the development of the modern field of sport from its ancient and medieval precursors the festivals of Greece and Rome and games such as folk football through to its inception in the mid nineteenth century as a set of activities designed to instill character and discipline in students in exclusive British public schools up to its transformation into a global institution and popular spectacle The narrative also focuses on and provides a detailed account of the gradual coming together of sport and the media It explains how this relationship has accentuated sport's status as one of the most important sites in contemporary culture while simultaneously threatening its existence As part of the *Understanding Contemporary Culture* series this book is aimed at a broad range of students from undergraduate to graduate level who want to know more and be fully informed on sport its relationship to the media and its cultural dynamics

Routledge Handbook of the Sociology of Sport Richard Giulianotti, 2015-07-24 The sociology of sport is a core discipline within the academic study of sport It helps us to understand what sport is and why it matters Sociological knowledge implicit or explicit therefore

underpins scholarly enquiry into sport in every aspect The Routledge Handbook of the Sociology of Sport is a landmark publication that brings together the most important themes theories and issues within the sociology of sport tracing the contours of the discipline and surveying the state of the art Part One explores the main theories and analytical approaches that define contemporary sport sociology and introduces the most important methodological issues confronting researchers working in the social scientific study of sport Part Two examines the connections and divisions between sociology and cognate disciplines within sport studies including history anthropology economics leisure and tourism studies philosophy politics and psychology Part Three investigates how the most important social divisions within sport and in wider society are addressed in sport sociology including race gender class sexuality and disability Part Four explores a wide range of pressing contemporary issues associated with sport including sport and the body social problems associated with sport sport places and settings and the global aspects of sport Written by a team of leading international sport scholars including many of the most well known respected and innovative thinkers working in the discipline the Routledge Handbook of the Sociology of Sport is an essential reference for any student researcher or professional with an interest in sport

Reflections on Process Sociology and Sport Joseph Maguire, 2013-09-13 The book focuses on the distinctive contribution that Joseph Maguire has made to process sociology and the study of sport Maguire's work over the past three decades highlights how process sociology has a unique perspective on the relationship between sport culture and society and to the body globalisation and civilisational analysis Reflecting on this body of work and the use of process sociology Maguire captures the research dynamic of walking the line between involvement and detachment theory and observation and engagement and critique The book is structured around four broad sections Theory Sport and Society The Meaning of Sport Body and Society Case Studies in Sport and Process Sociology Globalisation Sport and Civilisational Analysis Providing an introduction to and key examples of a process sociology approach to the study of sport the body civilising processes and globalisation this book will appeal to undergraduates postgraduates and researchers in sport studies sports science degrees sociology cultural studies and to those studying migration globalisation and cross cultural civilisation relations This book was previously published as a Special Issue of Sport in Society

Australian Sport Kristine Toohey, Tracy Taylor, 2013-10-18 Australia is only a small player in the world's political and economic landscapes yet for many decades it has been considered to be a global powerhouse in terms of its sporting successes In conjunction with this notion the nation has long been portrayed as having a preoccupation with sport This labelling has been seen as both a blessing and a curse Those who value a Bourdieuan view of culture bemoan sport's centrality to the national imagination and the consequent lack of media coverage funding and prestige accorded to the arts Other scholars question whether the popular stereotype of the Australian sports person is in fact a myth and that instead Australians are predominantly passive sport consumers rather than active sport participants Australian sport through its successes on the field of play and in advancing sport coaching and management has undergone a

revolution as both an enabler of global processes and as subject to its influences economic political migratory etc This book will examine the shifting place of Australian sports in current global and local environs from the perspective of spectators players and administrators This book was previously published as a special issue of Sport in Society

Key Concepts in Sports Studies Stephen Wagg,Belinda Wheaton,Carlton Brick,Jayne Caudwell,2009-09-14 Written by experienced academics used to teaching the subject this book will help students and researchers find their way within the diverse field of sport studies Clear well researched entries explain the key concepts in the debates surrounding the social significance and social dynamics of sport Each entry provides Clear Definitions Relevant Examples Up to date Suggestions for Further Reading Informative Cross Referencing Valuable in its parts and indispensable as a whole this book will provide a stimulating practical guide to the relationship between sport and society Stephen Wagg is Professor of Sport and Society at Leeds Metropolitan University Carlton Brick lectures in the School of Sciences at the University of the West of Scotland in Paisley Belinda Wheaton is a Senior Research Fellow in the Chelsea School University of Brighton Jayne Caudwell is a Senior Lecturer in the Chelsea School University of Brighton

Sport Sociology Peter Craig,2016-05-16 Any study of sport is incomplete without consideration of its social function and structures its economic impacts both locally and globally and its political dimension particularly when used by nations for competitive gain Sport Sociology provides a comprehensive overview for any student taking a course on the subject at college or university including both established and emergent themes from issues around power diversity and consumerism through to newer topics such as the digital environment and climate change both now covered in new individual chapters Other chapters have been fully revised to include up to date literature and case studies as well as new key terms and reflective tasks A new Key Thinker box feature included in each chapter introduces readers to an esteemed theorist relevant for the chapter topic to help link theoretical concepts to practice and offer up suggestive research directions for student assessment

Routledge Handbook of Sport Policy Ian Henry,Ling-Mei Ko,2013-07-24 It is difficult to fully understand the role that sport plays in contemporary global society without understanding how and why governments NGOs and other organizations formulate and implement policy relating to sport The Routledge Handbook of Sport Policy is the only book to offer a comprehensive overview of current perspectives techniques and approaches to the analysis of sport policy around the world The book introduces a diverse range of approaches to policy analysis across the full range of political and societal contexts including developed and developing economies state centric mixed economy and market led systems and both liberal democracies and political systems characterized by a dominant elite It is arranged into five sections addressing the key topics and themes in the analysis of contemporary sport policy including theory and its implications for methodology globalization governance partnerships and networks elite sport policy development sport and joint policy agendas sport policy and social theory With contributions from leading policy analysts around the world including Europe North America the Middle East and Asia this book is important

reading for any student researcher or professional working in sport management sport development sport and society or mainstream public policy policy analysis or social policy

Women's Cricket and Global Processes Philippa

Velija, 2015-06-13 How can the diffusion and development of women's cricket as a global sport be explained Women's Cricket and Global Processes considers the emergence and growth of women's cricket around the world and seeks to provide a sociological explanation for how and why the women's game has developed the way it has

The Global Sports Arena

John Bale, Joseph Maguire, 2013-11-05 Athletes are on the move In some sports this involves labour movement from one country to another within or between continents In other sports athletes assume an almost nomadic migratory lifestyle constantly on the move from one sport festival to another In addition it appears that sport migration is gaining momentum and that it is closely interwoven with the broader process of global sport development taking place in the late twentieth century

Routledge Handbook of Leisure Studies Tony Blackshaw, 2020-07-26 This landmark publication brings together some of the most perceptive commentators of the present moment to explore core ideas and cutting edge developments in the field of Leisure Studies It offers important new insights into the dynamics of the transformation of leisure in contemporary societies tracing the emergent issues at stake in the discipline and examining Leisure Studies fundamental connections with cognate disciplines such as Sociology Cultural Studies History Sport Studies and Tourism This book contains original work from key scholars across the globe including those working outside the Leisure Studies mainstream It showcases the state of the art of contemporary Leisure Studies covering key topics and key thinkers from the psychology of leisure to leisure policy from Bourdieu to Baudrillard and suggests that leisure in the 21st century should be understood as centring on a new Big Seven holidays drink drugs sex gambling TV and shopping No other book has gone as far in redefining the identity of the discipline of Leisure Studies or in suggesting how the substantive ideas of Leisure Studies need to be rethought The Routledge Handbook of Leisure Studies should therefore be the intellectual guide of first choice for all scholars academics researchers and students working in this subject area

Sport and Society Barrie

Houlihan, 2007-12-20 Praise for the First Edition Barrie Houlihan's astonishingly ambitious and skilfully assembled collection examines the relations between sport social policy and the social context that underlies the two Organized around such themes as exclusion commercialism and international comparisons the book allows the reader to understand not only the centrality of sport to contemporary society but the often perplexing policies that contrive to encourage or deny participation promote or deter public sector involvement and support or undermine physical education Importantly Houlihan never prioritises the general over the particular always striving to find detail amid the bigger picture Ellis Cashmore Professor of Culture Media and Sport Staffordshire University The most comprehensive study of contemporary issues in sport by leading international scholars Houlihan's book is the answer to sports students prayers full of information statistics tables and figures extensive guides to further reading and most important of all challenging ideas A weighty vademecum for the early

21st century Jim Riordan Honorary Professor of Sports Studies University of Stirling Professor Emeritus at University of Surrey and President of the European Sports History Association Fully updated and revised the Second Edition of Barrie Houlihan's ground breaking book provides students and lecturers with a one stop text that is comprehensive multi disciplinary accessible international and engaging Sport and Society allows students to Approach the study of sport from a multi disciplinary perspective Understand the importance of social structure power and inequality in analyzing the nature and significance of sport in society Address the rapid commercialization and regulation of sport Engage in comparative analysis to understand problems clearly and produce sound solutions Expand their knowledge through chapter summaries guides to further reading and extensive bibliographies This Second Edition contains five brand new chapters which reflect recent concerns with young athletes and human rights sport and the city sport and violence sport and health and sport and Islam A superb teaching text it will be relished by lecturers seeking an authoritative introduction to sport and society and students who want a relevant enriching text for their learning and research needs
