Gerdy,2010-10-12 John R Gerdy knows sports inside out He has been an All American basketball player whose college jersey was retired He was briefly a professional player Later he served as an associate commissioner in the NCAA s Southeastern Conference and as a legislative and ethical advisor to the NCAA and the Knight Commission Currently he teaches courses on sports administration Now in Sports The All American Addiction he brings his insights and observations together in a radical critical evaluation of the impact of sports on American life This book argues that our society s huge investment in organized sports is unjustified Ardent boosters say that sports embody the American Way developing winners by teaching lessons in sportsmanship teamwork and discipline In fact Gerdy writes modern sports are eroding American life and undermining traditional American values essential to the well being of the nation and its people Like a drug this obsession allows Americans to escape problems and ignore issues Gerdy asks tough questions Have sports lost their relevance Is it just mindless entertainment Is our enormous investment in sports as educational tools appropriate for a nation that needs graduates to compete in the information based global economy of the twenty first century Do organized sports continue to promote positive ideals Or do sports in the age of television corporate sky boxes and sneaker deals represent something far different Boldly making his case Gerdy detects five causes for alarm A violent win at all cost mentality exists A greater number of spectators are idly watching the few elite athletes An athletic culture that is anti intellectual systematically creates dumb jocks While bridges inner cities and schools are crumbling tremendous sums of tax dollars vanish to wealthy owners millionaire players and to college athletic programs Studies show that sports are no more effective in promoting equality than any other American institution Can organized sports be restructured The author concludes with a series of daring suggestions for change
