Sports Hero Bobby Orr:

Sports Hero Marshall Burchard, S. H. Burchard, 1973-01-01 An easy to read biography of the Boston Bruins hockey star who began his professional career at age fourteen *Don Cherry's Sports Heroes* Don Cherry, 2017-10-24 Don Cherry has become a broadcasting legend garnering millions of fans around the world with his Coach's Corner segment on Hockey Night in Canada. For over a decade Cherry also hosted the TV show Grapevine which brought viewers up close and personal with the biggest names in sports. Don was the interviewer and his son Tim produced the show. And no one in the sports world from hockey players to boxers to curlers to umpires turned down an invitation to appear on it. It was on that show that Don has some of his fondest memories from his many years in the biz and at last in Don Cherry's Sports Heroes he gives us behind the scenes access to some of his most fascinating and revealing interviews with the all-time greats. Don has his signature candidness and sizzling humour in these interviews and stories. In these pages you'll find epic stories about hockey greats Maurice Rocket, Richard Wayne Gretzky, Bobby Orr and Gordie Howe to name a few, and since Grapevine TV was the place to be in the sports world you can revel in some unforgettable stories on players in other fields too. Don Cherry shares with the world tales that only a true insider could know. You won't be disappointed. Greatest Sports Heroes of All Times Paul J. Christopher, Alicia Marie Smith, 2006-08 Hold it! You really think we can come up with 50 greatest sports heroes? Well, we can, and we have. Our heroes are not simply limited to the most popular spectator sports. On occasion our heroes go back several generations, not just to the names in the papers or the sports talk shows. Who are they? Well, certainly Jordan Woods and Ming, but are you old enough to remember Max Schmeling or George Best? There are a lot more where they come from: skiers, cyclists, golfers, and runners, all the best and more. What did they do, and why are they great? The book offers a quick personal biography of each of our famous athletes, summary statistics of some of the most important successes, the good, the bad, and the ugly of their sports careers, why these individuals went on to influence their sport, and trivia questions to challenge your knowledge and more. *In the Agora* John Ralston Saul, 2006-01-01 A spirited and engaging read. In the Agora effectively illustrates how Canadian philosophers have contributed to public discourse and enriched our world. It is a collection that is sure to prompt both interest and debate. The Invisible Bridge Rick Perlstein, 2015-08-11 The best-selling author of Nixonland presents a portrait of the United States during the turbulent political and economic upheavals of the 1970s, covering events ranging from the Arab oil embargo and the era of Patty Hearst to the collapse of the South Vietnamese government and the rise of Ronald Reagan. Publisher's description. **Poems, Prose, and Other Lies** Peter Whittlesey, 2013-09-16 Peter Whittlesey's first inspiration for writing and storytelling arose from reading when he was a boy, particularly Mark Twain and Will James. A few years later when he was studying history at Westminster College, Whittlesey encountered the literary spirits of Jack Kerouac and J. D. Salinger in the stacks of McGill Library. Since then he has been hauntingly guided by Kerouac and often wonders what treasures reside in J. D.'s bunker files. Even so, it wasn't until many

years later that Whittlesey really found his own way in writing upon his discovery of Dr Gabriele Ricos Writing the Natural Way Her techniques for engaging the whole mind in the creative process proved to be invaluable With that knowledge he has created Poems Prose and Other Lies These verses and narratives explore the challenges of letting go of becoming Somebody Someday and other subjects that arise from the ups and downs of everyday life Whittlesey also spins personal tales in his prose from the story of The Little Black Cat to the tale of The Wood Boy The Legend of Mount Misery that draw us into their worlds In this debut collection Whittlesey presents a whole that is as much the journey of a writer learning his craft as it is a reflection of life in the wilderness that is our world today

Michael MacCambridge chronicles in *THE BIG TIME* no decade in American sports history featured such convulsive cultural shifts as the 1970s. So many things happened during the decade: the move of sports into prime time television; the beginning of athletes gaining a sense of autonomy for their own careers; integration becoming at least within sports more of the rule than the exception; and the social revolution that brought females more decisively into sports as athletes, coaches, executives, and spectators. More than politicians, musicians, or actors, the decade in America was defined by its most exemplary athletes. The sweeping changes in the decade could be seen in the collective experience of Billie Jean King and Muhammad Ali, Henry Aaron and Julius Erving, Kareem Abdul Jabbar and Joe Greene, Jack Nicklaus and Chris Evert, among others, who redefined the role of athletes and athletics in American culture. The Seventies witnessed the emergence of spectator sports as an ever-expanding mainstream phenomenon, as well as dramatic changes in the way athletes were paid, portrayed, and packaged. In tracing the epic narrative of how American sports was transformed in the Seventies, a larger story emerges of how America itself changed and how spectator sports moved decisively on a trajectory toward what it has become today: the last truly big tent in American culture.
