Richard O. Davies, Richard G. Abram, 2001 A study of gambling particularly sports gambling and how it has thrived in American culture According to Davies and Abram the culture of betting results from two complementary influences in American society risk taking and speculation This is the first effort by academic writers to describe and interpret the history of sports wagering in the United States Although many books have been written about 3how to bet and win 4 Betting the Line presents a serious history of this popular activity in Colonial and Civil War eras to today from early betting on horse racing and baseball to the modern venues of basketball and football By considering topics as diverse as the business of a bookie the expansion of legalized gambling and the increase in popularity of televised sports the authors offer readers an insightful look into a practice that has become commonplace in American popular culture In a mere seventy years the number of states where gambling is legal jumped from one to forty eight Yet Nevada remains the only state where sports betting is legal This book challenges many long standing myths and stereotypes that revolve around the enterprise arguing that sports gambling is reflective of the American free enterprise culture *Basics of Winning Sports Betting* J. Edward Allen, This excellent primer on winning at sports betting is packed with crucial information to make you a knowledgeable winner You ll learn how to bet and win at the major sports football baseball basketball and boxing This fact filled book includes how to read the lines how the lines are made the odds faced at the different sports how the over under teasers and parlays work how to beat the bookies and much more on winning at sports betting In just one easy reading You ll be primed and ready to take on the bookies 64 pages **You Can Bet On It , You Can Bet On It** Larry Grossman, In this completely revised edition Larry Grossman brings together the best advice from the top professionals in sports betting the men who actually set the betting lines Players will learn how to bet and win at the major sports football baseball basketball and prize fight betting This easy to read and fact filled book contains a wealth of information about how to read the lines how the lines are made the odds faced at the different sports handicapping common mistakes and other essentials and it features winning advice from the greatest pros in sports betting today *Sports Betting* Jerry L. Patterson, John D. Painter, 1985 *Beat the Sports Books* Dan Gordon, 2013-09-25 Dan Gordon who is widely regarded as one of the three best football handicappers in the world shares his inside tips and strategies on making big money betting on NFL football Much of the information here is available nowhere else More than 40 chapters cover basic advanced and expert concepts that will give readers the most powerful winning information available anywhere Readers learn how to set up betting models and use power ratings and how to separate performance from perception Gordon shows how to beat the point spreads and money lines and how to bet underdogs propositions teasers parlays futures and much much more *How to Beat the Pro Football Points spread* Bobby Smith, 2015-08-04 In this second edition that takes into consideration the perpetually evolving NFL rules *How to Beat the Pro Football Points spread* continues to set bettors on a confidence building path lined with high priority realities that for decades have flown under the typical football bettor s radar Smith emphasizes that pure football knowledge

must be absorbed and then applied to the world of point spreads He teaches his readers to look at the game with the bettor's eye instead of the fan's and explains his theories about reasonable statistical expectations and ways to challenge the oddsmakers He also discusses the implications of coaching styles stadium locations and even the weather on each bet made throughout the season With years of football betting under his belt Smith has written a key resource for anyone wagering on America's most popular sport Skyhorse Publishing as well as our Sports Publishing imprint are proud to publish a broad range of books for readers interested in sports books about baseball pro football college football pro and college basketball hockey or soccer we have a book about your sport or your team Whether you are a New York Yankees fan or hail from Red Sox nation whether you are a die hard Green Bay Packers or Dallas Cowboys fan whether you root for the Kentucky Wildcats Louisville Cardinals UCLA Bruins or Kansas Jayhawks whether you route for the Boston Bruins Toronto Maple Leafs Montreal Canadiens or Los Angeles Kings we have a book for you While not every title we publish becomes a New York Times bestseller or a national bestseller we are committed to publishing books on subjects that are sometimes overlooked by other publishers and to authors whose work might not otherwise find a home

Diary of a Football Handicapper Robert L. Carneiro, 2006-11-10 This journal captures the day by day week by week excitement of a fall season spent challenging the sports books of Reno as the author tries to beat the point spread betting college football While basically the story of one man armed with a system going head to head against the oddsmaker it is also an ethnography of the sports books of Nevada The author a professional anthropologist presents the most detailed account ever written of just how sports books operate How is the point spread made By whom How does it change game by game in response to the money bet All this and more is revealed But beyond that here is a very human story of an avid football fan indulging his passion and his hobby trying doggedly to outsmart the oddsmaker Moreover the book catches the flavor of the gambling scene in Reno as well as reflecting the color and pageantry of college football

The Economics of Gambling Leighton Vaughan-Williams, 2005-09-27 This timely and comprehensive book covers all the bases of the economics of gambling and fulfills the increasing need for a study into this most important factor of gambling

**America's Obsession** Richard O. Davies, 1994 The author examines sports as a microcosm of national life from the use of sports seasons to mark time i.e. football baseball and basketball as opposed to spring summer and autumn to the propensity for starving our educational system while dumping millions into stadium and high school athletic programs
