*Administration of Intercollegiate Athletics* Robert Zullo, Erianne Weight, 2024-02-27 The dynamic world of collegiate sports has seen seismic changes since the previous edition of *Administration of Intercollegiate Athletics* was published Conference realignments name image and likeness NIL advancements multibillion dollar media rights deals expanded bowl

games and tournaments and big money corporate sponsorships have all been arisen out of the burgeoning popularity of college sports. The growing complexities of the sport administrator's role necessitate a college text that reflects the times. And that's exactly what *Administration of Intercollegiate Athletics Second Edition* does. Some of the most informed and experienced professionals in the field of athletics administration have lent their expertise to the updated second edition, making it the most comprehensive resource available today for students aspiring to work in the field and for professionals navigating an increasingly demanding environment. The text offers students a deep dive into the day-to-day operations of collegiate athletics departments. With chapters covering governing bodies and conference governance, leadership and management, rules compliance, academics, eligibility and student athlete development, media relations and production, financial operations and budgeting, marketing, ticketing, licensing and sponsorships, facility and event management, alumni relations and support services, the text provides students with the essential underpinnings of an athletics administration position. New to this edition is a chapter dedicated to diversity, equity and inclusion to provide broader discussions of athlete social justice, activism, gender equity, Title IX compliance, feminist theory and allyship. In addition, the second edition discusses the rise of NIL deals, legalized sports wagering and esports, as well as the lasting financial impacts of COVID-19 on athletics departments at all levels of intercollegiate sport. While Division I schools grab the spotlight, administrators in Division II, Division III, junior colleges and the National Association of Intercollegiate Athletics (NAIA) athletics departments share the same responsibilities as their Division I counterparts. Throughout the text, *Administration of Intercollegiate Athletics Second Edition* takes care to address the needs and concerns of administrators at these levels, even more so than in the previous edition. New and updated features include Leadership Lesson sidebars, discussion questions, learning activities and case studies designed to enhance learning and provide practical application of the concepts presented. Also included are Industry Profile sidebars that highlight prominent athletics administrators, Technology Tools sidebars that showcase the latest advancements assisting administrators in their roles, and Professional Development sidebars that provide students with direction on how to enter and succeed in the industry. *Administration of Intercollegiate Athletics Second Edition* is an essential textbook for courses on intercollegiate athletics sport management or sport marketing and is a relied-on resource for current sport administrators.

**The Sports Strategist** Irving Rein PhD, Ben Shields, Adam Grossman, 2014-08-01 Today's high performance sports business is more complex than ever before and presents new challenges to the industry at all levels. Sports organizations are fighting hard for the money and engagement of fans, media and sponsors while facing unprecedented competition both domestically and internationally. The cost of doing business continues to rise while traditional revenue streams are under increased pressure. In *The Sports Strategist: Developing Leaders for a High Performance Industry*, authors Irving Rein, Ben Shields and Adam Grossman demonstrate that relying too much on winning is a losing long-term strategy for dealing with these challenges. Instead, they argue that sports organizations must focus on identifying and maximizing key factors that

unlike winning can be controlled and shaped By building a more well rounded business sports strategists will position themselves and their organizations for sustainable success in the industry Blending extensive industry experience and real world case studies with their academic expertise the authors arm students with the combination of the necessary tools to help them make better strategic decisions Students will learn how to design identities reinvigorate venue experiences manage narratives and maximize new technology in today s connected world In addition readers will explore how to implement business analytics build public support and apply ethics in decision making These techniques are vital to creating a successful sports organization that is ready to reap the benefits of winning when it does happen without having to suffer when it does not The demand for innovative leaders who can address these issues and make tough decisions on which challenges to prioritize has never been greater The Sports Strategist is an essential resource for anyone looking to thrive in the sports industry
