Sport Tourism Development

James Higham, Tom Hinch

Sport Tourism Development:

Sport Tourism Development Tom Hinch, James Higham, 2011-08-22 The second edition provides an incisive comprehensive examination of sport tourism exploring the scope and diversity of the linkages between sport and tourism and focusing on their manifestations in time and space In presenting a critical discussion of theoretical and applied issues in sport tourism the authors synthesize a wide range of literature into insightful perspectives of key dimensions of sport tourism development using focus points in each chapter to illustrate real world manifestations of the concepts and issues being discussed with additional support provided by international case studies Continued growth in the demand for sport tourism experiences has heightened the need for advanced in depth and critical insights that are theoretically informed This incisive book has been written to address that need and to stimulate the curiosity of students educators and practitioners alike

Sport Tourism Development Thomas Hinch, James E. S. Higham, 2004 In setting the foundation for this book the unique qualities of sport as a tourist attraction are presented and discussed theoretically It then addresses in six chapters central themes of sport tourism development

Sport Tourism and Local Sustainable Development Claude Sobry, Sorina Cernaianu, 2022-02-08 Sport tourism is now widely regarded as a tool for sustainable local development This book brings together 24 authors from a range of countries to address this topic with analyses ranging from particular types of events to more theoretical approaches concerning the role of sport tourism in the development of Spanish cities or the digital communication of sporting events in Italy as a means of promotion The book is geared towards academic researchers and students interested in sport tourism sport economics management and sustainable development as well as policymakers and professionals tasked with dynamic tools to promote their territory

Sport Tourism Brent W. Ritchie, Daryl Adair, 2004-07-26 This book examines the economic social and environmental impacts and issues associated with the development of sport tourism globally including the lack of research and coordination between industry and government The book suggests the need for a more balanced analysis of the impacts and issues associated with future sport tourism development

Sport and Tourism James Higham, Tom Hinch, 2010-05-04 Sport and Tourism Globalization Mobility and Identity marks a new era in sport tourism texts Written by global experts whose previous collaborations have been integral to the development of the field the book applies key social science concepts and issues relevant to the academic study of sport and tourism This is a ground breaking text which Critically explores the wider manifestations of sport related tourism and mobility Addresses key themes such as globalization mobility and identity Explores the unique interrelationship that exists in a sport tourism context between activity people and place Includes case studies written by a range of leading scholars from around the world Set to be the an essential text for any student or academic in the field this book cements and advances previous studies by building upon existing literature while extending the field by exploring avenues of study that are yet to be comprehensively addressed The latest collaboration by internationally renowned authors applies new theoretical

perspectives for the advancement of sport tourism

Sport Tourism Development Maria Rellie B. Kalacas,2021-12

Tourism is an important sector for economic development in a country With a year ahead full of important sporting events we look at how sports tourism has grown in importance from niche market to multi billion dollar business Sport and tourism each contribute a great deal to the global economy and have become an element in the armoury of politicians planners and economists seeking to regenerate local economies The trend to increase sport touristic experiences and to provide them in faraway often very different cultures simply increases the importance of addressing both the potential positive and the negative sociocultural impacts of sport tourism This book critically explores sport related tourism drawing on the fields of sport management sports marketing economic sports geography and tourism studies

Aspects Of Tourism: Sport Tourism Development Thomas Hinch,2006-01-01

Sports Tourism Mike Weed,Chris Bull,2009 Sports Tourism Participants Policy

and Providers is an unparalleled text that explains sports tourism as a social economic and cultural phenomenon that stems from the unique interaction of activity people and place Unlike other texts it establishes sports tourism as a unique area that produces its own unique issues concerns and controversies Extensively revised with cutting edge new material based on the latest research in the field this edition uses recent international case studies to illustrate how theory is used in practice The text tackles the complex and distinctive issues this sector faces from three viewpoints participants examining the profiles motivations and behaviour patterns of sports tourists to create a participation model policy analyzes the response by policy makers to this phenomenon and the problems of achieving integration between two sectors with historically different cultures providers their motivations aims objectives and strategies Now in its second edition this book is an essential resource for those studying teaching or working in sports tourism

Sport Tourism Development James Higham,Tom Hinch,2018-04-23 This book critically explores sport related tourism drawing on the fields of sport management the sociology of sport consumer behaviour sports marketing economic urban and sports geography and tourism studies It presents multidisciplinary perspectives of sport tourism as structured by the geographical concepts of space place and environment The volume offers a comprehensive update of the discussions presented in the two previous editions recognising the significant growth in sub elite participation sports and addresses spectator based sport events participation based sport events active sport and sport heritage activities It aims to advance theoretical thinking on the subject of sport tourism development and critical thinking on the interplay of local and global forces in sport and tourism development It continues to be an important text for students and researchers in tourism studies human geography sports geography sociology of sport sports management sports marketing and history of sport

Sport Tourism Development Thomas Hinch,James E. S.

Higham,2004 Rapid growth in demand for sport and tourism experiences in recent decades has heightened the need for advanced in depth and critical insights into sport tourism that are theoretically informed Sport Tourism Development achieves these insights in a manner that is intended to serve the needs of students educators and industry practitioners

across a wide range of fields **BOOK JACKET** **Small Scale Sport Tourism Events and Local Sustainable Development**

Ricardo Melo, Claude Sobry, Derek Van Rheenen, 2021-04-10 This book outlines the impacts of small scale sport tourism events on local sustainable development in different countries Using half marathons organized in small and medium sized cities as an example the chapters are robust case studies applying a unified methodology in order to provide a clear overview of the sport tourism system in each country The book begins with a description of the methodologies used and an overview of the countries studied The country chapters focus on several dimensions of sport tourism in each city including but not limited to the history of past sport tourism events in the municipality the characteristics of the city hosting the event the demographic profile of participants in the event and the quantifiable economic environmental and sociocultural impacts of the event Each chapter concludes with analysis and policy recommendations for holding future events that contribute to local sustainable development The book concludes by summarizing and comparing the main results across different countries and presenting main conclusions and overarching recommendations Written by international experts in sports tourism this book is geared towards academic researchers and students interested in sport tourism sports economics management and sustainable development as well as policy makers and professionals tasked with bringing such events to their cities **Sport**

Tourism Destinations James Higham, 2007-03-30 Few forces in contemporary society influence the fortunes of tourism destinations more immediately than sport From football fans to kayaking Sports Tourism Destinations issues opportunities and analysis examines the planning development and management of sport tourism destinations With contributions from international experts this book looks at the dramatic effects sports tourism has on the economy and future of tourism destinations Divided into four parts the book systematically covers Sports tourism destination analysis applies principles of destination resource analysis to the study of sport tourism destinations Destination planning and development illustrates the mutually beneficial links between sport tourism and destination planning Destination marketing and management explores theoretical and applied aspects of sport tourism destination marketing and management Sport tourism impacts and environments identifies and discusses critical issues of sustainable development at sport tourism destinations Practical case studies in each chapter illustrate and highlight the links between sport tourism theory and practice making this book a vital resource for lecturers and students alike *Sport Tourism Development* Maria Rellie B. Kalacas (author), 1901

International Perspectives in Sport Tourism Management Miklos Banhidi, Farhad Moghimehfar, 2024-08-12 This timely book critically explores the past present and future trends and needs of sport tourism development from a global perspective Sports have become a major demand generator for many countries around the world and consequently the growth and status of this phenomenon is a major aspect of sport tourism The volume includes case studies from all over the world including industrializing countries and the Global South Sporting events and sport tourism are two fast growing sectors of tourism and this book provides a current view of the interconnectedness of sport and tourism from behavioral historical economic

management marketing environmental and policy perspectives In doing so issues trends and topics such as commercial e sport emotional well being health and cultural aspects of sports travelers are explored in detail This significant and insightful volume will be of pivotal interest to academics students and professionals in the field of sport tourism as well as related areas such as development studies psychology sociology and geography

Sport Tourism and Sustainable Destinations

Brent D. Moyle,Tom Hinch,James Higham,2018-12-07 Destinations include the places landscapes and communities where sport tourism development takes place Whether sport tourism development takes the form of sport events active participation in sport and or sports nostalgia heritage it draws on local resources forms part of the complex dynamic of daily life As such sports tourism has implications for residents with destination communities in a position to benefit from or absorb the costs of the extent to which development is sustainable Subsequently this book features contributions that focus on sport tourism and destination sustainability Issues covered include though are not limited to destination management surf localism the production of space event sustainability in national parks utilisation of sport heritage for destination promotion enhancing the attractiveness of destinations through sport tourism destination development and sport tourism utilising sport to motivate travel to destinations and environmentally responsible behaviour in sports tourism destinations The unique contribution of this edited volume is the multi disciplinary approach applied to enhance conceptual understanding of issues surrounding sport tourism and destination sustainability The chapters originally published as a special issue in the Journal of Sport Tourism

Sport Tourism and Its Territorial Development and Opportunities

Barbara Mazza,Claude Sobry,2022-09-21 The book explores the theme of active sports tourism which includes extreme sports those in contact with nature and the so called slow adventure It shows that it is a rapidly developing sector because it is less expensive than other tourism segments produces more economic impact for the host territory and is more attentive to respect for the environment The book provides a complete picture of the phenomenon at an international level investigating its territorial development the profile of sports tourists the role of communication and host branding the contamination between sports tourism and other forms of tourism and the prospects for future development of this sector

Sport Tourism Development Introduction

In the digital age, access to information has become easier than ever before. The ability to download Sport Tourism Development has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Sport Tourism Development has opened up a world of possibilities. Downloading Sport Tourism Development provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Sport Tourism Development has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Sport Tourism Development. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Sport Tourism Development. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Sport Tourism Development, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Sport Tourism

Development has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Sport Tourism Development Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience.
