Spreading the News Lady Gregory,1918 *Spreading the News* Richard R. John,1998-11-15 From its establishment in 1775 to the commercialization of the electric telegraph in 1844 the American postal system spurred a communications revolution as far reaching as the revolutions associated with the telephone and computer John tells the story of that revolution and the challenge it posed for American business politics and culture *The Anthropology of News and Journalism* S. Elizabeth Bird,2010 This title explores the role of news and journalism in contemporary culture from an anthropological perspective Essays by leading scholars look at communities of professional and nonprofessional journalists

Digital Currents Rena Bivens,2014-01-01 Rena Bivens takes the reader inside TV newsrooms to explore how news organisations are responding to the paradigmatic shifts in media and communication practices **The Gospel of John in Cultural and Rhetorical Perspective** Jerome H. Neyrey,2009-11-10 Johns Gospel has been studied and evaluated and interpreted constantly by theologians throughout the ages Can anything more possibly be said Jerome Neyrey says it can indeed by interpreting it in two fresh ways by means of ancient rhetoric and by viewing it in its cultural context In order to find patterns and concepts that have a bearing on how to read John Neyrey examines the rhetoric of praise and blame described in the ancient encomium the Greek commonplace on noble death rules for rhetorical conclusions and Jewish background materials He then uses materials from cultural anthropology such as the effects of limited good and envy secrecy and brokerage Even innocent topics such as time and space have much to say about interpreting the figure of Jesus In viewing John through these two lenses *The Gospel of John in Cultural and Rhetorical Perspective* brings the book into clear focus as a truly maverick gospel *The Middle Kingdom Under the Big Sky* Mark T. Johnson,2022-05 2023 Caroline Bancroft History Prize from the Denver Public Library 2023 WHA W Turrentine Jackson Award From the earliest days of non Native settlement of Montana when Chinese immigrants made up more than 10 percent of the territory s population Chinese pioneers played a key role in the region s development But this population so crucial to Montana s history remains

underrepresented in historical accounts and popular attention to the Chinese in Montana tends to focus on sensational elements exoticizing Chinese Montanans and distancing their lived experiences from our modern understanding The Middle Kingdom under the Big Sky seeks to recover the stories of Montana's Chinese population in their own words and deepen understanding of Chinese experiences in Montana by using a global lens Mark T Johnson has mined several large collections of primary documents left by Chinese pioneers translated into English here for the first time These collections spanning the 1880s through the 1950s provide insight into the pressures the Chinese community faced from family members back in China and from non-Chinese Montanans as economic and cultural disturbances complicated acceptance of Chinese residents in the state Through their own voices Johnson reveals the agency of Chinese Montanans in the history of the American West and China

Faces Mohamed Choukri, 2024 Mohamed Choukri 1935-2003 is one of the most important writers of modern Moroccan literature Illiterate until the age of 20 he grew up speaking *darjah* the spoken dialect of Moroccan Arabic and spent his childhood in extreme poverty in Tangiers After learning to read he wrote works that changed modern Arab literature His works include characters based on people he knew who lived in worlds rarely featured in literature At the same time he connected with the writers Paul Bowles an early translator Tennessee Williams and Jean Genet among many others *Faces* published in Arabic in 1996 and never before translated into English is the third in his most famous trilogy weaving together autobiography and fiction His novel invites the reader to experience the places and events of his life through the eyes of a local and paints a picture of daily life for all kinds of people Like in life he describes gritty events abject poverty prostitution violence sexual revelry deprivation and abuse almost casually It is through these topics and his storytelling style that Choukri reflects on human nature love and kindness He elevates and humanizes those undergoing poverty places the blame for the violence they undergo squarely on colonial forces and then the resulting postcolonial government and emphasizes the importance of community and collaboration I saw that writing could also be a way to expose to protest against those who have stolen my childhood my teenage hood and a piece of my youthfulness said Choukri At that moment my writing became committed His vivid portrayals of marginalized people considered a taboo led to censorship from 1983 to 2000 and a cultural backlash in the Arab world which resulted in *Faces* being published late and not being translated before his death Elbousty's elegant translation stays faithful to Choukri's writing and promises to remind readers of his importance and to bring him attention not just in Morocco but in discussions of contemporary Arab literature around the globe

Catastrophe T. Joseph Scanlon, 2020-11-27

Catastrophe weaves together compelling stories and potent lessons learned from the calamitous Halifax explosion the worst non-natural disaster in North America before 9/11 On December 6 1917 the Canadian city of Halifax Nova Scotia was shattered when volatile cargo on the SS *Mont Blanc* freighter exploded in the bustling wartime harbour More than nineteen hundred people were killed and nine thousand injured Across more than two square kilometres some 1200 homes factories

schools and churches were obliterated or heavily damaged Written from a scholarly perspective but in a journalistic style accessible to the general reader this book explores how the explosion influenced later emergency planning and disaster theory Rich in firsthand accounts gathered in decades of research in Canada the US the UK France and Norway the book examines the disaster from all angles It delivers an inspiring message the women and men at ground zero responded speedily courageously and effectively fighting fires rescuing the injured and sheltering the homeless The book also shows that the generous assistance that later came from central Canada and the US also brought some unhelpful intrusions by outside authorities Unable to imagine the horror of the initial crisis they ignored or even vilified a number of the first responders This book will be of particular interest to disaster researchers and emergency planners along with journalists and scholars of history Maritime studies and Canadian studies
