Criminology Nic Groombridge,2016-06-28 This is the first book to provide a critical criminological perspective on sport and the connections between sport and crime It draws on the inter disciplinary nature of criminology and incorporates emerging

perspectives like social harm gender and sexuality and green criminology Written from an international perspective it covers topics including sports scandals and the possibility of crime prevention through sport American football boxing soccer and sumo are all examined The book considers both sports law and the sociology of sport and will be essential reading for students and academics in these fields *Sociology* Robert Van Krieken,Daphne Habibis,Philip Smith,Brett Hutchins,Greg Martin,Karl Maton,2013-09-12 Building upon the success of previous editions this fully revised edition of *Sociology* lays the foundations for understanding sociology in Australia The depth and breadth of the book ensures its value not only for first year students but for sociology majors requiring on going reference to a range of theoretical perspectives and current debates This fifth Australian edition continues to build on the book s reputation for coverage clarity and content drawing upon the work of leading Australian sociologists as well as engaging with global social trends and sociological developments

Handbook of Sports Studies Jay Coakley,Eric Dunning,2000-08-29 Now available in paperback this vital handbook marks the development of sports studies as a major new discipline within the social sciences Edited by the leading sociologist of sport Eric Dunning and Jay Coakley author of the best selling textbook on sport in the USA it both reflects and richly endorses this new found status Key aspects of the Handbook include an inventory of the principal achievements in the field a guide to the chief conflicts and difficulties in the theory and research process a rallying point for researchers who are established or new to the field which sets the agenda for future developments a resource book for teachers who wish to establish new curricula and develop courses and programmes in the area of sports studies With an international and interdisciplinary team of contributors the Handbook of Sports Studies is comprehensive in scope relevant in content and far reaching in its discussion of future prospect **Sport and Sociology** Dominic Malcolm,2012-03-15 Offering a state of the art review of the sociology of sport and investigating those areas where sport has come to influence the sociological mainstream this book examines how sociology has impacted upon the consciousness of sports fans administrators and even politicians As the first book to provide a history of the sociology of sport and to clearly locate the contemporary discipline in the wider currents of sociological discourse Sport and Sociology is important reading for all students and scholars interested in the relationship between sport and society whether they are working in sport studies or in the sociological mainstream

Sport In Consumer Culture John Horne,2017-09-16 This book offers a distinctive introduction to understanding the position of sport in consumer society Drawing on recent developments in sociological theory and research particularly in relation to debates about culture and consumption the book examines how sport as both recreational practice and commercial spectacle has become more central to the capitalist economies of signs and space Containing up to date research findings and identifying key issues in the study and politics of sport in consumer culture this is essential reading for all students seeking to broaden their understanding of sport in society *Sports and Society in the Middle East* Nicholas S. Hopkins,2016-05-13 The sociology of sports in the Middle East has been neglected compared to other world regions This

volume aspires to encourage a greater focus on this topic Here are assembled papers that discuss various aspects of this subject As it happens all deal with football soccer largely in Egypt but including other Middle Eastern countries Some are historically or politically oriented while others take a more sociological approach Papers deal with the relation between organized sports and fans with the special place of youngsters and women in sports or with the role of sports in a more general understanding of culture and society as indicators of modernization and other facets of social change Sportive competitions arouse keen passions around such issues as gender class and nationality while they raise questions about leadership on and off the field and about the economic impact of the games The topic needs more research *Routledge Handbook of Youth Sport* Ken Green, Andy Smith, 2016-01-08 The Routledge Handbook of Youth Sport is a comprehensive survey of the latest research into young people s involvement in sport Drawing on a wide diversity of disciplines including sociology psychology policy studies coaching physical education and physiology the book examines the importance of sport during a key transitional period of our lives from the later teenage years into the early twenties and therefore helps us develop a better understanding of the social construction of young people s lives The book covers youth sport in all its forms from competitive game contests and conventional sport to recreational activities exercise and lifestyle sport and at all levels from elite competition to leisure time activities and school physical education It explores youth sport across the world in developing and developed countries and touches on some of the most significant themes and issues in contemporary sport studies including physical activity and health lifelong participation talent identification and development and safeguarding and abuse No other book brings together in one place such a breadth and depth of material on youth sport or the engagement of young people in physical activity The Routledge Handbook of Youth Sport is therefore important reading for all advanced students researchers practitioners and policy makers with an interest in youth sport youth culture sport studies or physical education **Sport, Culture and Society** Grant Jarvie, 2013-06-19 It is impossible to fully understand contemporary society and culture without acknowledging the place of sport Sport is part of our social and cultural fabric possessing a social and commercial power that makes it a potent force in the world for good and for bad Sport has helped to start wars and promote international reconciliation while every government around the world commits public resources to sport because of its perceived benefits From the bleachers to the boardroom sport matters Now available in a fully revised and updated new edition this exciting comprehensive and accessible textbook introduces the study of sport culture and society International in scope the book explores the key social theories that shape our understanding of sport as a social phenomenon and critically examines many of the assumptions that underpin that understanding Placing sport at the very heart of the analysis and including vibrant sporting examples throughout the book introduces the student to every core topic and emerging area in the study of sport and society including the history and politics of sport sport and globalization sport and the media sport violence and crime sport the body and health sport and the environment alternative sports and lifestyles

sporting mega events sport and development Each chapter includes a wealth of useful features to assist the student including chapter summaries highlighted definitions of key terms practical projects revision questions boxed case studies and biographies and guides to further reading with additional teaching and learning resources available on a companion website Sport Culture and Society is the most broad ranging and thoughtful introduction to the socio cultural analysis of sport currently available and sets a new agenda for the discipline It is essential reading for all students with an interest in sport Visit the companion website at www.routledge.com/cw/jarvie Sport and International Development Roger

Levermore, Aaron Beacom, 2008-11-27 Investigating the capacity of sport to act both as a conduit for traditional development assistance activities and as an agent for change in its own right this book argues that sport can contribute to the development process particularly where traditional development approaches have difficulty in engaging with communities

Australian Sport Kristine Toohey, Tracy Taylor, 2013-10-18 Australia is only a small player in the world's political and economic landscapes yet for many decades it has been considered to be a global powerhouse in terms of its sporting successes In conjunction with this notion the nation has long been portrayed as having a preoccupation with sport This labelling has been seen as both a blessing and a curse Those who value a Bourdieuan view of culture bemoan sport's centrality to the national imagination and the consequent lack of media coverage funding and prestige accorded to the arts Other scholars question whether the popular stereotype of the Australian sportsman is in fact a myth and that instead Australians are predominantly passive sport consumers rather than active sport participants Australian sport through its successes on the field of play and in advancing sport coaching and management has undergone a revolution as both an enabler of global processes and as subject to its influences economic political migratory etc This book will examine the shifting place of Australian sports in current global and local environs from the perspective of spectators players and administrators This book was previously published as a special issue of Sport in Society **Sociology of Sport and Social Theory** Earl Smith, 2010 Sociology of Sport and Social Theory presents current research perspectives from major sport scholars and leading sociologists regarding issues germane to the sociology of sport while addressing traditional and contemporary sociological theories
